

70 Major Offenses Reported to City Police in Month

A total of 70 major offense reports were received during May by Medford police, according to the police department's monthly record.

This figure represents a slight decrease from the April figure of 70 and a considerable decrease from the May, 1958, figure of 86.

Among the cases reported last month were 1 rape, 3 robberies, 3 aggravated assaults, 13 burglaries, 5 larcenies over \$50, 42 larcenies under \$50 and 3 auto thefts.

Burglaries declined from the April total of 19, while larcenies over \$50 were up one and larcenies under \$50 remained the same.

Miscellaneous Offenses

May's total for miscellaneous offenses, according to the record, was 804, compared to 678 in April and 652 in May, 1958. The rise was largely from increased traffic and motor vehicle violation reports.

Totals of 9 forgery or counterfeiting cases, 17 embezzlement or fraud cases, 5 miscellaneous sex offenses, 39 drunkenness cases, 5 disorderly conduct cases, 5 vagrancy cases, 3 gambling cases and 2 driving while intoxicated cases were reported in May.

Significant changes from April's totals were increases in forgery or counterfeiting, disorderly conduct and vagrancy cases and decreases in embezzlement or fraud, sex offense and driving while intoxicated cases.

There were 184 road and driving law violations and 416 traffic and motor vehicle law violations recorded in May, compared to 202 and 270, respectively, in April. Among the May figures were 116 basic rule violations, 36 of them observed with radar.
