Yanks Hand Indians 7th Loss In Row With 2-7 Victory

By United Press International

The New York Yankees, back on the victory trail again, made it four in a row Saturday when they handed the Cleveland Indians their seventh straight loss, 2-1, behind the six-hit pitching of Bob Turley.

Turley posted his fifth victory and had a shutout going until Tito Francona hit a pinch homer with two out in the ninth inning.

The Yankees scored their first run off loser Don Ferrarese with the aid of Willie Jones' error in the fifth and then tallied what proved to be the winning run in the eighth on a single by Hank Bauer, a sacrifice by Elston Howard and another single by Mickey Mantle.

Howard saved the game for Turley by robbing Rocky Colavito of a home run with a brilliant leaping catch. Jones was on base at the time.

Paul Foytack turned in a six-hit effort and touched off a three-run rally in the eighth to lead the Detroit Tigers to a 4-1 triumph over the Washington Senators.

Loses Shutout

Foytack, who gained his fourth victory, lost his shutout when Faye Throneberry homered for the Senators. Washington starter Russ Kemmerer held the Tigers to one run on three hits but gave way to a pinch hitter in the eighth. Detroit hopped on reliever Tex Clevenger for its three-run rally in the bottom of the frame on singles by Foytack and Eddie Yost, a two-run double by Harvey Kuenn and a single by Charlie Maxwell.

Vic Wertz and Frank Malzone each clouted a two-run homer to enable the Boston Red Sox to beat the Chicago White Sox, 4-2. Rookie Ted Wills gained his second victory in as many starts although he needed help from Mike Fornieles in the eighth.

Wertz' two-run homer off loser Ray Moore put Boston ahead, 2-0, in the first inning and Malzone's two-run wallop proved the margin of victory in the sixth.

Baltimore met Kansas City in a night game.

SO Timing Association Tells Drag Racing Plans

Southern Oregon Timing association will conduct eight drag races during the summer months.

Racing events will begin next Sunday, June 14 and will be held every other week until August 23. Climax of the season will be the Centennial Gas championships on Saturday and Sunday, Sept. 12 and 13. On Sept. 27 the third annual all charity races for the United Crusade will be held.

All races will be conducted at the SOTA drag strip in West Camp White. Association officials indicated numerous improvement have been initiated this year to smooth the general operation of the races and make them more interesting to the public. Again, the local Lions club will be in charge of the concession facilities.

Contestants will note several rule changes, mostly in line with those of the National Hot Rod association, pertaining to safety measures and classifications of vehicles. One of the new rules of interest to the "gas" classes states that all vehicles operating in this group must be equipped with a 360 degree safety shield around the clutch and flywheel assembly. The regulation is designed to protect both the driver and spectators. This shield must be constructed of one-quarter inch steel and must not be anchored to the bell housing of the engine.

Six Sports Classes

Sports car fans will now have six classes. This is an increase of three more than last year. SOTA officials said the change should result in more entries in sport classes.

A practice meet is being held today for the purpose of checking equipment, procedure and organization. It is not an official race and no prizes are being given. The public, nevertheless, is invited to attend. Members of the various clubs in SOTA will time their cars and participate in the mock eliminations. The concession stand will not operate and there will be no admission charge.

Anyone desiring more information about the races may write to Southern Oregon Timing association, P.O. Box 1581, Medford.

Ragan Pulls Even With G. Littler

Baltimore – (UPI) – Dave Ragan of Chattanooga, Tenn., put on a brilliant birdie barrage on the back nine for a six-under-par 66 that pulled him even with Gene Littler of Singing Hills, Calif., at the end of the third round in the Eastern Open Golf tournament Saturday.

Ragan and Litler were deadlocked with 203 totals, 13 under par, for the 54-hole route.

With only nine holes to play today, the 23-year-old Ragan trailed the pace-setting Littler by six strokes.

However, Ragan all but blasted the flags off the greens as he fired five straight birdies, starting at the 11th hole. And his putt for a sixth straight birdie teetered on the lip of the cup on the 16th hole.

At the same time, Littler was having putting trouble for the first time in the tournament. He three-putted three greens for a 71 Saturday.

Ed (Porky) Oliver, of Denver, Colo., started Saturday's round a stroke behind Littler but went over par for the first time, taking a 73. This put Oliver in a three-way tie at 206 with Don Whitt of Borrego Springs, Calif., and Henry Ransom of St. Andrews, Ill.

Rounding out the leaders were Billy Maxwell, Odessa, Tex., 207; Bo Wininger, Odessa, Tex., 208; Fred Hawkins, El Paso, Tex., 208; Tommy Jacobs, Whittier, Calif., 208, and Bill Collins, Baltimore, 208.

Venturi Backs Golf Title

Chicago –(UPI)– Ken Venturi will defend his title in the $57,000 Chicago open golf tournament June 25-28, tourney sponsors announced.

Venturi, the slender Palo Alto, Calif., resident, who captured top money last year with a 272, filed his entry Saturday, joining Sam Snead who entered Friday to become the No. 1 entrant.

Other entries received at Gleneagles Country club, site of the tourney, are Don Whitt, Barrego Springs, Calif.; Gay Brewer Jr., Paradise, Fla.; Mike Dietz, Port Paradise, Fla., and Doug Sanders, Miami Beach, Fla.

Giants Top Reds 13-3; Near Lead

Cincinnati – (UPI) – The San Francisco Giants surged to within 1½ games of the National league lead Saturdav when they crushed the Cincinnati Reds, 13-3, with the aid of an 18-hit attack and the eight-hit pitching of Sam Jones.

Leon Wagner hit the only homer for the Giants although they raked six Cincinnati pitchers for five doubles in moving up on the league-leading Braves, who dropped a 3-2 decision to the Dodgers.

Wagner's homer, his fifth of the season, came with two aboard in the first inning and set the pattern of the day. Victim of the blast was right hander Bob Porkey who departed in the third inning with his seventh loss against five wins.

The Giants, scoring in all but three innings, made it easy for Jones to register his sixth win against five losses. An error by shortstop Andre Rogers in the third inning paved the way for three unearned Red runs and spoiled Jones's bid for a shutout.

Wild Inning Aids Giants

Phoenix, Ariz.–(UPI)–A wild seven-run seventh inning gave the Phoenix Giants an 8-4 decision over the Portland Beavers in a Pacific Coast league game Friday night.

A key play in the big frame which saw the Giants overcome a two run deficit was an errant throw by George Freese, Portland third baseman. Freese, trying a force play at the plate, hit Phoenix second baseman Jim Brideweser on the head. The ball caromed past the catcher. Two runs scored on that play.

Big Bill Wilson, Phoenix centerfielder, hit his seventh homer to start the frame off. But it was a broken bat single by pinch hitter Bobby Prescott that put the Giants ahead 3-2 and set the stage for the wild throw from Freese..

Pendleton Picks Martin Pedigo

Pendleton–(UPI)–Martin Pedigo, 24-year-old freshman track coach at the University of Oregon, today was named head track coach at Pendleton high schol.

Pegigo, who will take over his duties next fall, also was named head of the physical education department at the high school. He replaces George Rasmussen, who said he was resigning to take a job somewhere in western Oregon.

Pedigo, a former Oregon track star, is a graduate of Hermiston high school.
