

Oklahoma Staters Battle Arizonans In NCAA Title Tilt

Omaha, Neb.—(UPI)—Arizona's Wildcats and Oklahoma State's Cowboys decide the national collegiate baseball tonight.

Both teams have qualified for the NCAA college world series four times before. Neither has been able to win the crown.

The 'Cats and Cowboys collided in the third round of the tournament Monday with Arizona nicking the Oklahomans, 5-3.

They beat Dick Soergel, who is apt to be Cowboy Coach Toby Green's selection for mound duty tonight. Greene hasn't made up his mind between Soergel, whose loss to Arizona was his first defeat in either high school or collegiate competition, and relief artist Tony Bensinger.

Arizona Coach Frank Sacket has tabbed lefty Dave Baldwin, who defeated Fresno State, 5-1, on two hits Tuesday in his other series appearance.

Wednesday night, Oklahoma State advanced to tonight's finals by dumping Fresno State, 4-0, on Roy Peterson's four-hitter. Arizona drew a bye into the finals tonight.

Future in Doubt For Tomy Lee

Inglewood, Calif. — (UPI) — The future of Kentucky Derby winner Tomy Lee was in doubt today because of the decision of owner Fred Turner Jr., to leave thoroughbred racing.

Turner, a wealthy Texas oilman, said he was taking Tomy Lee out of training and indicated he may sell him for syndication as a stallion.

Turner thus made good on his threat to withdraw from the turf sport as an owner, apparently because of a dispute which centered on the failure of jockey Bill Shoemaker to ride Tomy Lee in the Genma Handicap at Hollywood Park.

Others To Be Sold
The turf patron said 14 other horses he owns would be put up for auction.

Shoemaker rode Sword Dancer to victory in the Belmont Stakes last week, while Tomy Lee finished next to last in the Cinema.

The owner indicated he was primarily concerned over the handling of the riding arrangements by Shoemaker's agent, Harry Silbert. "I leave with no hard feelings toward Bill Shoemaker; who I think is one of the finest riders in the world," said Turner.

Eugene's Turn In NW Dogfight

United Press International Eugene and Salem continued their dog fight in the Northwest league Wednesday night and this time it was Eugene's turn.

The Emeralds made six hits pay off with a 2-1 victory over the league leaders with Mel Krause scoring one run and driving in the other.

Krause singled in the third, moved up on a sacrifice and scored on a single by Carl Boles.

In the seventh, Chuck Hiller tripled and crossed with the eventual winning run as Krause singled.

SPORTS

EVIDENCE—This string of rainbow trout, held by Aerial Anderson, Lakeview, is shown as evidence of good fishing at Lake of the Woods. The trout were caught last Saturday, and angling was reported "exceptionally good." Fish ran 18 to 20 inches and around 2½ pounds, and were taken on flatfish behind ford fenders.

Giant Pennant Pursuit Aided By Antonelli's 10th Victory

By FRED DOWN
United Press International

The crux of the National league pennant race may be that Johnny Antonelli is enjoying his best season in five years while Warren Spahn is having his worst in seven.

Antonelli, San Francisco's star lefty, is now 10-3 and en route to his finest year since he had a 21-7 record for the world champion Giants in 1954. Spahn, who averaged 21 victories a season for the last six years, stands #3 and is headed for his worst record since he was 14-19 for the Braves in 1952.

All of which helps to explain why the Braves have been unable to shake off the pursuing Giants — not to mention the Pittsburgh Pirates, Los Angeles Dodgers and Chicago Cubs as well.

The Giants made hay out of the situation again Wednesday when they advanced to within a half-game of first place by beating the Cincinnati Reds, 7-5, while the Dodgers clipped the Braves, 10-2 and 4-0, in a two-night doubleheader.

Antonelli Wins 10th
Antonelli went seven ining for his 10th victory for San Francisco but the Dodgers rocked Spahn for five runs in 1 1/3 of an inning to set up their rout in the opener at Los Angeles.

The Chicago Cubs beat the Pirates, 5-2, and the St. Louis Cardinals whipped the Philadelphia Phillies, 10-4, in other NL games. In the American league, the New York Yankees defeated the Chicago White Sox, 7-3, the Baltimore Orioles edged out the Detroit Tigers, 4-0, and the Washington Senators beat the Kansas City Athletics, 7-2.

Antonelli yielded nine hits and walked two batters but struck out six before he gave way to Sam Jones in the eighth after Pete Whisenant led off with a homer. The Giants had taken a 7-2 lead in the sixth with a five-run burst.

Jim Gilliam greeted Spahn with a leadoff homer and the

Dodgers went on to rout Spahn with an attack that included a three-run first-inning triple by 245-pound rookie Frank Howard. Sandy Koufax went the distance behind the Dodgers' 15-hit attack.

McDevitt Pitches 2-hitter
Denny McDevitt pitched a two-hitter to beat Joey Jay in the second game which was scoreless until the Dodgers tallied two runs in the seventh.

Cal Neeman's three-run inside-the-park eighth-inning homer enabled Bill Henry of the Cubs to win his fifth game and dealt Harvey Haddix his fifth defeat.

Rookie Marshall Bridges yielded one run in 1 1/3 innings of relief to pick up the win for St. Louis in his major league debut. The Cardinals clinched the victory in the fifth when they sent 10 men to bat and scored five runs.

New Links Rules Told

New York — (UPI) — All golfuffers of the nation can rejoice today—they'll be shooting better golf in 1960.

At least, they may have a few lower scores. The U. S. Golf association issued an advance look at next year's playing rules today and they include an easing of penalties for several situations that duffers are always stumbling into.

The easier rules are just a trial, the USGA says, but here's how the new penalties will compare with present rules:

1. Out of bounds shots will be penalized by loss of distance only, instead of stroke plus distance. When you whack your tee shot into the parking lot, your next tee shot is your second shot—not your third.

2. A lost ball will be the same as out of bounds—loss of distance only, instead of stroke plus distance.

3. If you have an unplayable lie, you get a choice of penalties—either loss of distance plus one-stroke penalty or drop a new ball directly behind the unplayable lie and take a one-stroke penalty.

The difference is that in the latter choice this year you'd have to take a two-stroke penalty.

The full book of rules for 1960 won't be available until the fall of this year, the USGA said.

TROTTERS TO VISIT RUSS
Chicago — (UPI) — Soviet officials have assured Abe Saperstein that his Harlem Globetrotters basketball team could visit Russia this summer for a week. The Trotters will not play a Russian squad in Moscow. Their opponents will be the San Francisco Chinese team which they have been playing on their current European tour.

Canadian Open Golf Play Starts

Ste. Dorothee, Que. — (UPI) — The Canadian Open golf championship celebrates its 50th renewal today and this just may be the year Stan Leonard finally wins his own open.

The field of 149 teed off on the long, 580-yard first hole and Leonard, the aging, balding pro from Vancouver, was once again the sentimental, if not the betting favorite. In the absence of any bonafide odds, U. S. Open champion Billy Casper Jr., of Apple Valley, Calif., was established as the man to beat, despite the fact the odds against a player winning two straight tournaments are almost astronomical.

San Francisco Calls Up Fisher
San Francisco — (UPI) — The San Francisco Giants have called up the Pacific Coast league's winningest pitcher, Eddie Fisher of Phoenix.

Fisher, 22, has won 10 games and lost four this year for the Arizona farm team. He convinced the parent club he was worthy of a closer look when he tossed a one-hitter Tuesday night in beating Portland, 6-0.

The young righthander, a graduate of the University of Oklahoma, has surrendered 96 hits in 118 innings for Phoenix. He has struck out 53 and walked 29.

His earned run average was 3.15, especially noteworthy because he did most of his tossing in the Phoenix ballpark, which is considered a hitters' haven because of its small dimensions.
