

### OUNA Memb ers Express Serious NATO Doubts

Two members of the 1959 convention resolutions committee of Oregon United Nations association have written to Mrs. Richard L. Neuberger, delegate to the Atlantic Congress which opened in London today, to "express their serious doubts about NATO."

The committee members, whose statement was in the nature of a minority report, are Mrs. Harlan P. Bosworth Jr., Medford, chairman of the committee, and Kenneth E. Lambie, a certified public accountant in Klamath Falls who was on the committee.

Their statement said "Our doubts arise from the belief that (1) NATO is patently a resort to the dismal and discredited 'balance of power' system, and (2) NATO demonstrates to all the world a discouraging lack of faith in the United Nations, which America and the other Western Powers are pledged to support."

The statement continued: When you (Mrs. Neuberger) attend the NATO conference we hope you do so with a questioning mind and heart, because, in our opinion NATO may well prove to be a delusion and betrayal of the hope for peace among the common people of the world.

"In particular we question the wisdom of having Western Germany a member of NATO. It is obviously a block to the unification of Germany because Russia fears a Germany rearmend and committed to the Western Powers for military purposes. Russia has valid grounds for such fears as should be apparent from the history of the two world wars."

Another Oregon woman is Y Knot Twirlers To Hold Dance

Y Knot Twirlers Square Dance club will hold a dance at Wilson school starting about 8:30 p.m. Saturday with Douglas Fosbury, Medford, calling squares.

This international meeting, sponsored by the NATO Parliamentarians' Conference from June 5 through June 9, is attended by delegates from the 15 NATO countries, and is dedicated to exploring the possibilities of greater economic and political cooperation. The agenda of the Congress includes addresses by outstanding Atlantic Community leaders, as well as discussion and debate in five committees - three dealing with relations among the Atlantic countries and two devoted to Atlantic relations with the rest of the world.

The United States Congress is represented by 20 delegates - ten from each of the two Houses.

### Installation Set In Cave Junction

Cave Junction-Job's Daughters installation of officers will take place Monday evening, June 8, at Immanuel Baptist Methodist church in Cave Junction. This last minute change from the Masonic temple was made necessary because of the extensive remodeling work now under way on the Masonic building.

The ceremony is open to the public. A dance is planned after the ceremony.

### Year of Dancing To Be Celebrated

A square dance celebrating one year of dancing at Bellview Grange hall will be held at the grange hall south of Ashland starting at 8:30 p.m. Saturday.

Mr. and Mrs. Howard Jones, Floyd Workman and Byron (Buzz) Dibble will call squares. All square dancers are invited, and potluck refreshments will be served.

### COMPOTE TIME

New York (UPI)—Fresh fruit time is compote time. Combine 1/3 cup sugar, 1/2 cup water, 1 tablespoon fresh lemon juice, 1 stick whole cinnamon and 1/2 teaspoon whole cloves in saucepan. Mix well. Bring to boiling point and boil 2 minutes. Strain off spices. Add 3/4 teaspoon vanilla, 2 cups each fresh strawberries and fresh pineapple wedges. Chill. Serve in 6 sherbet glasses, garnished with fresh mint.

### Luxury for Linens

In some instances the work will represent the first efforts of the students while others have been painting for some time. Some, including Mrs. Staley and Mrs. Hixson, are members of the Southern Oregon Society of Artists and have been painting for a number of years. Mrs. Dawkins is known in the valley for her commercial art work, and Mrs. Lorish is both an artist and a landscape gardener.

Mr. Bennett's summer classes for children will open Monday, June 8. The schedule includes classes for children aged 6 to 9 years, and from 10 to 14 years. He is also opening new classes for adults in outdoor oil and watercolor, and studio classes in oil, both in the afternoon and evening.

### Second in Series Of TV Shows Set

The second in a series of television programs on "One Hundred Years in Medicine" will be presented by the Jackson County Tuberculosis and Health Association over station KBES-TV Saturday, June 6 at 9:30 a.m.

Planned in keeping with Oregon's Centennial, the Jackson County Medical Society is cooperating with the association in a review of medical advances and achievements of the past century.

Appearing on the panel Saturday will be Dr. Dwight H. Findley and Dr. Malcolm Byers, general practitioners, and a special guest will be Dr. William P. Holt, also a general practitioner, who has been practicing medicine in Jackson county longer than any other physician in the county. Dr. Holt began his practice here in 1906, and will relate some of his early day experiences.

### Wagons Welcomed In Douglas, Wyo.

Douglas, Wyo. (UPI)—More than 2000 persons lined the streets of this small eastern Wyoming community Thursday to watch the Oregon Cavalcade of covered wagons parade down the main street en route to Casper and the Red desert.

Camp was made Thursday at 1:30 p.m. near Natural Bridge, a local landmark 14 miles east of Glenrock.

The route of travel Thursday took the seven covered wagons over a portion of the Old Oregon Trail and the new U.S. interstate highways.

Members of the caravan were shown the location of early pioneer graves along the route.

Thyrza Pelling, Oswego, located an early day Sioux Indian campsite near the Oregon Trail south of here. Remains of teepee rounds could be clearly seen on the prairie.

### Museum Visitors Increase in May

Jacksonville - Visitors at the Jacksonville museum during May totaled 5,100, an increase of 1,014 over the total for May a year ago. A total of 330,779 have visited the museum since it opened in 1950.

Thirty-eight schools sent classes totaling 1,856 students to tour the museum last month. They brought to 2,752 the number of students visiting this year.

A number of other groups, and visitors from 33 states, Canada, Cuba, Denmark, Okinawa and India also made the tour.

The museum received many pioneer items, such as a miner's hat and an electric wallplate for physicians, from persons wishing to add to the institution's collection.

### Eggs, Chicken and Pork Said Good Week End Buys

The following guide to the nation's best food buys for this weekend was prepared for United Press International by the U.S. Department of Agriculture.

Washington (UPI)—Thrifty food shoppers will find eggs, broiler-fryer chickens, pork and increasing supplies of fresh fruits and vegetables excellent choices for this weekend.

Since this week ushers in June dairy month, there'll be plenty of milk, cheese, and other dairy products wearing favorable price tags.

At numerous markets across the country, protein-rich eggs still represent a number one value, with prices at the lowest levels in many years. All cuts of pork are an excellent choice too, along with ground beef, and broiler-fryers which are still a feature at many shopping centers.

Vegetable bins will offer increasing supplies of lettuce, carrots, tomatoes, asparagus, onions, cooking greens, cabbage, celery, corn snap beans, cucumbers, squash, and potatoes.

In the fruit line, there's a wide choice. Most plentiful are bananas, strawberries, grapefruit, Valencia oranges, lemons and limes. Supplies of watermelons, cantaloupe, and southern peaches are increasing daily and gradually are bearing more favorable prices.

Fish counters across the nation will offer excellent supplies of fish sticks, shrimp, and canned tuna.

Those are the week-end's best food buys, nationally. Here is more detailed information for the West:

Arizona, California, Idaho, Montana, Nevada, Oregon, Utah, Washington, Wyoming: Eggs, fryer chickens, pork, and increasing supplies of fresh fruits and vegetables are providing consumers with attractive buys.

Eggs continue in heavy supply and prices are mostly at the low levels of recent weeks. Top quality large eggs are 1 to 2 cents a dozen higher on Northwest and San Francisco area markets, but other sizes are unchanged in price.

Mostly unchanged in price are the plentiful supplies of fryer chickens and pork.

Some beef cuts are slightly higher this week in Northwest and Los Angeles area, and calf, veal and lamb are mostly unchanged in price.

Butter continues in plentiful supply. Fruit and vegetable plentiful include strawberries, cantaloupes, watermelons, carrots, artichokes, cauliflower, lettuce, onions, long white potatoes, soft squashes, and tomatoes.

In good supply are apples, avocados, grapefruit, lemons, Valencia oranges, small peaches, asparagus, beans, cabbage, corn and cucumbers.

Best fish buys are Dungeness crabs, halibut, salmon, rockfish, cod, and flounder.

### Special Workshop On Music Planned

Ashland-Elementary school music will be featured in a special workshop Aug. 10-21, at Southern Oregon college for which either graduate or undergraduate credit may be granted, according to Miss Helene Robinson, who will instruct the workshop.

Learning procedures for the class will involve class sessions wherein students will engage in the various musical activities of the elementary school such as singing, listening, responding to rhythms, listening, playing and constructing simple instruments, creating music, and reading music notation.

Special attention will be given to several units of study, such as Hawaiian music, American Indian music, Latin American music, and Calypso music, and each student will be permitted to choose for special study a topic of value to his own musical growth.

Three term hours of credit in either methods and research materials in music, or music education in the grades, may be acquired, Miss Robinson said. Class hours will be from 8 a.m. to noon, Monday through Friday.

### If Mayonnaise Curdles

New York (UPI)—If mayonnaise curdles while you're making it, you've added oil too quickly. But don't throw the batch away. Start again from scratch in a clean bowl, using the same amount of ingredients as in the first batch. Add oil as slowly as possible, pouring in a thread-like stream if you use an electric beater. As soon as the mixture emulsifies, add the curdled mayonnaise as slowly as possible. Then, as the mixture thickens, add the remainder of the fresh oil a bit more rapidly, plus any that was left over from the first batch. Follow the same process if you use an electric blender, beginning according to appliance instructions by adding 1/4 of the oil all at once with the starter ingredients.
