

Bobby—
one finger is a fast ball,
two means a curve,
you signalled the pitcher
with three fingers.
We don't have a pitch
for three fingers.
That's why he won't
throw you the ball.

He'll learn—many things and many new ideas. But, like all boys, he'll need your encouragement and assistance. A Prudential Education Plan can help make certain that *your* child will have the money to complete his education. For expert advice in selecting the proper plan, see your *Prudential Agent*.
