

Pleasant Weather Seen for Week End

Washington - (UPI) - The Weather Bureau reported today that most of the nation will enjoy pleasant summer weather over the Fourth of July week end.

The Family Council

Editor's note: The Family Council consists of a judge, a psychiatrist, three clergymen, a newspaper editor, women's editor and two writers. Each article is a summary of an actual report. The Family Council does not give advice; it merely reports on problems that have been dealt with by responsible agencies and individuals.

Margaret S. - I have a right to pick my friends.

Patrick S. - She can't be trusted.

Margaret S. - I am 19 and my brother Pat is 21. We are the oldest of five children.

I admire and respect my brother a great deal because he has worked hard to keep us all going, but I do feel that he should remember that, after all, he is still only 21 and my brother - and not an ancient wise man.

What I'm getting at is this. My brother objects to a young man I've been going out with. I am not serious enough for marriage yet, but this thing seems to get more important to me as time goes on. This boy, Ralph, happens to be a friend of Pat's, but Pat says he's no good for me. If he thinks he can run my love life, I'm leaving home.

Patrick S. - One minute Margaret says she's not at all serious about Ralph and the next she talks of my interfering with her "love life." Well, which is it? It's just that I want to know.

I've known this Ralph for three years and I know a few things that in my mind make him the wrong kind of guy for my sister. Ralph is only 21, but I think he's been around a little too much. I don't like his attitude toward women. He may be all right in other ways. I like him as my friend

Construction Group Gets Late Hour Work Permit; Council Acts on Requests

A zone change, alley vacation, setback variance "package" for B and G properties on East Jackson st. was approved last night by the Medford city council.

Donald M. Drake Construction company's request for permission to carry out excavation work after hours until July 11 for Rogue Valley Manor atop Barneburg hill also was approved.

A vote on waiving the council rules to permit consideration of a proposed swimming pool fencing ordinance fell short of the necessary 3/4 majority, however.

The B and G properties package request was presented to the council by Phil Lowry, Medford attorney. The properties comprise a block of businesses on the north side of East Jackson between Hawthorne ave. and Genessee st.

The zoning request was for a change from single and two family residential to limited commercial. The businesses were non-conforming in a residential zone.

The council unanimously approved both this request and one for vacating an alley behind the properties on the north.

The setback variance was approved with the reservation that a four-foot setback still be required along the south property line on Jackson st. Councilman Donald Hansen, Ward II, voted against granting the variance. He stated that he saw no sufficient reason for it and that the variance would permit a limited commercial area to take on the appearance of a commercial area.

Also involved in the zone change was a waiver of the normal off-street parking facility requirements. Lowry stated that cars would be permitted to park on the adjacent Medford Shopping Center lot.

Drake's request was for permission to start work at 6 a.m. and continue until 11 p.m. The city ordinance prohibits work before 7 a.m. or after 6 p.m. unless council approval is secured.

John Jay Gomer, Barneburg hill resident, had twice complained to city police earlier in the week that the evening work was disturbing his sleep.

The swimming pool fencing ordinance proposal did not appear on the agenda, which made a waiver of the rules necessary for its consideration. A draft of the ordinance was presented to the council previously.

Councilman Al Bradford, Ward II, and Hansen voted against the waiver. Bradford explained he thought more time was needed before action on the matter. The council then approved Bradford's request that it appear on the July 16 agenda.

Assessments Approved The council approved assessments for the Mary st. water main project at the rate of \$2.19 per front foot of abutting property. Also approved was the application of Sydney M. and Bertheen J. Davis for a package store Class B license for Court St. Market, 940 North Central ave.

City Manager Robert A. Duff announced that a public utilities commission hearing on the proposed Melrose ave.-Barnett rd. grade extension grade crossing has been slated for Aug. 11.

Wisconsin Man President of Lions The election of Clarence L. Strum of Manawa, Wis., as president today climaxes the 42nd annual Lions International convention.

Strum, who succeeds Dudley L. Simms of Charleston, W. Va., will be named during the final meeting of the 600,000-member organization.

Also nominated without opposition were Finis E. Davis of Louisville, Ky., for the first vice presidency, and Per Stahl of Eskilstuna, Sweden, as second vice president.

The only contest for the third vice presidency, involves Curtis Lovell of Gardiner, Maine, and Roy Black of Nettleton, Miss.

Band Classes To Resume Monday Summer band classes of the Medford public schools will resume Monday for the last three weeks of the session which ends July 24. I. A. Mirick, director, has announced.

Concerts are planned for the last week in the old city park. College students and high school graduates will hold concert band rehearsal Tuesday, July 7 at 7 p.m. in the high school band room, Mirick said. Interested persons may call him at SPring 3-6178.

Louis Armstrong Back in New York

New York - (UPI) - Louis (Satchmo) Armstrong, who hopes to play his famous trumpet "another 20 years or so," plans to celebrate his 59th birthday Thursday by attending a July 4 jazz concert at Lewisohn Stadium.

Reporting "I have never felt better," old Satchmo arrived home aboard a Pan American Boeing 707 jetliner from Rome Thursday night. He told a crowd of 100 well-wishers at Idlewild International Airport he had recovered from a pneumonia attack and added "I know they wanted to get me up there to play first horn for Gabriel but I don't think I'll be up there for a long time yet."

Only a week ago, the famous trumpet player was pronounced in "grave" condition from pneumonia.

INDUSTRIALIST DIES London - (UPI) - Viscount Weir, noted Scottish industrialist, died at 82 Thursday at his home in Renfrewshire, Scotland. He served as secretary of state for air and president of the air council during World War I. Later he was an adviser to the British government on financial and industrial problems.

Lumber Market Continues Slow Portland - A continued slow market for green fir dimension, with a slight firming tendency, was reported today by Crow's Lumber Market News Service.

The coming of annual vacation shutdowns at a number of large mills has had a strengthening effect on the market, Crow's said, and the possibility of a labor strike at British Columbia mills has also been a factor. The I.W.A. in that area has set July 6 as a strike deadline, if its demands for a 20 per cent wage increase are not met.

Green fir dimension managed to hold its position this week, according to Crow's, although strictly random loadings were slow to move. Weakness was more pronounced in the lower grades, utility and economy. Dry dimension saw few changes, and cargo mills were also holding at previous price levels.

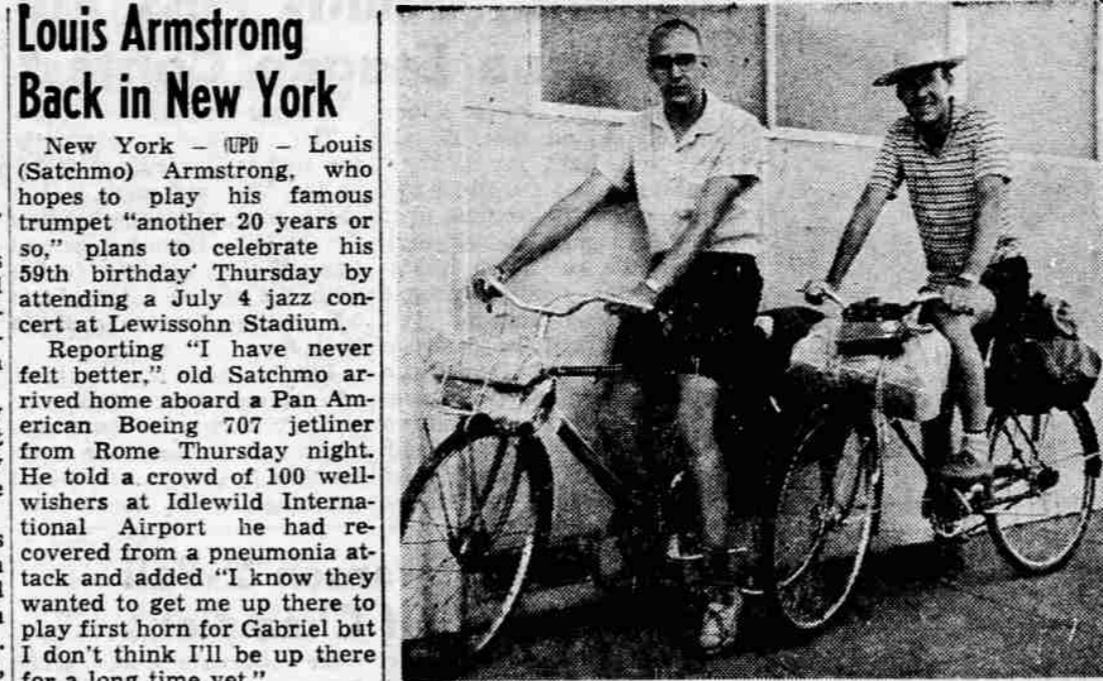

BURGLAR ROBS BANKER Bound Brook, N.J. - (UPI) - Police and the FBI today sought to solve what may be New Jersey's smallest bank robbery. Officers learned that someone had broken into the First National bank of Somerset county. The vault was untouched, but \$10 of a teller's personal money was missing from a drawer. A note left by the thief said, "Keep your money in the bank where it is safe."

MISS KATHY RODGERS OF BUTTE FALLS Miss Kathy Rodgers of Eugene is visiting at the homes of Mr. and Mrs. Bill Rodgers and Mr. and Mrs. Jesse Rodgers. The Bill Rodgers are her cousins and the Jesse Rodgers are an aunt and uncle. Kathy is a daughter of Mr. and Mrs. Kenneth Rodgers, former residents of Butte Falls, now running the airport limousine service at Eugene.

CYCLISTS IN VALLEY—Two Oregon men, Dale Thomas, Parkdale (right) and Ron Reeves, Warrenton, stopped in Medford this week en route to Mexico. The two men quit their jobs last month to start the trip which they expect will take at least a year. The men travel light, carrying only several changes of clothing, a supply of vitamins, and yards of canvas for hammocks. Thomas plans to obtain work in Mexico City while Reeves expects to travel on to Thailand where he will teach.

Two Cyclists En Route to Mexico Visit in Medford

Two Oregon young men who are traveling to Mexico on bicycles are in the Rogue valley this week. The cyclists are Dale Thomas, Parkdale, and Ron Reeves, Warrenton, who quit their jobs last month for the trip south.

Thomas was formerly employed as a personnel manager while Reeves was a reporter with the Oregon Statesman, Salem.

The two men, both graduates of Oregon State college, lived in Heckert Lodge while attending the college. It was there they first met and discovered a mutual interest in travel.

Destination of the two men is the Mayan ruins on the Yucatan peninsula. They are currently heading to New Orleans where they will go by boat to the peninsula.

From Medford they traveled to Ashland and Klamath Falls en route to Lake Tahoe where they hope to find temporary employment.

Both men have worked in resort areas. Thomas, following a year's study at the National University of Mexico in Mexico City, worked as a cook on a cannery tender at Alaska one summer. Reeves in addition to teaching journalism and English at Corvallis high school was a salmon slimer and tuna gutter at various times.

The men explained that smaller towns are more friendly than the larger ones.

Children Die as Fireworks Explode

Kalispell, Mont. - (UPI) - Two children were killed Thursday in the explosion of a fireworks stand they were tending.

The victims were Dickie Street, 13, and Linda Helseth, 10. The stand was in front of a service station owned by the boy's parents, Mr. and Mrs. Ted Durocher, at Evergreen just east of Kalispell.

Witnesses said a series of blasts destroyed the stand. The badly burned bodies of the children were found on the floor, near an unlocked wooden door.

Congressmen Head Home for Holidays

Washington - (UPI) - The halls of Congress were left to the tourists today.

The lawmakers, in recess until Monday, headed for the hustings to make their traditional July 4 speeches. No committee meetings were scheduled.

The Senate hoped to complete work on its foreign aid bill before the holiday week end. But it gave up Thursday night with a stack of amendments still pending.

Supporters of long-range aid abandoned their proposal to authorize the Treasury to borrow \$1 billion a year for five years for overseas development loans. No annual congressional appropriations would have been necessary.

FINISHES DUTY

Keith E. Paschke, who has been serving in the Air Wing Division of the U.S. Marine Corps since August 1955, has concluded his tour of duty and is now at home with his parents, Mr. and Mrs. E. G. Paschke, 744 Dakota st. He is employed with the California Oregon Power company.
