

### Sacred Heart Parish Plans Centennial Fiesta

A full program of entertainment is planned at the Centennial Fiesta scheduled for August 7, 8 and 9 in the Medford armory, according to George Holtzinger, general chairman for the coming event.

Open to the public and planned for all age groups, the Fiesta is a bazaar-type project of the organizations and members of Sacred Heart parish. This is the first time in more than 10 years that such a festival has been planned to take place off parish grounds, although several years ago such a bazaar was held annually in the old armory.

The Fiesta is registered as an official Oregon State Centennial function and the Centennial theme will be followed throughout in decoration, dress and entertainment.

**Booths Planned:** More than 20 booths, featuring antiques, hand-made Christmas gifts, baked foods, Centennial and Rogue Valley souvenirs, children's items, candies and other goodies, are already signed up by the planning committee.

There will be a Table Rock "Saloon," serving root beer with entertainment by player piano, quartet and "cannon girls". There will also be a country store, a picture-taking booth, games for young and old, mechanical elephant and horse rides for the children, and refreshments.

One of the featured attractions will be a display of cars by the Old Timers' club, in contrast with the new 4-door sedan which will be given away the final evening of the fiesta. Several other valuable items will be given away at the same time, among them a bicycle and a floor-waxer.

The two and a half day event will also include a show of local talent, an afternoon of fun for the children, a free dance, an authentic old-fashioned dress contest for women and men and an old-time fiddlers' contest.

Assisting Holtzinger as co-chairmen for the Fiesta are Ernest Flakus and T. W. Dugan. Representatives of all parish organizations are on the planning committee. Richard Randolph is financial chairman and Don Sweeney is in charge of publicity.

### Talent Contest for Annual Kiwanis Fair

This year's Kiwanis Centennial fair, Aug. 20 through 23 will feature a Talent contest for amateurs of the Rogue River Valley.

Dick Lamont, entertainment committee chairman, announced that Talent contest winners will be sent to the Oregon state fair for competition in the State Talent contest.

The Talent contest will be open to anyone of amateur standing. The local winner will be sent to Salem with expenses paid by the Medford Kiwanis club.

The Shadow's a local singing group, won last year's Kiwanis Fair contest and went on to win the State contest.

In addition to the Talent contest there will be featured entertainment each night of the fair.

Applications and information on the contest may be obtained by contacting Dick Lamont, 2334 Roberts rd., SPring 3-1037.

### Personnel Complete Training Program

The annual training program for new and returning seasonal personnel at Crater Lake National park has been completed and all have reported to their summer duty stations, according to Superintendent Tom Williams.

The training is scheduled at the start of each summer season to acquaint new employees with the national park service standards of service to the public.

Included among the subjects covered during the session were interpretation, national park service history and policies, law enforcement, accident investigation and forest fire training.

The federal bureau of investigation and U.S. Commissioner Frank J. Van Dyke assisted in the law enforcement phase of training, Williams said.

Included in the training were seven fire control aides, seven ranger-naturalists and 12 park rangers.

About 700,000 Americans are now under treatment for cancer, according to current medical surveys.
