Rails Take Lead In Stronger Market

New York—(UPI)—The rails assumed market leadership in a strong way today.

The carrier group was helped by good May earnings reports and by the Senate Finance Committee's vote to repeal the 10 per cent federal tax on passenger service.

Western Maryland was the pace setter, rising more than 5 at its best and touching a new high. Norfolk & Western added better than 2 and Baltimore & Ohio better than 1.

Right behind the rails, vying for market leadership, were the electronics. Steels were strong on the growing belief a strike may be averted this year. The autos were firm on balance.
