New York (UPI)—A favorable turn in the weather led to an announcement by promoter Bill Rosenzohn today that tonight's world heavyweight match between Floyd Patterson and Ingemar Johansson "is definitely on."

Although there was a haze over Yankee Stadium during the morning hours, there was no threat of rain that might cause a second postponement of the title match.

The weather forecast for tonight was "warm and humid with fog in some places and temperature in the low 70's."

Rosenzohn reiterated his estimate of a crowd of 35,000 and a gate in excess of \$500,000.

Irving B. Kahn, president of Teleprompter, Inc., said he did not think the one day postponement would hurt theater-TV sales.

Thursday's postponement of the 15-round bout between the champion Patterson and Swedish Johansson, champion of Europe, was caused by rain and wet grounds at Yankee Stadium.

Many Sought Refunds

After the switch was announced, many ticket holders sought refunds at the fight ticket-office on Broadway; but most of the requests were rejected. Rosenzohn said then, "there'll be no refunds while this fight is still scheduled to be held."

Ticket prices range from \$10 to \$100.

Chairman Melvin L. Krulwich of the athletic commission notified Rosenzohn's secretary, Mrs. Doris Carnot, "the box office would have to refund," she said.

Buxom Mrs. Carnot said that innocently and sweetly Thursday night at a press conference, much to Rosenzohn's surprise, after he had asked her about Krulwich's visit. Rosenzohn said, "if the fight is not held tonight, there'll be refunds only in hardship cases—where out-of-town visitors have airplane tickets and must return immediately to their homes."

Meanwhile, Patterson and

Johansson remained at their hotels, where they did limbering exercises late Thursday. They need not weigh in again unless the bout is shifted to next week. At Thursday's ceremonies in the Commodore Hotel, Ingemar weighed 196 pounds to Floyd's 182, for an advantage of 14.

Patterson was still favored at 5-1 in very light betting.

Suit Attaches Ingemar Purse

New York (UPI)—Ingemar Johansson may have to wait to pick up his pay check for his heavyweight title bout against Floyd Patterson—it's been attached in connection with a lawsuit filed against him.

The attachment was obtained in federal court Thursday by heavyweights Eddie Machen of Redding, Calif., and the Chicago Stadium Corp., who are jointly suing Johansson for a total of \$1,223,375.

Machen, knocked out by Johansson last September, claims he had a contract for a return bout with the Swede.

If papers of attachment can be served on Johansson today, his pay check for the bout could be held up until the suit is decided.

Gorman Hurler For Portland

Portland (UPI)—Tom Gorman, 32-year-old pitcher for the Kansas City Athletics, is being sent to the Portland Beavers as a replacement for Howie Reed, the Athletics announced Thursday. Reed, who was 7-4 for Portland this season, was recalled by Kansas City Wednesday.

The new hurler was expected to arrive in Portland today according to Beaver manager Tommy Heath. Heath said he plans to use Gorman as a starting pitcher, but added that the new moundman can be used in relief when necessary.

Gorman has had eight years experience in the major leagues including three years from 1952-54 with the New York Yankees. Since that time he has pitched for Kansas City.

The new Beaver hurler has compiled 36 wins and 37 losses in his eight seasons in the majors and his top earned run average was 2.19 with the Yankees in 1954.

Gorman has won one game this season for the Athletics

Wild Pitch Gives Portland 1-0 Edge

Portland (UPI)—A wild pitch in the first inning by Salt Lake pitcher George Perez scored Milt Graff from third base to give Portland its second straight 1-0 Pacific Coast League win over the Bees and a 3-1 series win Thursday night. The win put Portland solidly in fourth place.

George Brunet of Portland limited Salt Lake to two hits in registering his first victory of the season against six defeats. A single by Dick Barone of Salt Lake in the eighth inning halted Brunet's bid for a no-hitter.

Loser was Perez, who now has a 3-5 season record.

Portland scored the only run of the game in the first inning when Graff singled and went to third on Charlie Sechrist's single, and scored when Perez fired the wild pitch when facing Portland's George Freese.

The game was played before 2126 fans.

Phoenix Wins

After playing dead for the past two weeks, the seventh place Phoenix Giants are showing signs of waking-much to the dismay of the pennant hungry Vancouver Mounties.

The Giants, who tumbled from third to seventh recently on the strength of some terrible baseball, won their third straight from the Mounties Thursday night, 7-5.

Vancouver is now 3 1/2 games behind league-leading Sacramento, which nipped Spokane Thursday night, 5-4.

In other action, Portland defeated Salt Lake by a 1-0 score for the second straight night and last-place Seattle nicked San Diego, 5-1.

Bobby Prescott hammered a pair of homers, a triple and a double to lead the Giants to their win. Willie McCovey smashed a double and a triple and matched Prescott's four rbi's for the evening.

John Pott Leader in Gleneagle

Chicago (UPI)—Johnny Pott, a 23-year-old bridegroom of 21 days who's best payoff from golf was \$8,000 last year, set the pace for his better known competitors heading today into the second round of Gleneagle's \$57,000 Chicago Open.

Pott, with the "best round I've ever had," equalled the best nine-hole tally in any 1959 PGA tournament Thursday with a back nine 29 for a course record 63 on the 6,350 yard course.

His score came on an erratic round. He bogied four holes, three of them par 3's, and he missed five greens, but a hot putter carried him to a finish seven under par.

Pott's hot round gave him only a one stroke margin over last year's Gleneagle winner, Ken Venturi, who equalled the previous course record of 64 and tallied birdies on the last three holes. The two of them were in close quarters too, with the rest of the field as 29 of the field of 151 broke par and 19 equalled it.

Ted Buhl was only a stroke behind at 65 and both George Bernardin and Bo Winger posted 66's.

Dodgers Near Tie for Second

Los Angeles (UPI)—The pesky Pittsburgh Pirates give the Dodgers their big test when they open a three-game stand tonight that could determine if Los Angeles will be challenging Milwaukee for the National league lead.

The Dodgers moved into a virtual tie for second place Thursday night by sweeping their fourth straight win over Philadelphia by a 5-2 score. The win was the ninth in 12 games of the current home stand and the sixth in the last seven games for the Dodgers.

The victory left Los Angeles just one percentage point back of the San Francisco Giants, with both clubs two games behind the Braves.

For the Pittsburgh opener, Johnny Podre, 7-4, drew the hurling assignment. Opposing him will be Ronnie Kline, 6-4.

Presidio Increases In Strength

Camp White-San Francisco Presidio baseball team is reported at its strongest of the season for its current baseball tour which includes a stop against the Camp White semi-pro club on Monday evening, June 29 at the Veterans Administration domiciliary Memorial stadium.

A tightened infield and some effective pitching and hitting have helped the Army aggregation in recent weeks.

The Toreros started their northern California and southern Oregon swing with a record of victories in their last 10 games. After a slow start in fielding, the Presidio club found an infield combination and had been charged with only three errors in their seven games just previous to leaving on their trip.

Remington 5-0

Most recent wins for Presidio against service clubs were over Hamilton and Travis Air Force Bases and Moffett Naval Air Station.

Current pitching staff of the Presidio shows a 17-6 record, prior to the trip. Ted Remington was 5-0 and Eugene Lippold 7-4.

All Comers Track Meet on Saturday

This week's rain should prove a blessing and not a hindrance to the all-comers track and field meet Saturday at the Medford Senior High school stadium.

The track has been rather hard as the result of recent dry weather and Dean Benson, city recreation supervisor, pointed out that the rain should give more "life" to the oval—a benefit that thinclads will appreciate.

The Oregon AAU Olympic Development program and city-sponsored meet will be run off in two sections. Boys and girls 16 years of age and other will vie between 10 a.m. and 12:15 p.m. Events for older participants begin at 5 p.m.

Ashland Meet Tonight

Rivalry here will be one of two meets in Jackson County this week end. The City of Ashland is host this evening for a meet at Southern Oregon college. The week end track encounters are the second for each community this season.

Entry of "name" competitors is not expected at either Ashland or Medford this week but it is hoped to attract some top college talent in July. A larger participation of girls here Saturday than a week ago is expected, Benson reported.

Junior division rivalry at Medford Saturday morning will be broken down into 9-10, 11-12, 13-14 and 15-16 age classes. In the evening contests will be for high school, 17-18 years, and college (open) classes.

Entrants are asked to arrive at the stadium from one-half to one hour ahead of time in order to register and warm up properly for events.

25c Entry Fee

For the Medford meet participants are required to have AAU memberships which cost 50c and which can be obtained at the registration desk. An entry fee of 25c for the meet is charged. To give incentives awards will be given. Entry fees make the awards possible. The meet is geared to encourage as many boys and girls as possible to compete and to achieve some measure of success.

Short races and field events for boys under nine are planned in the summer meets if demand develops.

A number of field events will start the meet sections here at 10 a.m. and 5 p.m. First races are planned for 10:15 a.m. and 5:30 p.m.

The Ashland meet will have gradeschool, junior, senior and college (open) divisions. Benson and Don Spinas are in charge of the Medford meet and Alex Petersen and Warren LaBounty are conducting the Ashland event.

Bauer Holds Golf Open Lead Share

Pittsburgh (UPI)—Defending champion Mickey Wright gazed at the skies over Churchill Valley Country club today and fervently hoped for rain.

"I hope the weatherman knows his business," she said. "Rain was predicted for today."

Mickey is tied for third place with Patty Berg at two-over-par 72 in the Women's National Open golf championship. They trail Louise Suggs and Marlene Bauer Hage by a single stroke.

During pre-tourney warm-ups, Mickey expressed a wish for rain. "Anybody can push that ball around on a dry course," she said.

A wet course is more suitable for Mickey's long-ball hitting talents. Mickey got her wish yesterday—but it was an hour late. Rains came just as a field of 61 ended the first rounds. Wet fairways may change the outcome of the tourney.

Mickey said she felt good after the opening session. She fashioned her 72 with a 35 on the front nine and came home in 37, getting a double bogey on 16, which cost her the lead.

Salemites First Half Champions

United Press International

The Salem Senators sent Jack Lutz out Thursday night to wrap up the first-half Northwest league pennant and he did a swell gift-wrapping job.

Lutz pitched a two-hitter as Salem tripped Tri-City 1-0 to take the laurels for the first half of play.

The Senators got a run in the fourth on two singles and an outfield error and it was all Lutz needed. The victory was Salem's eighth in a row.
