The past three summers he has been taking courses at Oregon State. The Eagle Point post will be his first teaching job.

### Stu Backs Up His Talk

By MILTON RICHMAN United Press International They told talkative Dick Stuart to put his muscles where his mouth was - and by George he ain't - to the great delight of Pittsburgh's suddenly-awakened Pirates.

Stuart talked a blue streak when he first came up with the Pirates two years ago. He talked about the 66 homers he hit at Lincoln, Neb., about how maybe Babe Ruth's record was in jeopardy and about the possibility of his earning more than \$100,000 in a single season.

Starting To Show He talked so much, in fact, that some claimed he had been vaccinated with a phonograph needle. Anyway, everyone said let's see him do it up here.

And now Big Stu is starting to show 'em. He smacked his 17th homer with two on in the 11th inning Friday night to climax a four-run rally that gave the Pirates a 7-6 triumph over the Cubs and their fifth straight victory.

Stuart collected three of Pittsburgh's 10 hits and 25,360 fans at Forbes Field paid him a tremendous ovation as he circled the bases in the bottom of the 11th to wipe out a three-run rally in the top of the frame by the Cubs. He hit his homer off loser Don Elston and the blow gave Bennie Daniels his fifth victory of the season.

PRIZE TROUT CATCH-Mrs. Ruth Morris, Ashland, accomplished an angling feat Thursday evening when she caught a rainbow trout reported to be the largest taken from Lake of the Woods since the lake was rehabilitated in 1955. She brought in the six-pound, 23-inch fish on a No. 14 hook and 1 3/4-pound test leader. Mrs. Morris was still fishing with a single egg in deep water on the west side of the lake. It took about 25 minutes to bring the fish into the boat. Fishing was reported spotty Thursday and Mrs. Morris was the only lucky angler in her boat. She was fishing with her husband, H. R. Morris, Lee Hobbs, Medford and Tom Neeley, one of the resort owners at the lake.

First half of play in the loop concludes this afternoon with three games, Camp White at Ashland, Medford at Riddle and Grants Pass at Butte Falls. Games are at 1:30 p.m. Ashland can still tie Riddle for the midway crown if the Greyhounds tappers lick Camp White and Medford tops Riddle.

### Free Passes Help

Medford outhit the Whitters 11 to nine on Friday by the Veterans Administration domiciliary-backed club had a nine to one edge in free passes to the bases.

Jack Turk headed the Whitter batting parade. He had three hits in five times up and tripled home three runners. Bill Weddle had two hits including a double and Wayne Allen tripled also for the home nine. Gordon Owsley, Bob Serak, Ed Rankin and Ron Peery each had two hits for Medford. Ray Anderson drove in two runs with a three-bagger. Kaye Vaughn also had a three-base blast for the Bowlers.

Don Sanford was the winning pitcher but had help after giving up three straight hits and a run in the ninth inning. Jack Brown came to the hill and the side retired on two strikeouts and a force out. Sanford fanned four in his 11th hit. His only free pass came when he hit a batter on a fourth-ball pitch.

Reinking started on the bill for Medford and was charged with five of the Camp White runs and the loss. He yielded three hits, struck out three and walked five. First reliever Dennis Barr was responsible for the other five tallies, giving up six hits, walking four and whiffing the same number. Vaughn took over for Barr in the seventh inning, fanning three and yielding on base on balls.

### Allen Swipes Home

Camp White put over two runs in the first canto on two errors, a sacrifice flyout by Don Wendt, a groundout and two stolen bases. Allen swiped home. Four runs in the fourth panel were on singles by Turk, Wendt and Weddle, a triple by Allen, a base on error. Four others were in the seventh on the double by Weddle, three-baser by Turk and singles by George Ice and Sanford along with three walks.

The new national record better the previous one by one-tenth of a second.

## Hillsdale Captures Gold Cup

Inglewood, Calif. (UP)-Hillsdale, shuffled back to fourth place going into the stretch, closed with an amazing burst of speed Saturday to capture the \$162,100 Hollywood gold cup by about a length.

The game Indiana-bred colt's display of determination and doggedness in the stretch drew prolonged applause from the crowd of more than 43,000 fans after Hillsdale again defeated Find and Terrang despite his bad racing luck.

There were few in the big crowd that would have given a nickle for Hillsdale's chances as the field of eight came off the final turn and into the stretch in the final furlong of the mile and a quarter race.

But Jockey Tommy Barrow and Hillsdale refused to be beaten as they came from between horses, had to weave their way forward and still ran down the leader inside the final sixteenth to win.

The finish was reminiscent of last Saturday's \$50,000 American handicap when Hillsdale beat Find in the stretch. But this time it was a tougher job and the colt still got it done.

As the 2-5 favorite of the big crowd, Hillsdale returned \$2.80, \$2.20 and \$2.20 across the board. Find returned \$2.80 and \$2.20 to place and show and Terrang paid \$2.60 for show.

### Turns in Good Race

Hillsdale was timed in 1:59 1/5 for the mile and a quarter and the way he won as well as the time ended any question about the colt's ability to go a route. For that was the only doubt in the minds of turf experts as they appraised his performance.

There had never been any question of his courage or his ability to handle weight or come from behind. But he was beaten by Terrang in the Santa Anita handicap at the mile and a quarter distance and when he won the Santa Anita maturity over the same route he was staggering at the finish.

As owner C. W. Smith led his blocky colt into the winner's circle to receive the gold cup trophy the crowd renewed its applause and cheers. For racing fans rarely see a horse get into trouble such as Hillsdale encountered and then overcome it to win going away.

Veteran jockey Johnny Longden took over the mount on Terrang and he sent that six-year-old in an effort to steal the race. Terrang held the lead all the way from the first few yards to the stretch under Longden's expert front-running tactics.

In the early stages of the race Day Court and Find joined with Hillsdale in jockeying for position behind Terrang. But down the backstretch and nearing the final turn Hillsdale had his head in second position.

Going around the turn, however, first Find and then Day Court came around Hillsdale and it appeared that the western handicap champion would suffer his first defeat in five starts at the meeting.

That was until Hillsdale's rider went to work driving out of the blockade and at the lead.

And the way Hillsdale responded drew gasps of amazement from the throng. First he had to get out of the blind switch at the eighth pole and then he had to run down Find and Terrang which were under the whip trying to fight it out for first money. But Hillsdale kept gaining as Barrow lashed with his whip and drove on relentlessly. He caught Find about 20 or 30 yards from the wire.

Portland - Feminine fans of the Portland Beavers will be given a real break on Monday night, July 13, when the Beavers return to play the Seattle Rainiers at Multnomah Stadium. On this night ladies may have any seat in the grandstands, except box seats, for 50c.

## Dodgers In Pennant Drive Yet

Milwaukee (UP) - The Los Angeles Dodgers, helped by home runs from Don Demeter and Charles Neal, kept their big pennant drive for the season hot Saturday by beating the Milwaukee Braves, 7-5.

A five-run fourth inning, in which Neal led off with a homer and Demeter later homered with Gil Hodges on base, was the leading blow in the Dodger win, their fifth straight and 16th in the last 25 games.

The win, credited to relief pitcher Don Drysdale, enabled the Dodgers to keep pace with league-leading San Francisco, which also won. It was also the second straight win over the Braves, whom the Dodgers knocked out of first place and into third.

Drysdale, coming back after starting Friday night in a game washed out after two innings, relieved Dodgers' starter Sandy Koufax to start the Milwaukee fourth. He received victory No. 10 against six losses.

While touched for Henry Aaron's solo homer - his 23rd - in the seventh and another Milwaukee run in the fourth, Drysdale stayed in front of a 12-hit attack by his teammates. Besides his homer, Neal had a double and two singles and Duke Snider and Maury Wills also had doubles for the Dodgers.

Carl Willey started for the Braves and was the victim of the five-run fourth inning. After Neal led off with his 11th homer in the fourth, Snider doubled with one man out and Hodges singled him out and Hodges singled him across. Then Demeter connected for his 17th home run to score the third and fourth runs in the inning. Wills' double followed, and the Dodger shortstop crossed the plate when Milwaukee left-fielder Mel Roach misjudged pinch-hitter Drysdale's fly ball for an error.

## Yachts Fight Spar to Spar

Honolulu (UP) - Arnold Haskell's Chubasco and the schooner Costellation were fighting a spar-to-spar duel Saturday for the lead in the 21st biennial Transpacific Yacht race from San Pedro, Calif., to Honolulu.

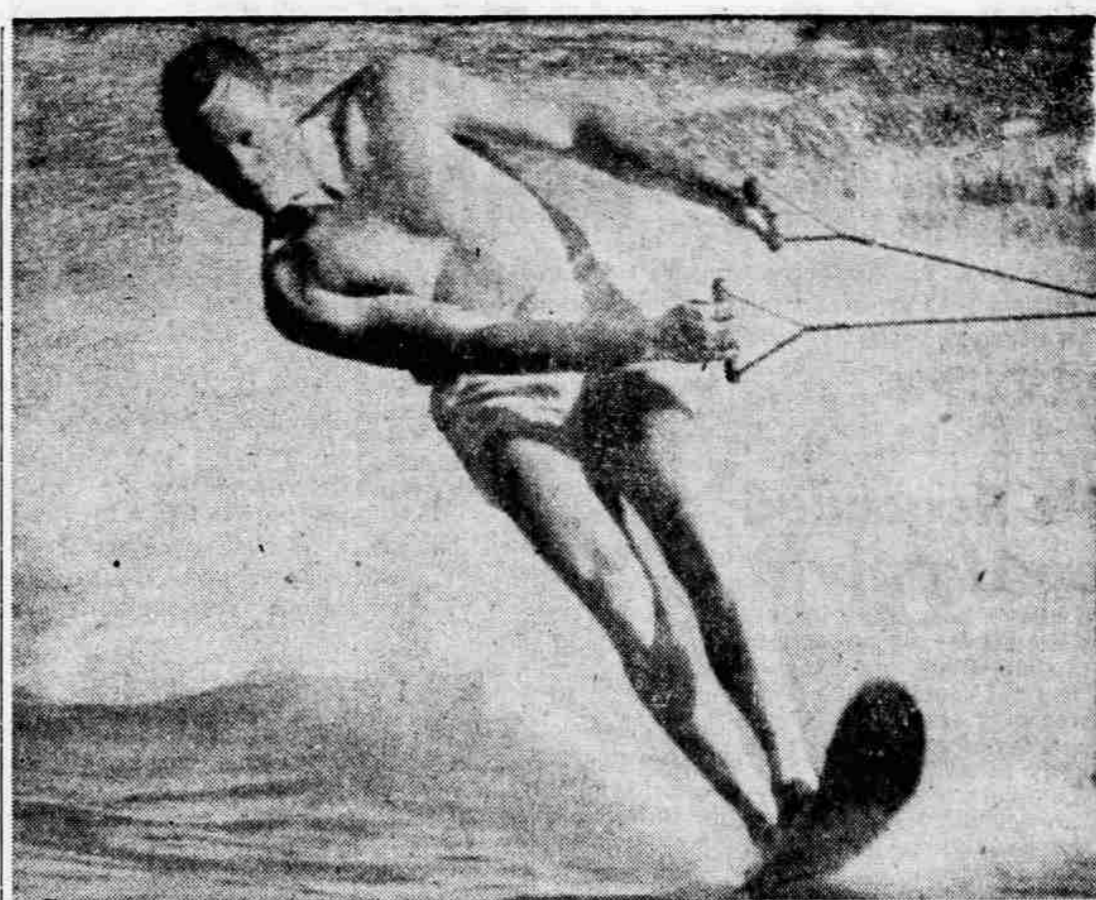

The 75-foot Constellation was only 856 miles from Honolulu at dawn after making a sensational day's run of 289 miles.

Right behind her in actual miles and leading on handicap figures was Haskell's 66-foot yawl, which reported to the Coast Guard that she was 868 miles from Diamond Head after a 209 mile run Friday.

The time allowance of the Cubasco gives her a big edge in the race and a spokesman said that with luck she could make Diamond Head Monday night.

## RVL Hitting Lead Kept By Hanson

John Hanson, Medford Bowling lanes, without lifting his bludgeon last week end, retained his batting leadership in the Rogue Valley league in games played through July 5.

He has a .563 swatting average. Statistics based on a minimum of 10 times at bat show Ray Munyon, Glendale, and Ron Peery, Medford, sharing second place in the hitting race with even 500 marks.

Phil Sword, Ashland, second after June 28 games, is now fourth with 467. Bob Serak, Medford, is in fifth position with 462.

Munyon, McAbee tied in total hits with 10 each while Ken Ayers, Riddle, and Ron Maurer, Ashland, lead in runs with nine each. Sword kept his position as runs batted in leadership with nine.

Mickey Coen, Riddle, is still far ahead in the pitching race with five victories and no losses.

Medford's team batting average lead stood up although it was idle last Sunday. The Bowling lanes has hit .338 as a high in the league. Other marks are Glendale .278, Ashland .275, Camp White .250, Riddle .237, Grants Pass .206, Butte Falls, .161.

## Jorgenson Sets Pace In Softball

Portland - Alice Jorgenson, manager of the Seattle Ramblers, took over the batting lead in the Northwest Women's Major Softball league this week. She replaces another manager, Shirley Topley of Vancouver, B.C., who dropped to second.

Jorgenson upped her average to .385 on 15 hits in 39 times at bat. Topley toppled into a three way tie for second place with Betty Mantyla of Salem and Nina Edwards of Eugene, all with a .333 percentage.

Only two league series were on tap this weekend. Erv Lind Florists, undefeated in league play this summer, are at Seattle meeting the Ramblers, while Eugene's McCulloch Chain Saw is having a two game series at Vancouver, B.C.

Next week end's tournament will be the third in as many summers at Gardener lake under sanction of the American Water Ski association. The lake is a reservoir privately owned by the Arthur Gardener family and is about one-half miles in diameter. It is naturally sheltered by hills and considered ideal for competition. Almost any spot around the lake provides a good view point. The lake is in the Yankee creek district about 16 miles by road from Medford.

In the slalom a skier enters a starting gate, rounds six buoys and leaves the course through another gate. If the run is successful, a return trip is made and the round trip has a possible of 16 points. For each trip through the course two boat speed is boosted two miles per hour.

Jumps are made over a board 12 feet wide and 24 feet long with about 20 feet protruding from one water.

Trick riders are judged on skill and number trick during a pass through a course and tricks have different values, according to their difficulty.

Cliff McGinty, ski club secretary, said that early file of entries would be appreciated in order to give the club an idea of the number of participants. He said that the entry fee does not include the price of the Saturday banquet. An earlier report that it did was incorrect, he pointed out.

## Legion Ball Ruckus at Camp White

Medford American Legion junior baseball nine, idle since July 1, resumes its quest for Area 4 southern division laurels today.

The Post 15 club, which has been tied for the loop lead, meets cellarite Lakeview. A double bill is tentatively set with the first game at 1:30 p.m. to count in the standings. Today's action will be the first this season between the two clubs.

Medford coach John Kovens said he will likely call on Herb Wheeler to pitch the first game. If the second mix is played, depending on the length of the counting game, Kovens may use several chuckers to give them experience.

CP, Medford Shared The Medford club, going into week end play, has shared the loop lead with Central Point, each with 4-1 records. Central Point met Lakeview last night, at least temporarily erasing the tie.

A game between CP's Cheney Stubs and Post 15 next Wednesday night could just about settle the title issue. However, Medford has a game billed with Lakeview on Saturday night, July 18, while Central Point is billed at Klamath Falls the following day. Grants Pass and Klamath Falls play today in other circuit contention. GP is out of the race but Klamath is just a half-game behind the leaders.

Kovens has received information that a play-off among divisions in the area are to start next week end with the north champ to meet the south winner on the south field. However, the south's remaining league games and the possibility of a tie, complicate the picture.
