

Tavern Owner Sues On Pinball Seizure

Eugene Howard Henry, owner of a Springfield tavern, has brought suit against Lane County District Attorney William Frye and Sheriff Ed Elder in connection with a seizure of a pinball machine at Henry's establishment early Tuesday.

Two sheriff's deputies confiscated the machine after they had won four free games on the machine in a 40-minute period.

The suit contends that Henry will suffer "great and irreparable" damage if the sheriff and District Attorney are allowed to continue seizing his machines. Henry claims that pinballs are not gambling devices as defined by Oregon law. He is asking for an injunction against further seizure.

Attorney Hale Thompson, who is representing Henry says the suit is a test case of Oregon gambling laws.

Irving Elected District Governor

David M. Irving, Medford, was elected district governor of Oregon Lions district 36E at the annual state convention in Portland recently. He will take office at the Lions international convention in New York City June 30-July 3.

Eston Humphrey, retiring district governor, received the district governor's 100 per cent award for the work he has done in the district during the past year.

Other district governors elected are Lloyd Arnold, Portland; Arlo Fjelland, Pendleton; and Charles Rickabaugh, Eugene. Lee Murphy of Junction City was elected state chairman for the Oregon association.

Clarence Sturm, third vice president of Lions International, was the principal speaker at the convention.
