

# as you like it

**WHY NOT STAGE** a "prepare- and serve-yourself" buffet for a get-together on a warm Summer's evening. It's fun for your guests and simple for you with the many wonderful appliances and accessories there are for keeping food hot.

For this menu, scrambled eggs are prepared "as you like them," adorned with a choice of diced avocado, sliced ripe olives, chopped green onion, chutney, sautéed mushrooms, or crisp bacon curls. There's a special treat in the delicious smoky flavor of Smithfield ham or bacon served with eggs.

Guests can also prepare their waffles with an individual flair by adding one or several enhancing ingredients to the batter. And don't overlook fruit-filled muffins and a generous pot of hot coffee.
