

Hood, Swanson, Ryerson Pace Track Tiff Classes

Mike Hood, Vern Swanson and Dennis Ryerson were four-event winners Saturday morning in junior activities of the all-comers track meet at Medford High school stadium and Hood tied for first in another event.

Both hurdles events in the 15-16 years of age division were taken by Hood, Medford. He also was first in the broad and high jumps and tied with Wayne Cowan, Medford, in the shot put.

Cowan gained blue ribbons in the javelin and discus and Dan Lumley, Phoenix, was victor in both 15-16 age dashes.

Swanson, Central Point, won in the 13-14 division in the 220 and 440-yard races and both hurdle events. Pat Pepper, Central Point, was a triple winner in the class, taking the discus, javelin and shot. Double wins were chalked up by Frank Van Pelt, Medford, in the 75 and javelin and Scott Eaton, Howard, in the high and broad jumps. Girls Unopposed

Ryerson claimed the 11-12 age blue strips in the 75, 220 and 440 runs and the shot put.

Three Howard girls Karen Schroeder, 13-14 class, Sally Eaton, 11-12, and Susan Tungate, 9-10, had no opposition in their respective divisions and got all the ribbons, Misses Eaton and Schroeder in five events each and Miss Tungate in four.

About 40 were entered in the junior events. The meet was sponsored by the Oregon AAU Olympic Development program and the city of Medford. Meets are also set for July 18 and 25.

Giants Keep League Lead Win 5-3

Cincinnati-Eddie Bressoud, hitting at a .500 clip since taking over the shortstop job, clouted a pair of doubles and a homer and Johnny Antonelli notched his 13th victory Saturday to help the San Francisco Giants maintain the National league lead with a 5-3 victory over the Cincinnati Reds.

The second of Bressoud's two doubles came during a two-run Giant fourth inning which started the Reds, still winless under new Manager Freddie Hutchinson, on the road to their sixth straight defeat.

The Giants added two more runs off starter Jim Brosnan in the seventh when they bunched three hits, one of them Bressoud's second homer of the year.

Antonelli, a shutout winner in his last two outings, blanked the Reds until the bottom of the seventh when they bunched three of their nine hits for one run. Two more Red runs, one unearned, crossed the plate in the eighth.

Tom Acker, Brosnan's successor, yielded the Giants' final run in the ninth.

The Giant victory ran their current streak to four straight, their longest this season. The victory put them two and a half games ahead of the Milwaukee Braves and a game in front of the Los Angeles Dodgers.

The Giants tangled with the Braves this afternoon. The defending champs just dropped two straight to the Dodgers. Jack Sanford, 7-7, is scheduled to pitch for the Giants while Warren Spahn, 10-9, will probably get the call from Milwaukee Manager Fred Haney.

Bill Rigney's crew will move to Philadelphia after their two game set with the Braves and then will go to Pittsburgh before returning home to tackle the red-hot Dodgers.

Records Set In Swim, Dive Meet

Los Altos, Calif. (UPI) — The American record in the 200 meter breast stroke was scuttled twice Saturday and another record was sunk in the 100 meter back stroke during today's tri-annual trials at the National AAU men's outdoor swimming and diving championships.

Ron Clark of the Detroit AC, who never had competed in the outdoor 200-meter breast stroke before on a national scale, qualified with a time of 2:44.7. This shaved 3.1 seconds off the American standard held by defending champion Norbert Rumpel of the New York AC.

Rumpel, a native of Germany, had bettered his own mark a few minutes earlier when he qualified in 2:45.8.

Frank McKinney, of the Indianapolis AC, defended his championship in the 100 and 200-meter back strokes, cracked the American record for the century when he paddled home in 1:03.8. His time broke the American mark of 1:04.3 made by Hawaii's Yoshi Oyakawa two years ago.

The American record for the 200-meter individual medley relay, an event instituted last year, was broken four times during the qualifying trials.

Lance Larson of the Los Angeles AC did the fastest job with a time of 2:25.4. Frank Brunell of the Indianapolis AC, who set the standard of 2:29.1 last year, also shattered it Saturday with a trial run of 2:27.8.

The Detroit AC led the qualifiers for the 800-meter free style relay with a time of 8:50.7.

Upsets Scored In Net Tourney

Baastad, Sweden — (UPI) — Ramanathan Krishnan of India upset Alex Olmedo, United States Davis Cup star and newly-crowned Wimbledon champion, Saturday for the second time in three meetings during the past 23 days.

Krishna regained the men's singles final at Baastad's International Tennis Tournament by whipping Olmedo, 6-3, 3-6, 6-3, 6-1.

Krishnan, 22, a sturdily-built lad from Madras, will meet Luis Ayala of Chile in Sunday's final. Ayala led Jan Erik Lundquist in the other semi-final, 6-1, 4-1, when the young Swede was forced to quit because of illness.

Jean Johnson of Wyandotte, Mich., qualified to meet Beverly Baker Fletz of Long Beach, Calif., in Sunday's women's final by defeating Ulla Hultkrantz of Sweden in 45 minutes, 7-5, 6-4. Mrs. Fletz reached the final Friday.

Miss Johnson and Jeri Shepard of Los Angeles won the women's doubles title by defeating Sweden's Solveig Gustavsson and Gudrun Rosing in 70 minutes, 6-2, 3-6, 6-2.

Krishnan and Olmedo, a 23-year-old Peruvian who attends the University of Southern California, played each other for the first time June 19 in the semi-finals of the London Grass Court tournament. Krishnan won, 8-6, 6-1, and upset Astralia's top-ranked player, Neale Fraser, in straight sets the following day to win the title.

SPORTS

Drag Race Timing Starts at 10 a. m.

Drag racing action begins this morning at 10 a. m. on the Camp White drag strip operated by Southern Oregon Timing association.

Many contenders are expected to be timing in their vehicles early to avoid the expected hot temperatures of the mid-day.

A new class has been added to the competition this week. Superstock cars with automatic transmissions will have a class all their own and will not have to compete with cars sporting manual-shift transmissions. These superstockers, representing the fastest production vehicles coming out of Detroit, will be subject to the same rigid safety inspection performed on all vehicles entered in competition at the races.

All drivers are again reminded of the safety rule stating that all entries except stock cars and small sport cars (under 2700 cubic centimeters displacement) will be required to have a 360 degree safety shield completely surrounding their bell housings. This shield must be constructed of steel at least one-fourth inch thick and anchored to the frame of the car. Any contestant not passing this test will not be allowed to compete on the strip, association officials stated.

Trophies to Winners

Trophies will be presented to all class winners, for top time of the day, and for the little and top eliminator awards.

A \$100 bond rests on the strip record of 144.46 miles per hour. Should this mark not fall today the amount will be increased to \$125 for the July 26 meet. Interest among local dragster drivers indicates they will be all out to better the mark set by Jay Cheatham (deceased) at last falls Northwest Gas Championships.

Medford cycle driver Jack White still has a \$25 bond posted on his "B" cycle class record of 100.55 miles per hour. Each meet the cycle drivers in this class keep gunning their bikes toward this mark but as yet none have been successful.

Contestants are expected from many points of Oregon and California with a strong group of challengers arriving from the Crescent City-Aroca region of coastal California. Each meet this group from the redwood region goes home with several of the trophies.

Spectators are welcome at the local strip and there is bleacher seating available and the concessions will be operated by the Medford Lions club.

The SOTA drag strip is located seven miles north of Medford in West Camp White off the Crater Lake highway. Signs will be posted from the "Y" in north Medford.

Jones Rescues SF in Relief

Cincinnati — (UPI) — Manager Bill Rigney may have solved the one big problem that has made many experts count the San Francisco Giants out as the National league flag choice.

The experts say they have to have top flight relief pitching, which they claim the first place Giants don't have.

But Sad Sam Jones, who has been super since that much publicized one hitter in Los Angeles, may be just what the sages say is essential.

He came on in relief Friday night in the eighth inning and chucked three scoreless frames while getting credit for San Francisco's 8-6 win over Cincinnati in 11 innings.

It was the second night in a row Jones has come in to grab the win, nudging his season record to 12-8.

Killebrew Hits 30th Homer Leads Senators to Victory

By United Press International

Red-hot Harmon Killebrew, biggest thing to hit Washington since Coxe's army, smashed his 30th home run and moved one game ahead of Babe Ruth's record time-lag Saturday in leading the Washington Senators to a 9-3 victory over the Baltimore Orioles.

Killebrew drove in four runs while helping Bill Fischer record his seventh victory of the year.

When Ruth hit his record 60 homers in 1927, he didn't connect for his 30th homer until the Yankees' 83rd game. This was Killebrew's 82nd game and the slugging Senator third baseman has a chance to increase his margin next week inasmuch as the Babe did not hit his 31st homer until his 94th game.

Also Hits Homer

Jim Lemon of the Senators also hit a home run, his 31st, and teammate Bob Allison celebrated his 25th birthday by collecting three of Washington's 15 hits. Fischer limited the Orioles to seven. Hector (Skinny) Brown was the loser. Barry Latman limited Kansas City to four hits while pitching second-place Chicago to an 8-3 victory. Latman collected three of the White Sox' 12 hits and scored twice himself. Nellie Fox drove in three

Group Named To Aid Planning Of 3rd Major Baseball League

By ED SAINSBURY

Chicago — (UPI) — Major league baseball has moved to help supporters of a third major league get their dream off the ground.

A seven-man committee composed of Commissioner Ford Frick, President Warren Giles of the National league, President Joe Cronin of the American league, and club owners Tom Yawkey, Boston, Arnold Johnson, Kansas City, Bob Carpenter, Philadelphia, and Lou Perini, Milwaukee, was named to meet with third league planners and aid their future planning.

Special League

Frick named the committee at a special meeting held by the major leagues to consider aid to the minor leagues and also to vote for a second time on authorizing inter-league trades without waivers during the three-week period, Nov. 21 to Dec. 15, this year.

Both the American and National league held their previous positions favoring free interleague trading this winter and they reaffirmed their previous vote to make such deals possible.

Frick, though he had been on record against the plan, said that both league presidents also opposed the rule and that he did not regard the rule to retain the rule as a personal matter with him.

Cubs, Cards, Dodgers, Giants All Triumph in League Games

By United Press International

Eddie Bressoud rapped out a pair of doubles and a home run to help the San Francisco Giants maintain their one-game lead in the National league Saturday with a 5-3 victory over the Cincinnati Reds.

Southpaw Johnny Antonelli posted his 13th victory with a nine-hit effort that sent the Reds down to their sixth straight loss.

The second of Bressoud's doubles came during a two-run fourth inning that put the Giants in front to stay. San Francisco added two more runs off loser Jim Brosnan in the seventh when Bressoud hit his homer.

Home runs by Don Demeter and Charlie Neal led the Los Angeles Dodgers to a 7-5 victory over the Milwaukee Braves. The victory kept the second-place Dodgers a game behind first place and the loss dropped the third-place Braves 2½ games off the pace.

The Dodgers wiped out a 3-0 deficit with a five-run burst that chased loser Carlton Willey in the fourth. Neal and Demeter both homered during that frame. In addition to his homer, Neal had a double and two singles to pace a 12-hit attack. Don Drysdale, who relieved starter Sandy Koufax in the fourth, gauffed his 10th victory.

Marciano May Manage Branch

Goetborg, Sweden — (UPI) — Rocky Marciano, former world heavyweight champion, might become manager of the planned American subsidiary of Ingemar Johansson's Correspondence school — newest of several prosperous enterprises operated by the new heavyweight champion.

The disclosure was made Saturday by Bertil Ohlsson, a bearded Goetborg journalist, with whom Johansson operates "Goetborg's" sports school, Ingemar Johansson and company. Ingemar's second associate in this enterprise is his personal physician, Dr. Goesta Karlsson.

Ohlsson also confirmed reports from the United States that he-acting on behalf of Johansson—has been in contact with Joe Cahill, sports publicity director at the U. S. Military academy, regarding a "possible cooperation" after Ingo's sports school has crossed the Atlantic.

"But we have only talked about the matter and no formal deal exists," Ohlsson said.

ATTENDANCE UP

Portland-Assistant General Manager, Bill Sayles, of the Portland Baseball club has announced that attendance so far this year to Beaver baseball games at Multnomah Stadium has reached the 100,000 mark. This is paid attendance and covers the 31 openings since May 1. This figure is 13,340 above the same number of dates during the 1958 season and breaks down to an average 3,226 per opening.

In the women's division, young Shirley Englehorn, of Caldwell, Idaho, copped a victory over Elaine Porritt of Eugene, 6 and 7.

Willey's win came on the 18th hole in their afternoon round.

Willey carded a 35-38-73 in the morning round to take the lead. Stearns had a 39-36-75. Miss Englehorn fired a 42-38-80 in the morning round and Miss Porritt, a 38-45-83.

Arizona Girl Golf Titlist

Highland Park, Ill. — (UPI) — Jo Anne Gunderson, an Arizona state coed who belts the ball like the late Babe Zaharias, Saturday combined booming drives and deadly chip shots to win the Women's Western Amateur championship with a 6 and 4 victory over veteran Marjorie Lindsay of Decatur, Ill.

The 20-year-old strawberry blonde of Seattle, Wash., swept to a four hole lead at the halfway mark of the 36-hole title match, went five-up on the 28th green and ended the match when she dropped a 57-foot chip shot from the apron of the 32nd hole for a birdie three.

Jo Anne consistently clouted the ball from 225 to 260 yards off the tee, outdriving her 34-year-old opponent from 30 to 70 yards. She scored an eagle three and two birdies en route to her commanding half-way margin and then added two more birds on the final 14 holes.

14 Nations Enter Event

Harrisburg, Pa. — (UPI) — The field for the world modern pentathlon championship, to be held in the Harrisburg-Hershey area Sept. 25-30, is shaping up with 14 nations entered so far.

Olympic Modern Pentathlon committee, listed the nations accepting bids to the five-sport competition to date as follows: West Germany, United States, Argentina, Austria, Brazil, Denmark, Finland, Great Britain, Hungary, Italy, Russia, Sweden, Switzerland and Tunisia.

Russia is the defending champion in the event consisting of cross-country riding, fencing, shooting, swimming and cross-country running. The sport is modeled on the tests a military courier might face while passing through hostile country.

Vaults To Victory

Phil Paquin, University of Oregon pole vaulter, cleared 12' 6" to take first place in that event at the Medford All-Comers track and field meet yesterday evening.
