Suspect Held; Money Missing

Montlake Terrace - (UPI) - Nonplussed sheriff's officers held a burglary suspect here Friday but were having difficulty finding the money he was believed to have scooped up from a furniture store's till.

The suspect, a transient with a carnival, was believed to have flushed the money down a toilet. Two employees of the Nicholson Furniture Store told Sheriff Bob Twitchell that they had seized two men prowling the business office and had found \$150 missing from the office.

The employees, Dan Sandburg and Douglas O'Connor, said one of the suspects asked to be allowed to go to the bathroom while they were awaiting the arrival of sheriff's officers.

While there, they said, the man got rid of all but \$30 of the evidence.

In the ensuing excitement, the second suspect fled.

Council, Union to Appear in Court

Portland (UPI) - U.S. District Judge Gus J. Solomon Friday ordered the Salem Building Trades Council and Teamsters Union local 324 to appear in his court July 24.

They are to show cause why they should not be enjoined from alleged violations of fair labor practices in a wage, hours and working conditions dispute with Cascade Employers' association.

The show cause order was asked by the National Labor Relations board in a preliminary inquiry the NLRB found reason to believe a secondary boycott is being practiced by the unions against sand and gravel concerns in Corvallis and Salem.
