

JAMES MELTON, FAMOUS SINGING STAR AND COLLECTOR OF ANTIQUE CARS

*"How I use
Murine to soothe my eyes
and so relax tension"*

"Whenever my eyes feel tired I pop in Murine. I've found it a great comfort and a help in relaxing tension. Driving some of my antique cars with no tops exposes my eyes to wind and dust. That's another time when Murine is a big help." Like James Melton, you will find Murine a quick way to comfort and rest your eyes. Especially helpful morning and night. Makes your eyes feel so good.

The officious new nurse was determined to show her authority her first day on the job. When a man walked into the office, she ordered him to step into the next room and undress.

"But I only want my sore throat checked," he protested.

It made no difference. Without listening further, she again ordered him into the next room. There he found another man undressing and again complained that he was merely a throat patient.

"What are you complaining about?" asked the other man. "I'm the doctor!"

The teacher was organizing the first-graders for their lunch period. "Will all the boys and girls who will have hot lunches in the cafeteria stand over here, please. And will all those who have brought their lunch buckets stand over there."

The two groups quickly separated except for one bewildered boy. "Teacher," he asked, "where do the bags go?"
