

Giants Win But Dodgers Don't; Rigney Says Braves Are Back In Third Place

By FRED DOWN
United Press International
One swing of Bobby Avila's bat and Fred Haney can feel the Milwaukee Braves' second-base woes are behind them.

Acquired from the Boston Red Sox only 24 hours earlier, the ex-American League batting champion pulled the Braves out of their seven-game losing streak Wednesday night with a two-run ninth inning homer that produced a 5-4 victory over the Cincinnati Reds.

The win, the Braves first since July 13, moved them back into third place and also presented Warren Spahn with his 12th victory of the season and the 258th of his career. Spahn went all the way, yielding nine hits and contributing a homer to Milwaukee's seven-hit attack.

The San Francisco Giants, meanwhile, increased their NL lead to 1 1/2 games with a 6-1 victory over the St. Louis Cardinals while the second-place Los Angeles Dodgers bowed to the Chicago Cubs, 7-2. The Philadelphia Phillies crushed the Pittsburgh Pirates, 11-4, in the other game.

Sox Regain Lead
The Chicago White Sox took over first place in the American League by one game when they shaded the Boston Red Sox, 5-4, and the New York Yankees downed the Cleveland Indians, 8-5. The Detroit Tigers beat the Washington Senators, 6-2, and the Kansas City A's downed the Baltimore Orioles, 6-3.

Mike McCormick pitched a six-hitter for the Giants, who snapped a three-game losing streak with a nine-hit attack that included a run-scoring

single and a homer by Willie Kirkland.

Earl Averill's grand slam homer was the big blow as the Cubs routed Danny McDevitt with seven runs in the second inning. Bob Anderson turned in his sixth victory, his third over the Dodgers.

Dave Philley drove in three runs and Ed Bouchee, Harry Anderson and Joe Lonnett knocked in two each to lead the Phillies' 19-hit attack on Ron Kline and three successors.

The White Sox scored their 21st one-run win of the year when Sherman Lollar's ninth-inning single scored Nelson Fox with the decisive run.

The Yankees rallied from four-run deficit to defeat five-batter Herb Score his eighth defeat and give Duke Maas his eighth win.

Frank Lary won his 11th game for Detroit with the help of Ray Narleski's late-inning relief job. Frank Bolling hit his seventh homer and Lary his first for the Tigers who moved past Washington into fifth place.

Ray Herbert pitched a six-hitter for his fifth straight win and ninth of the year for Kansas City. Roger Maris had two hits and Dick Williams homered for the Athletics.

Big Guns In Slump

Rigney dropped the slumped Willie Mays to fifth in the batting order for Wednesday's game and put Jackie Brandt into the leadoff spot. Today Willie will be back in the number three slot.

Big Guns in Slump
"Both Mays and Orlando Cepeda are in a slump," said Rigney, "but we've got to leave them there if we are going to win this pennant. They are going to have to come through."

Cepeda got one hit in four trips, Wednesday night and Mays none in three. Willie's batting average dropped to .299.

Lefty Mike McCormick notched his fifth consecutive victory to make his record for the year 10-7.

"McCormick pitched one of the best ball games I've ever seen him throw," said Manager Solly Hemus of the Cards. "Dick Ricketts had good stuff for us. But I knew that the Giants were due to snap out of their hitting slump. We will too. Maybe today."

Two Runs in First
The Giants jumped on Ricketts for two runs in the first inning before there were any outs. Brandt walked and scored on Jim Davenport's double. Willie Kirkland, who hit a bases-empty homer in the seventh, singled to score Davenport. Then Ricketts struck out Cepeda, Mays and Daryl Spencer.

Two more runs came across in the fifth on singles by Brandt, Davenport and Cepeda. The Giants got their sixth run in the eighth on Spencer's double, a wild pitch and a squeeze bunt by McCormick.

Pastrano, Johnson Mix Tomorrow

Louisville, Ky.—(UPI)—Brawny Willie Pastrano of Miami, Fla., who hit the skids in the ring ratings after decisioning Chicago's Johnny Holman here two years ago, meets eager Alonzo Johnson in a 10-round Friday night fight to be teamed nationally.

Johnson, of Braddock, Pa., is a substitute for Alex Miteff, the big Argentine heavy-weight who was sidelined by a kidney infection.

For Pastrano, who is just back from a 50-so tour of European cauliflower alleys, the match brings back memories of better days. When he appeared here in September, 1957, he was ranked No. 3 in the heavy bracket and was the toast of the town for Louisville's first television bout.

After losing to Brian London and Joe Erskine, in London during a tour in which he won four and lost six fights in England and Italy, Pastrano finds himself ranked ninth in Ring Magazine and up against a foe who is riding a 12-fight victory streak.

Johnson, who gave up bartering for punching, has had a busy year. He has had five fights and has whipped Billy Hunter, Jimmy Slade and big Nino Valdes to run his record to a class 17-1.

Johnson beat Valdes in a televised affair at New York's Madison Square Garden and promptly leaped to the No. 7 spot in the NBA ratings and ninth in Ring Magazine.

Machen Gets TKO In Sixth To Win Against Vargas

By JAMES DOYLE
Portland, Ore.—(UPI)—Eddie Machen, who said he would do his talking in the ring, hoped today that he was eloquent enough against Rubeen Vargas to earn a shot at the heavyweight championship.

"I'm ready to take on Ingemar Johansson in his own back yard," Machen said after blasting Vargas in 1:55 of the sixth round for a technical knockout at the Oregon Centennial Exposition grounds Wednesday night.

Vargas, 195, was sent to his knees for an eight count in that round, but he arose and was plastered against the ropes at Machen's mercy. The referee, Ralph Gruman, stopping the fight at that point.

Stunned by Hooks
Vargas blamed the TKO on the lack of a mouthpiece. He said that in the excitement between the fifth and sixth rounds his seconds forgot to put his mouthpiece back in. He was stunned by a series of left and right hooks by Machen.

"But I don't want to blame it on any one thing because I got beat," Vargas said. He said he was "shook up real hard" in the sixth before he went to the canvas.

The two heavyweights fought a close battle through five rounds with Machen, 197, Portland, Ore., scoring more blows but with the Mexican on the aggressive. Vargas plodded forward through most of the bout, stopped only by Machen's occasional outbursts of fury.

It was the 28th pro bout for the fifth-ranked Machen and his 26th win. He had a draw with Zora Foley in 1958 and was knocked out in the first round by Johansson in Sweden last September.

Roseburg Clobbers Medford In 2 Games

The Roseburg Legion team took a long slow look at the baseball last night and then proceeded to beat it to death, much to Medford's dismay. The Roseburg team scored more runs in the first two innings of the opening game than Medford could accrue all night.

The first game went to Roseburg, 9 to 3, and the second followed the same pattern, 8 to 2.

Roseburg, northern division area 4 winners after last night's double-header, will play North Bend, coastal division champs, at North Bend on Sunday. A two-night double header will follow Sunday at Roseburg.

And North Bend better watch out for the Roseburg club in those double-headers at their home diamond.

Because Medford took Roseburg, 5 to 4, at Camp White Monday and needed only a single win to walk off with victory in the two-out-of-three series. Instead, here's what happened:

First Game
Medford.....000 001 2-3 10 2
Roseburg.....450 000 x-9 6 1
Quinsey, Lowery (2) and Barry; Livingston and Hiney.

Second Game
Medford.....020 000 0-2 4 3
Roseburg.....215 000 x-8 6 6
Wheeler, Anderson (3) and Barry; Whipple and Hiney.

Portland Wins, 2-1; Solons Still Lead

United Press International
Lefty George Brunet of the Portland Beavers broke one of the most spectacular home run streaks in the history of Pacific Coast league baseball in beating the Phoenix Giants 2-1, Wednesday night at Phoenix.

Brunet yielded only five singles and thus kept Phoenix from hitting a home run in its own park for the first time in 43 games. Last time the Phoenix sluggers were stopped was April 23 by the same Portland Beavers.

A wild pitch by relief pitcher Joe Shipley decided the hurling duel. Marshall Renfro had matched Brunet through the first seven innings and was removed for a pinch hitter. In the eighth Shipley uncorked with the bases loaded.

One Earned Run
Portland got its only earned run off Renfro on singles by Bob DiPietro, George Freese and Nini Tornay in the third. Phoenix scored in the seventh on a scratch single by Bill Wilson, a walk and a solid pinch hit by Owen Friend.

In the winning frame Portland got the advantage of two walks and a single by Freese before the wild pitch.

Freese, with three singles, was the game's batting star.

Solons Win
The Sacramento Solons exploded for a 13-0 win over Vancouver.

The victory dropped the Mounties a game behind the Solons. Bob Perry, about the only Solon who can qualify as a consistent power hitter, slammed a pair of three run homers to lead the onslaught. Joe Stanka, who recorded his 12th win of the season to become the PCL's winningest pitcher, also hit a three run homer in a big seven run first inning.

Other games saw San Diego clip Spokane, 7-2, and Salt Lake measure Seattle, 5-4.

No. 15 For Edmunds In NW League

By United Press International
It looks very much as if Ted Edmunds of Tri-City, the Northwest League's winningest pitcher, will crack the 20-game win column this season.

Edmunds had his troubles Wednesday night but when the smoke had cleared he had posted victory No. 15, a 7-6 win over Salem.

Tri-City got four unearned runs in the first frame and went on to pick up the win although Edmunds was touched for 11 hits. However, he managed to blank the Senators in the ninth for the victory.

Solo Homer
Bob Nelson of the winners hit a solo homer in the fifth. Bob Bolin of Eugene won his sixth in a row with a 4-1 decision over Wenatchee. Bolin spaced eight hits, fanned 11 and walked 3 in posting his 12th win of the season.

Eugene wrapped it up with a three-run rally in the seventh as Dick Pawlow, Gene Martin and Bolin each produced one-run singles.

Lewiston Wins
Lewiston got four runs in the bottom of the ninth to nip league-leading Yakima 7-6.

Bob Rous drove in one with a double and the final and deciding marker crossed when pinch-hitter Roger Gregg doubled in the ninth. Rous got the Broncs three runs in the first with a homer with two mates aboard.

Sam Camner, third Lewiston hurler, was the winner.

Prep Gridders Play Tonight

Baton Rouge, La.—(UPI)—The Rebels and the Yankees, two of the finest squads of high school grid stars ever assembled, will battle tonight in the 11th annual Prep All-America Bowl at Memorial Stadium.

The 67 players, cream of the nation's prep teams of last year and now destined to be college and professional stars, are primed for the football classic after a week of rugged drills.

Coach Ed McKeever's Rebels will be slight favorites at kickoff because of "slightly better organization," according to Mose Simms, director and founder of the annual tilt.

HOME SWEET JAIL
Brownsville, Tex.—(UPI)—Ramon Cavazos, convicted of drunken driving, was sentenced to 30 days in jail. His father is a jailer.

All-Star Gridders Report

Entry fees are \$2.50 for singles and \$1.50 per man for doubles.

Regas Is Still Semi-Conscious

Spokane—(UPI)—Hydroplane driver Jack Regas was holding his own at Lakeside hospital Wednesday night.

"As long as he does," Dr. H. H. Greenwood said, "he'll get better."

Greenwood has been treating Regas since Sunday, when the wily racing veteran was seriously injured in the Diamond Cup races.

Regas, who holds the world's propeller-driven speed record, has undergone "little change that you can see" since he was taken unconscious from the race course to the hospital, Greenwood said.

Regas is in a semi-conscious state and has not yet been able to speak.

Beavers Get Tom Carroll

Portland—(UPI)—Tom Carroll, a shortstop and one-time New York Yankees bonus player, was sent to the Portland Beavers Wednesday by the Kansas City Athletics.

Carroll has been performing this season with Charleston of the American Association where he was hitting .281.

The former Yankee organization ballplayer stands 6-3, weighs 190 and bats right-handed.

Carroll, who will join the Beavers at Phoenix, hit .333 in 14 games for the Yankees in 1955 and .353 in 36 games with the New Yorkers in 1956.

The new Beaver was obtained by the Athletics in the same trade which sent Russ Snyder to Kansas City.

Jet Plane Speed Record Claimed

Atlanta, Ga.—(UPI)—Delta Airlines officials claimed a new transcontinental speed record Wednesday with the flight of a jet-powered DC8 from Long Beach, Calif., to Miami in four hours, 43 minutes and 11 seconds.

The four-engine swept-wing airliner streaked the 2,335-mile distance in an average of 512 miles per hour. Capt. T. P. Ball, Atlanta, the pilot, said Douglas Aircraft representatives purposely held the plane below its normal 575 miles per hour cruising speed.

Delta officials said the old record was five hours and 50 minutes, set by a piston-engine DC7 in November, 1953, flying from Los Angeles to Miami.

Netters Decline Cup Invitation

Haverford, Pa.—(UPI)—Perry Jones, non-playing captain of the U. S. Davis Cup team, said Wednesday night that four players had been invited to join the squad but declined because of business reasons.

Jones identified the four as Vic Seixas of Philadelphia, Dick Savit of New York, Ham Richardson of Washington, D. C., and Tom Brown of Los Angeles.

He also said that Bernard Bartzten, winner of the U. S. Clay Court title, was under consideration for the squad.

Aussie Net Team Meets Canadians

Montreal—(UPI)—Australia, experiencing somewhat of an off year in tennis, nevertheless was the firm favorite to eliminate Canada in second round of the American Zone Davis Cup competition starting Friday.

To reach the challenge round against the defending champion United States, the Aussies will have to beat five countries in a row. They got by the first hurdle when they defeated Mexico, 4-1, in Mexico City Monday. If they get by Canada's "week-end" Davis Cup veterans—Rob Bedard and Don Fonta—the Aussies will play Cuba here July 31-Aug. 2 in the American Zone final.

And European Winner
Still confronting the Aussies, presuming they are still alive, will be the European winner, either Italy or Spain, and then India.

Australia's forces this year are comparative Davis Cup babies compared to Bedard and Fontana who have 11 years cup experience between them.

Non-playing Captain Lorne Main wasn't scheduled to name his team until noon (e.d.t.) today, when the draw is held. But it was no secret that Bedard, 27-year-old self-taught racket swinger from Sherbrooke, Que., and Fontana, 28-year-old advertising agency worker, would get the call.

The other two members of the team were recently promoted juniors, John Bassett of Toronto and Francois Godbout of Waterloo, Que.

Sport Parade

New York—(UPI)—The hot news in the literary world today is that Rocky Graziano—middleweight champion, actor, performer in tees, "commishals," golf hacker and bum vivand—has turned author.

There was a rumor awhile back that Rocky had written a book which eventually wound up in a movie called "Somebody Up There Likes Me." The fallacy was that words crept in which they never taught in the Rock's type of finishing school.

This one, says "ghost," contains Graziano's own refreshing attitude toward people, places and things.

They made two mistakes when they paid Rocky to write a magazine story called "for \$50,000 I'd fight any of these bums." First, the subtitle should read "Make Me Mad Enough and I'll Do It For Free." Second, they translated it into English and thus, to be forceful, it has to be translated back into Grazianoism.

But his observations are quite interesting.
