New York — (UPI) — The market's recent action indicates an extension of the upward movement, says analyst Martin Gilbert of Van Alstyne, Noel & Co.

He adds that the upswing in rail prices is an excellent sign.

R. D. Bauchsbaum, analyst for W. E. Hutton & Co., says the ability of the railroad average to penetrate the previous high, set in May, is probably the most significant development this week, from a technical standpoint, in sustaining the summer rally.

Hayden, Stone & Co. names 13 stocks which it believes now are in a position to move

higher. They are: Anacodan, Vanadium, Joy Manufacturing, Olin Mathieson, New York Air Brake, Monsanto, General Dynamics, Link Belt, Owens Illinois, Yale & Towne, Rayonier, Baltimore (UPI) Ohio, and United Airlines.

U.S. Rubber appears attractively priced at current levels, says Reynolds & Co. It says Ranco seems attractive for longer range capital gain while Brown Co. earnings this year should be substantially ahead of the 50 cents a share cleared in 1958.

Member firms of the New York Stock Exchange maintain 87 offices in 17 countries.

Try and Stop Me

By BENNETT CERF

"I KNOW ONE WAY to get a raise out of that stingy boss of yours," insisted a nagging wife to her spouse. "Play on mother your have to sit up with two nights a week, and how you have to wash all the dishes because we can't afford a maid."

The husband promised to try. That night the wife demanded, "Did you get that raise?"

"On the contrary," sighed the husband. "The boss fired me. He said I had too many outside activities."

A patient was told by his doctor that an intricate and costly operation was mandatory. "You needn't worry about the cost," said the doctor. "Just pay me two hundred dollars down and fifty a month for the next three years."

"Sounds like buying a car," commented the patient.

"You're right," the doctor assured him. "I am."

Los Angeles Swelters in 95 Degree Heat

Los Angeles — (UPI) — A heat wave accompanied by tear-causing smog and a rash of brush fires lingered over most of Southern California today, threatening to push the thermometer up to a sweltering 95 degrees.

The city's hottest day of the year occurred Thursday when the mercury rose to 95 degrees, only one degree lower than the all-time high for that date set in 1886.

At least four separate brush fires broke out in Southern California Thursday as the blazing heat scorched the already drought-stricken area.

Nearly 2,000 acres were burned over in the exclusive Linda Vista area of Pasadena, forcing about 10 families to flee their homes temporarily. About 50 acres were blackened in the Lake Hughes area north of Newhall, 300 acres near Ojai and about 2 acres in West Hollywood. All the fires were controlled.

Heavy smog crowded into the Los Angeles Basin area at the height of the hot spell and narrowly missed causing a first stage smog alert.

Other high temperatures in the area included 110 at Fontana, 108 at Reseda, 106 at Ontario, 105 at Canoga Park, 102 at Arcadia, and 101 in both Pasadena and San Gabriel.

'DEAD' CLIENT FREED

Chesterfield, England — (UPI) — Joseph Hollis, 42, was acquitted of drunk driving charges after a doctor testified that a blood test showed he had drunk twice the amount needed to kill him.

"According to this, my client is dead," Hollis' lawyer objected.

The court refused to admit the testimony and found Hollis innocent.

Portlander Charged With Embezzlement

Portland — (UPI) — A Portland man, Harold O. Leloff, 59, has been charged with embezzlement of \$25,000 in connection with advertised funds received for an unpublished Centennial souvenir program.

Presiding District Judge Ray E. Shoemaker Thursday issued a warrant for Leloff. The information charged Leloff with embezzling funds from the Western Alcan and Surveys, Inc., a Portland firm, through which solicitations for the unofficial publication were allegedly made.

The Multnomah county grand jury which has called a large number of witnesses, received the case from the federal postal authorities.

Movie Money Taken From Medford Youth

James Wesley Hamilton, 11, of 870 Ellen ave., was last in line outside the box office at the Craterian theatre Wednesday night, Medford police reported.

Young Hamilton was flipping a 50-cent piece into the air, waiting to buy his ticket with it.

Suddenly, according to the report, two older youths walked up to him. "Give me that money kid," one reportedly said, "or I'll beat you up."

Hamilton gave them the money, he told police, and the pair ran up the alley toward Bartlett st.

The movie was "Hercules." Hamilton never did get to see it Wednesday night.

Nevada Man Faces Charge of Murder

Las Vegas, Nev. — (UPI) — The district attorney's office said it probably will file today a first degree murder charge against Robert K. Ervin, 21, confessed slayer of a 5-year-old neighbor girl.

District Attorney George Folley said a psychiatric examination of Ervin showed he was "able to tell the difference between right and wrong and therefore is legally sane."

Ervin was arrested Wednesday for the slaying of Dolores Stafford, daughter of Las Vegas Review Journal state circulation manager St. Elmo Stafford. Her beaten and stabbed body was found in the attic of Ervin's home Tuesday after an all-night search.

Municipal Judge Named at Portland

Portland — (UPI) — Joseph J. Labadie will take over as Portland's new municipal judge Aug. 5.

He was working as deputy district attorney assigned to the Municipal Court.

Labadie will succeed Judge John Murchison who was recently appointed by Gov. Mark Hatfield to the Circuit Court bench.

Labadie was one of five lawyers recommended by the Multnomah Bar Association Judicial Elections Committee for the post.

He was appointed Thursday by a unanimous vote of the city council.
