

BIGOTRY VICTIM — Dr. Ralph J. Bunche, Nobel Peace Prize winner and diplomat, has been barred, with his son, from membership in the West Side Tennis Club at Forest Hills, N. Y. The club's president told Bunche that the club excludes Negroes and Jews. This is the club at which the international Davis Cup finals will be held this year.

Registration For Adult Education Classes Now Open

Registrations are now being taken for classes in practical nursing, automotive mechanics and electronics according to officials of the adult education department of the Medford High school.

The practical nurse training is a 12 months course consisting of classroom and on-the-job hospital training in Rogue Valley hospital. It will qualify applicants for the examination by the Oregon state board of nursing, for licensing as a practical nurse.

The automotive mechanics course is a two year program consisting of afternoon and evening classes which will include all phases of auto mechanics and is designed to meet the needs of persons preparing for employment in this trade.

The electronics course, two years in length, will prepare persons for employment as highly skilled technicians in the electronic industries. It will also provide opportunities for those persons already engaged in technical occupations to obtain further training that will help them advance in their employment.

The courses will begin in September; however, interested persons are encouraged to make application now because of limited enrollment.

Application forms may be obtained at the adult education office of the Medford High school between 8:30 a.m. and noon, or by telephoning SPring 3-5341.
