

THE CENTURY BUILDING

Medford's newest office building, The Century Building, will be open for public inspection Friday, June 19. Open House will be from 2-4 p.m. Everyone is invited to see the old Community Hospital transformed into a Modern Office Building. Tenants' offices will be open for inspection—prospective tenants can see space and facilities. Medford salutes another fine construction lending to the development of a bigger and better Medford. Congratulations to the Medford firms who made this fine development possible.

Congratulations!
