

Auxiliary Names Medford Woman Head of District

Mrs. Grace E. Todd was welcomed as a new member.

Group Delegate To Give Report

Clyde Smith, official delegate to the 19th Pacific International Philatelic exhibition held in Portland June 12-14, will report on this event at the next meeting of the Southern Oregon Stamp club. It will be held in the Girls Community club, 229 North Bartlett street, Thursday, July 2, at 7:30 p.m.

Mr. Smith won a silver cup for his display of Oregon postal history material in this show.

Frank Applegate, the club's treasurer, was one of the judges, and Mrs. Russell Herbert, the club's president, went as an alternate delegate.

Everyone is cordially invited to attend this meeting. Refreshments will be served, and prizes will be given.

Oregon, one of the few states in which the auxiliaries are organized on a state-wide basis, is divided into four districts, aptly called Districts O, R, E and G. Each district elects its own director. As director of 36-E, Mrs. Dwyer will be responsible for coordinating the activities of 26 clubs located in seven counties of Oregon.

In addition to the many local civic and welfare projects supported by the auxiliaries, the Oregon Lions auxiliary is especially noted for its support of the Oregon State School for the Blind, and more specifically, an institute for parents of visually handicapped children. Each year the state auxiliary underwrites the cost of this institute, it said that it would be impossible to determine the value and benefits of this institute to the parents attending.

To honor Walter R. Dry, long-time superintendent of the school for the blind, the Oregon Lions auxiliary founded a Walter R. Dry professional development fund, a fund established to provide additional training benefits and grants to teachers of visually handicapped children.

Highlighting Friday's session at convention was a talk by Charles Woodcock, principal of the Oregon State School for the Blind, who only last year received a grant from the Walter R. Dry professional development fund to attend a workshop at Denver, Colo., on the orientation and mobility of the blind.

He told the 500 members of the auxiliary present that "it takes fully trained personnel to teach the blind to get around with independence and ease."

As director of 36-E, Mrs. Dwyer will visit the auxiliaries in her district sometime during the coming year and will work with them on an advisory capacity when requested.

Medford Class of 1929 Holds Recent Reunion

High school friendships were renewed the week end of June 20 when the 1929 graduating class of Medford High school held its first reunion. Many of those attending the reunion came from out of town and had not seen each other since graduation 30 years ago.

Gordon Warner, Medford, was general chairman for the event and had obtained addresses and word from all but 21 of the original 121 classmates and 40 faculty members.

Seventy-six attended the banquet held at the Rogue Valley Country club Saturday night. Forty were original class members and six were from the faculty. Approximately 30 people including some husbands and wives were from out of town, principally from Portland, San Francisco and Los Angeles.

Jack Walker, Medford, was master of ceremonies for the banquet. Using a roving microphone, each of the classmates was interviewed during the evening and told a little about themselves during the past thirty years, the number of children and grandchildren each had and where they were living. Some recalled humorous incidents from high school days.

Mr. Warner related information he had received from those unable to attend. Many had written letters to be read. That coming the longest distance was from Ben Harrell, now a brigadier general with the armed forces in Korea, and from Harry Gill in Alaska.

Humorous prizes were awarded to the person coming the longest distance, the baldest man, the fattest man, the person with the most children and grandchildren, the youngest child and the most honest woman "for admitting to the greyest hair."

Special awards were given to E. H. Hedrick, former school superintendent, for his devotion to the class, and to Leland Mentzer, manual training teacher for a perfect attendance at school for 39 years. Many of the faculty members are still teaching and have had children of 1929 class members in their rooms.

Three of the class officers attending including Cliff Garnett, now of San Francisco, Aubrey Sanders, and Jack Walker.

The year 1929 saw state championship football and basketball teams coached by P. G. "Prink" Carlison, now of Eugene, and many of the former stars either attended or sent letters.

Those present included Bill Morgan, Yakima; "Red" McDonald, Rogue River; Mr. Garnett, San Francisco; Bernard Hughes, Jim Mete and Mr. Walker, Medford. Callison was unable to attend because of business pressure. William Bowerman, a member of both the football and basketball teams, is now track coach at the University of Oregon and was unable to attend because of a track meet.

Impromptu entertainment was furnished at the banquet by Mrs. Norman Gail (Ellow Mae Wilson) who sang an original composition accompanied by Mrs. George Silliam (Verdean Harvey); Jack

Secretary Gives Talk for Zonta

Mrs. Helen Tweedy, executive secretary of the Jackson County Tuberculosis and Health association, one of the newer Zonta club members presented her classification talk at a meeting of the club Thursday noon at the Jackson hotel.

Mrs. Tweedy described the work of the association as the control and eventual eradication of tuberculosis and the promotion of general health. She is currently engaged in a water safety instructors course for advanced swimmers.

Other functions of the association are a case-finding through chest x-ray clinics, health education, and a study of family problems.

Miss Rosiland Randles, who was sponsored by Zonta to Girls State, reported on the week's activities at Salem. Miss Randles was elected mayor of "Comb City" in "Kookie county" and was also chosen as one of the state representatives.

She spoke of the thrill in taking part in actual government procedures and of meeting government dignitaries. She was impressed by the feeling of equality and brotherliness that prevailed at Girls State and hoped that the representatives from Medford could help instill these qualities in their school activities.

The July Zonta meeting will be a picnic held at Mrs. Violet Anders home, July 23.

Guests at the meeting were Mrs. Alma Eddington, Miss Jeanne Swayne, Miss Pamela White and Miss Randles.

Short-Cut
Detroit—(UPI)—Install a combination washer-dryer on the second floor of your home, rather than in the basement. With the laundry center close to bedrooms, where soiled linen originates, you'll cut needless stair-climbing.

Also, with a modern combination unit, you can do the laundry in small batches at convenient times and possibly by-pass the all-day washing chore, said Carl Sundberg, partner in a Detroit industrial design firm specializing in appliances.

New York—(UPI)—Americans take an estimated 500 million baths per week. In addition, they spray, smear and roll on more than \$90 million worth of deodorants during the course of a year.

Safety
New York—(UPI)—Hold the brandy container well away from your face when you light the liquid. And never use a tiny book match, or you may be burned when the flames leap up quickly. Use a long-handled spoon to spoon flaming liquid over food.
