ONLY S.O.S HAS THIS EXTRA SCOUR POWER

3 REASONS WHY

Interwoven fibers for extra scour power

Only S.O.S is interwoven to prevent pulling apart. To hold its shape and soap. To clean, scour and shine faster than anything else!

More soap for extra scour power

S.O.S is pressure-filled with more soap than any other pad—instant-sudsing soap that cuts grease, leaves utensils gleaming like new!

Handy oval shape for extra scour power

The easy-to-grip oval shape is exclusive with S.O.S—ideal for stubborn corners of skillets and oven parts that other pads miss.
