Griffith Hermit Sent To Hospital

Los Angeles – (UPI) – Dennis Farrel, Hermit of Griffith Park, was committed to Sepulveda Veterans administration hospital Tuesday after he was found mentally ill at a sanity hearing.

Farrell, 33, had lived in the 4,200-acre city-owned park for six years before voluntarily leaving it last week.

Psychiatrists testified at the hearing that he was "dangerous to himself and others" and suffered from schizophrenia. Doctors said they were hopeful that Farrell, of North Platte, Neb., could be cured in about six months.

The power of a radio station is measured largely in watts or kilowatts as they are delivered to the antenna from the transmitting tubes to the transmitter unit itself.

The Medical Roundup

by Walter Alvarez

Emeritus Consultant in Medicine, Mayo Clinic
Emeritus Professor of Medicine, Mayo Clinic

DIZZINESS IN ELDERLY PEOPLE

I suppose every day two or three letters come in from old people who want to know why they are "dizzy." Many of them are not so much dizzy as that they have lost that comfortable sense of balance which a normal person has. Maybe they stagger a little as they walk, or they fear they are going to. Many fear they are going to fall down, but they don't These old people very seldom have the so-called dizziness of of Meniere's disease. In that disease, the person will feel as if he were whirling about, or the room may seem to be whirling about him. Sometimes, with the dizziness of older people, there will be a little nausea, or some ear noises. The thing to do is to go to an ear man – one who is honest and won't make work. Usually he will say, after an examination, "Your ears are perfectly normal, and hence you haven't Meniere's disease.

Dr. Alvarez

Often, when I can talk to the elderly person who has lost his good sense of balance all I have to ask is, "Did this thing come suddenly?" and he may say, "Yes; I was crossing the street," or "I was sitting, reading the newspaper," or "I was on a bus, and suddenly it came." Some say they were left feeling so woozy and queer that they were frightened, and thought they were having a stroke or were going to die. These people, I feel sure, are generally right in their diagnosis. They had what I call a "little stroke," such as doesn't interfere with speech, or leave any paralyzed muscles. The sad thing is that sometimes the lack of balance remains for months or even years. I am sorry that I don't know of any medicine that will quickly drive the trouble away. If I had it, I doubt if I'd take any medicine or even go see a doctor. I would simply grin and bear it; and I know that, often, it is pretty hard to bear.

Pemphigus

What is pemphigus? It is a disease of the skin in which there appear large blisters. It may be acute, or it may last a long time and be accompanied by generally poor health with loss of weight, poor appetite and anemia. It can be a serious disease. The lesions tend to come in the armpits, the groins, around the navel, and perhaps in the scalp.

They may give off an offensive odor. The big blisters may rupture to leave a raw surface, which later becomes crusted. There are several types of the disease. Naturally, the patient should quickly come under the care of a good skin specialist.

Dr. Alvarez' booklet on arthritis may be obtained by sending 25 cents and a large, stamped, self-addressed envelope with your request to Dr. Walter C. Alvarez, Dept. MMT, The Register and Tribune Syndicate, Box 957, Des Moines 4, Iowa.

New Show Opens At Exposition

Portland—(UPI)—The "New Techologies and Business Opportunities" show opened Tuesday at the Oregon Centennial Exposition grounds here.

The Roy Rogers show, with Dale Evans, comic Pat Brady and Rogers' horses, Trigger and Trigger Jr. opens in the area Friday and indications were it would again draw heavy crowds to the Exposition.

SAC Crew Scores 'Shack' on Store

Butte, Mont.–(UPI)–When a Strategic Air Command crew scores a direct hit on a target during a practice mission, using a radar impulse to simulate the bomb the accomplishment is described as a "shack."

During a recent SAC bombing and navigation competition, a B-47 crew from the 2nd Bomb Wing at Hunter Air Force Base, Ga., got a "shack" on a target in Butte. The target was a shingle-sized card on the northwest corner of Hennessy's Department store.
