

Six Drivers Get Licenses Suspended

Salem. — The department of motor vehicles has released names of 378 drivers whose licenses were ordered suspended during the period beginning May 25, and ending May 29.

Length of suspension varies, depending on charges involved, recommendation of court, discretionary action by the department or requirements of Oregon law. The department said some of the licenses involving financial responsibility and court recommendations may have been re-instated after suspension was ordered.

The department warned drivers that the penalty for driving while suspended is a jail sentence of no less than two days and up to six months, and there may be imposed a fine up to \$500. Under licensing procedures, this will also result in an additional year of suspension.

Among those suspended in Jackson county were:

- Driver, Willie Sussler, 40, of 1000 S. Main, Medford, for violation of traffic laws, level of operation of motor vehicle while driving privileges were under suspension.
