

1,655 to Receive Degrees at OSC

Corvallis — A total of 1,655 degrees, second highest number in history, will be conferred June 8 by Oregon State college at its 90th annual commencement exercises.

The total is 150 more than a year ago and is topped only by the veteran-packed graduating class of 1950 when 1,968 degrees were conferred.

Thirty-three doctors' degrees will be conferred this year along with 270 master's degrees and 1,350 bachelor's degrees.

Two honorary degrees also will be given. Recipients will be Willard E. Johnson, general manager of the Hanford General Electric Company, and Yasuo Baron Goto, director of the University of Hawaii agricultural extension service. Johnson, a 1930 OSC graduate, is one of the nation's outstanding engineers. Goto is a recognized leader in international agriculture.

Baccalaureate service will be Sunday, June 7, with Dr. Theodore A. Gill, president of S. N. Francisco Theological Seminary, as speaker. Both baccalaureate and commencement will be held in the coliseum to provide maximum seating for parents, guests, and the general public.

The State Health Department says Utah leads the nation with 71.2 per cent of its infants inoculated against polio.
