

## HORN BROOK Visitors At Hamner Home

By KATHERINE CHAPMAN  
Hornbrook - Mrs. Hattie Holland arrived July 8 from her home in Bakersfield, Calif., for her annual summer visit with her daughter, Mrs. Dwan Hamner, and Mr. Hamner.

Also spending the summer with the Hamners is their nine-year-old granddaughter, Gail Lynn Hebb. Gail Lynn came up with her parents and two younger sisters several weeks ago, and when they returned to Bakersfield, she remained here for a longer visit.

Canadian visitors here last week were Mr. and Mrs. John McKenzie from Kamloops, British Columbia. They spent several days with friends, Mr. and Mrs. John MacKinnon, and daughter, Patty. On leaving here, they planned a trip through the redwoods, and a visit in Portland.

Mrs. Leo King left by bus July 9 for Caldwell, Idaho, where she plans a two weeks' visit with her mother, Mrs. Ada Groves. Mrs. Groves was 95 years old on Feb. 14, but still maintains her home, and tends her garden.

Mr. and Mrs. George McCann returned last Sunday from a week's vacation. They visited relatives in Eugene, Ore., then drove to Eureka, Calif. While in Eureka they took a guided tour through a U. S. Navy ship which was docked there over the 4th.

Several relatives from out of town were here last week to attend the funeral of little Linda Peters, who died June 29 of injuries received in a car accident earlier in the day.

Among them were Linda's grandmother, Mrs. Lottie Parr, of Burney, Calif., a great-aunt, Mrs. Lorinda Lambert of Montague, and an uncle, Walter Ladd, a brother of Linda's mother. He came from Washington state and remained here over the week end.

On Sunday evening, he conducted worship services at the Faith Chapel here.

Mr. and Mrs. Alvin McMaster and sons, Steve, Gary and Larry, and a friend, Randy Peters, drove to Tou Velle park, north of Medford for a family picnic on the 4th. There they were joined by their daughter and her family, Mr. and Mrs. Roger Smith and daughter, Renee, of Camp White.

Mrs. Dale Landing and children, Mike and Marla, of Eureka, Calif., are visiting her sister and family, Mr. and Mrs. Robert Farmer and sons Steve, Dale, Gene and Mickey Allen.

Those from Hornbrook attending the wedding on July 5 in Yreka of Miss Myrna Cummins and William Edman Montgomery, both of Yreka, were the brides' father, Carl Cummins, who gave his daughter in marriage, her grandmother, Mrs. Martha Cummins, her uncle and aunt, Mr. and Mrs. Rob Cummins, Mr. and Mrs. Jess Cummins, Mr. and Mrs. Henley Clawson, Mr. and Mrs. Alfred King, Mr. and Mrs. Floyd Burns, Mrs. Ethel White, Mrs. W. A. Rutledge and four children and Mrs. Ardon Burns, whose daughter, Mrs. Charles Dilley (Arlene) was one of the bridal attendants.

Mrs. William Wiley attended a birthday party July 1 at the home of Mrs. Glenn King at Hills. Mrs. Carrie Bernheisel was the honored guest. She received a number of gifts, then all spent an afternoon of pinocle.

Attending were Mrs. Phoebe Thompson, Mrs. Art Hartman, Mrs. Art Blanchard, all of Hills, Mrs. Gene Jackson, of Yreka, and a daughter-in-law of the hostess, Mrs. Harold King, who is visiting from Watsonville, Calif.

Friday evening, July 3, both Mr. and Mrs. Wiley attended a birthday dinner at the home of Mr. and Mrs. Bob Parker down the Klamath river. The party was to observe Parker's birthday. Bridge provided the evening's entertainment for the guests who were, besides the Parkers and the Wileys, Mr. and

## College Students Under Korean GI Bill Shows Drop

Despite a 20 per cent drop over last year in the number of veterans training under the Korean GI bill, well over half-a-million Korea veterans were enrolled in the spring school term just ended. S. T. Brannock, contact person, VA Domiciliary, Camp White, said today.

In fact, one in every seven males of the college campus this spring was a veteran attending under the Korean GI bill.

Last year's total for the spring term was nearly 700,000. This figure wasn't far below the all-time peak of the Korean GI bill in 1957, when more than 750,000 veterans were attending the nation's schools and colleges.

Reach 500,000 Veterans' enrollments this coming fall will be near 500,000, Brannock predicted.

In the years ahead, under the present law the numbers will decline still further. The Korean GI bill education and training program, now in its seventh year, comes to an end Jan. 31, 1965, Brannock stated.

So far, 40 per cent of all Korea veterans - 2,266,000 of the 5,443,000 veterans who served during the period of the Korean war - have made use of their GI training benefits.

One-half of the GI trainees have gone to college. The rest attended schools below the college level, or trained on the job or on the farm, Brannock said.

### OLD FASHIONED ADVICE

Cordova, Tenn.—(UPI)—Jimmy Humphreys, 12, lecturing to a county 4-H club meeting, displayed charts and lists of poisons to deal in modern, scientific fashion with almost every insect pest that bedevils farmers. He added one bit of old-fashioned advice: "The best way to destroy that old tomato horn worm is just to pick him off and stomp him."

# YOUR PROSPERITY

The bumper orange crop of 1959 was no problem to California orange growers. Advertising assured the profitable disposal of extra tons of oranges. While consumers saved money, orange growers were spared the deeply depressed prices common to a glutted market.

It is necessary for agriculture to maintain a good profit level for our nation to be prosperous. And those crops which use advertising to dispose of surpluses, save us millions in taxes to pay farm subsidies.

In this case advertising added to our prosperity in three ways. It kept our orange growers prosperous. It saved us money on oranges. It avoided the possibility of another farm subsidy which would have added to our tax burden. Orange growers never have to ask for a government subsidy, because they dispose of all their crop each year through advertising.

ADVERTISING IS ESSENTIAL TO OUR PLENTIFUL WAY OF LIFE and advertising can help make your future years more plentiful than ever

## PUBLIC NOTICE

Due to the Federal Trade Commission's continued investigation as to the wearability and reparability of shoes, I have been asked to tell consumers to write to the FTC, and tell what they feel about materials in shoes, and to tell their opinion as to whether they feel shoes should be labeled. I make this appeal to the people so the FTC can get the consumers' own opinion. Your help is most urgent to the FTC and to my crusade to label shoes. The address to write to is Federal Trade Commission, 811 United States Court House, Seattle 4, Wash. Please take a few minutes to write a card or letter to the above address, and help to label shoes for more informative buying. I have spent 2 1/2 years trying to help you, won't you spend a few minutes to help us both?
