

AT CLINIC—Mother Anne of Sacred Heart hospital, William Cowan, x-ray technician, and Miss Helen Bullis, Providence guild volunteer, all at left, are shown with people waiting to have chest x-rays at the clinic sponsored by the Jackson County Tuberculosis and Health association. (Landis photo).

Chest X-Ray Clinic In Fifth Year at Medford Hospital

The chest x-ray clinic at Sacred Heart hospital, sponsored by the Jackson County Tuberculosis and Health association, is now in its fifth year of operation. It is open weekly for the convenience of the public in securing chest x-rays.

X-ray equipment for the clinic was purchased with Christmas Seal funds and the clinic is maintained by the nominal fees charged for the chest x-rays.

Clerical help is provided by volunteers from the Providence Guild of Sacred Heart hospital. Approximately 55 hours a month of volunteer service is given and many of the same people have worked regularly at the clinic since it opened. The association has expressed its appreciation for their help in maintaining this clinic as a service to the public.

During the first six months of 1959, 1,660 persons have visited the clinic, which is approximately 500 more than last year at this time. The films are read by radiologists for tuberculosis, heart, cancer

Broaster House Opened in City

Mr. and Mrs. Johnny L. Brown, formerly of Brookings, recently opened the Broaster House, 703 East Main st., Medford, former location of the Village Dairy Smith.

The Broaster House, Brown said, specializes in broasted chicken, a new process of pressure cooking with a special machine developed by Flavor-Fast Foods corporation, Rockton, Ill.

Brown said chicken is cooked in 6 minutes and has a crisp skin. It is the first such equipment in the Rogue valley, although such machines are located at other West Coast cities.

Brown formerly was assistant manager with the U.S. National bank in Brookings, and previously was with the First National bank in Salem. They have three children, Douglas, 12; Lyndell, 8, and Michael, 7.

Post Office Boxes Increase in Price

An increase in lock box rentals at the Medford post office has been announced by Moore Hamilton, postmaster.

The increase resulted from a change in the postal level of the local post office, he said, because of the increased number of patrons and the increase in business. The change became effective July 1.

Number 1 boxes were increased from \$1.70 to \$2.25 per quarter; number 2 boxes from \$2.25 to \$3; number 3 boxes from 3 to \$4.50; number 4 boxes from \$4.50 to \$6; and number 5 boxes from \$6 to \$7.50 per quarter.

Hamilton said patrons have been asked for a slight additional payment on post office boxes. Payments may be made at the money order window or by mail, he said.

Band Concerts Set At Medford Park

A concert by three school bands Wednesday, July 22, at the city park beside the Medford library will close the five-week summer band school sponsored by the Medford school system.

Bands participating in the concert will be the grade school intermediate band with about 60 members at 7:30 p.m., the junior high school band of about 70 members at 8 p.m., and the high school concert band with about 70 members at 8:30 p.m.

Irv Mirick, supervisor of instrumental music, was in charge of the summer recreation program this year. The public is invited to the concert.

Influenza Cases Lead Disease List

Forty-two cases of communicable diseases were reported in Jackson county last week, according to Dr. A. Erin Merkel, public health physician.

Leading the list were 27 cases of influenza. Thirteen were in Medford, 7 in Central Point, 4 in Shady Cove and 3 in Phoenix.

Other cases of diseases were German measles, Medford 3, Phoenix 4, and Shady Cove and Central Point 2 each; measles, Medford 1; whooping cough, Medford 1; chicken pox, Medford 1; and pneumonia, Medford 1.
