

National League Favorite In All-Star Diamond Fray

By ALEX KAHN
Los Angeles—(UPI)—The National league was favored at 6-5 to score a "repeat" victory over the American league this afternoon in the second major league All-Star baseball game of 1959.

Don Drysdale, 23, speedball pitcher of the Los Angeles Dodgers, will start for the National league against the American league's right-hander Jerry Walker, 20, of the Baltimore Orioles.

Manager Casey Stengel tabbed the young Oriole pitcher for the starting assignment because Ryne Duren of the New York Yankees pitched

three and two-thirds innings Sunday against Kansas City. But other starters were less certain:

Eddie Mathews of the Milwaukee Braves will sit this one out and Ken Boyer of the St. Louis Cardinals will play third base for the Nationals. Mathews has a hip injury.

Injury Sidelines Cepeda
Orlando Cepeda, first baseman in the first All-Star clash won by the Nationals at Pittsburgh, 5-4, withdrew because of a wrist injury.

Gus Triandos, Baltimore catcher, withdrew because of an injured hand.

Sunday the American league

squad lost Harvey Kuenn of Detroit and Gil McDougald of New York, scratched because of ailments, and they were replaced by Tony Kubek and Bobby Richardson, both of the Yankees. Earlier the Yankees' Bill Skowron injured his hand and was replaced by Elston Howard.

But there will be stars galore, headed by ageless Ted Williams of the Boston Red Sox and Stan Musial of the St. Louis Cardinals on the field.

Manager Fred Haney of the National league, which whipped the Americans, 5-4, earlier this year, will return with just about the same lineup that he used in Pittsburgh.

National Lineup Same
Haney is using Johnny Temple at second; Boyer at third; Hank Aaron, right field; Willie Banks, center field; Ernie Banks, shortstop; Musial, first base; Wally Moon, left field; Del Crandall, catcher. And they'll bat in that order.

The American league lineup goes: first base, Pete Runnels; second base, Nellie Fox; left field, Williams; catcher, Yogi Berra; center field, Mickey Mantle; right field, Roger Maris; third base, Frank Malzone; shortstop, Luis Aparicio.

This is the first All-Star game in history ever to be played in the west—but the fans didn't take to it the way it had been hoped. The heat wave, plus television, will be keeping many of them at home—possibly leaving at least 40,000 seats empty in the giant stadium.

And some of the players don't care for the show, either. Temple said Sunday in Cincinnati that the players had "voted against holding a second All-Star game," but they had been forced to go through with it when it was found that radio and television contracts already had been made.

Padres Surge Back Into PCL Contention

By DON BECKER
United Press International
The San Diego Padres—colossal flops through most of June and July—have roared back into contention in the stretch run for the Pacific Coast league pennant.

The Padres complicated the race—which seven of the eight teams could still win—by knocking Vancouver out of a three way tie for first place Sunday with a double victory over the Mounties.

The twin-win ran the

Padres' victory streak to nine straight, the longest of any PCL team this season. They won the first game, 3-1, and the second, 5-4.

Sacs Back in First
Sacramento moved back into sole possession of first place with a 9-4 win over Spokane. Portland like Vancouver, got belted from its tie for first place by dropping a pair to Salt Lake, 6-1 and 4-1. Phoenix took Seattle, 5-4, in the other contest.

San Diego, which once was at the top of the PCL before crashing to seventh place on the strength of two months of brutal baseball, is now only three and a half games back in a tie for fifth place with Phoenix. Seventh place Spokane is only five off the top.

Salt Lake got outstanding pitching after staging a couple of big first inning rallies against Portland. The Bees scored four times in the first frame against loser Tom Gorman in the opener and George Perez went all the way holding the Beavers to three hits. Hugh Pepper was staked to a three run lead in the second game and he scattered 10 hits while holding the Beavers to their lone tally.

R. C. Stevens homered in each game for the Bees.

Ashland, GP Nines RVL Victors

Ashland and Grants Pass remained undefeated in the Rogue Valley Baseball league with Sunday decisions.

Ashland clipped Glendale 12 to 7 and Grants Pass thumped Camp White 10 to 1.

The Camp White loss knocked that club from the unbeaten list and out of a tie with Ashland at the top of the standings. Ashland with a 3-0 record heads Grants Pass, 2-0, by a half game.

Derald Wooton pitched four-hit ball for GP and the Merchants got 17 hits, mostly off Camp White starter Jim Eggers. Wooton hit three for three and Dick Hayes homered and Mel Friend tripled for Grants Pass, each with two runners on base. Eggers doubled for Camp White.

Ashland put across six runs in the fifth inning and at the end of six frames led 12 to 1. Dave D'Olivo gave up only four hits to Glendale in his six innings on the hill. He homered with one runner on base. The Ashlanders whacked 13 hits.

The Ashland Greyhound tavern crew will enter the National Baseball congress Oregon state tourney this week end at Drain.

Portland—(UPI)—Four teams won district titles Sunday to qualify for the state Babe Ruth baseball tournament which opens at Klamath Falls Thursday. The Dalles defeated Mr. Hood 4-3, Northeast America of Portland defeated North Portland American 11-0, Wilson's No. 1 team downed Wilson No. 2 by a 9-0 count, and Tualatin took Seaside 5-4. Other entries include Klamath Falls, Fe hill, Madison National and Cleveland, the latter from Portland.

Florists Take Softball Tilts
Portland—(UPI)—Erv Lind Florists of Portland continued their winning ways in the Northwest Women's Major Softball League Sunday with a 1-0 win over American Linen. Pearl Pinion held the losers to 3 hits.

The Florists last Friday nosed Raybestos Brakettes 1 to 0 for their only win and only run in an exhibition series with the world champions.

Lind beat the Salem Shamrocks 2-1 in the Northwest loop on Saturday.

BURLESON WINS
Albuquerque, N. M.—(UPI)—Dyrol Burleson and Otis Davis of Oregon chalked up wins Saturday in the local invitational track and field meet. Burleson won the 880-yard run in 1:51.0 and Davis took the 440 with a time of 47.0.

Mishaps Kill 2 Race Drivers

Berlin—(UPI)—The world of auto racing today mourned the deaths of international stars Jean Behra and Ivor Bueb who died this week end as a result of accidents here and in France.

Behra, France's champion driver who won the 24-hour, Fla., race in 1957, died as a result of injuries several hours after his sports car skidded on a wet turn while competing in the sports car grand prix here Saturday.

Bueb, 35-year-old British veteran of the race track, died Saturday night as a result of injuries he suffered on July 26, when his car plunged off a hilly track at Clermont-Ferrand, France, at the start of the Grand Prix d'Auvergne formula two race.

INDIANS GATE SOARING
Cleveland—(UPI)—A crowd of 34,682 turned out at Municipal Stadium for Sunday's doubleheader between the Indians and Baltimore Orioles, pushing Cleveland's 1959 home attendance to 1,009,562 for 46 home games. The Indians drew only 663,805 for the entire 1956 season.

Padres Surge Back Into PCL Contention
Sacramento moved back into sole possession of first place with a 9-4 win over Spokane. Portland like Vancouver, got belted from its tie for first place by dropping a pair to Salt Lake, 6-1 and 4-1. Phoenix took Seattle, 5-4, in the other contest.

Buffalo Bisons Leading by 10

Heavy hitting carried the Buffalo Bisons into a whopping 10-game lead in the International league today and raised the possibility that the Bisons will win the pennant by the largest margin in the club's history.

Bill Taylor's three-run homer saved the Bisons from defeat and gave them a 5-4 victory in the opener of their Sunday doubleheader against Richmond, and homers by Bobby Morgan and Jimmy Coker led an 11-hit assault in winning the nightcap, 9-3.

In other Sunday games, Havana beat Toronto 2-1 in 16 innings before the second game was halted by curfew after four innings with Havana leading, 3-0; Columbus beat Rochester twice, 8-5 and 6-2; and Miami beat Montreal, 2-0, after losing their opener, 5-3.

Clams Grow Faster In Warmer Waters

Washington (Science Service)—Move a hardshell clam to warm southern waters and it will be "restaurant size" in just a little more than a year.

In contrast to the usual four to five year maturing period needed in their native New England waters, clams raised off the Florida gulf grew to eating size in 16 months.

The clams, moved when they were about the size of rice grains, need to be protected against predators, Dr. R. W. Menzel of the Florida State University's Oceanographic Institute warned.

"This is a factor that I feel is not insurmountable," he told scientists at the National Shellfisheries association meeting here. "The agriculturalist on land has overcome insect damage through advances in research and technology. Predation perhaps could be controlled by several methods: Screening, selection of "planting" sites and possible chemicals were mentioned as promising methods.

Death by lethal gas is the form prescribed for capital punishment in eight of the states.

Red Hot White Sox Stretch Win String to Six in Row

By FRED DOWN
United Press International
Thirty shapes up today as the "magic number" which could give the Chicago White Sox their first pennant in 40 years.

That National league race is still as tight as a can of sardines but 11 victories in their last 12 games have the White Sox going... going... and perhaps very soon "gone" in the American league race.

The red-hot White Sox stretched their latest winning streak to six games and opened up a three-game lead Sunday when they swept a doubleheader from the Washington Senators, 3-2 and 9-3. The losses stretched the Senators' losing streak to 16 games—two short of their club record and four shy of a league mark shared by three teams.

With 52 games left, the White Sox can reach the 92-victory mark by winning 30 games and losing 22 for a .571 pace. The second-place Cleveland Indians then would have to go to a .640 pace to tie. The New York Yankees, A mere 42 out of 52 or .808 would be enough to tie.

No Break in NL
There's no sign of a major break in the National league where the San Francisco Giants retained their half-game lead with a 5-3 win over Pittsburgh Sunday. The Los Angeles Dodgers moved back into second with a 4-3 decision over the Philadelphia Braves and the Milwaukee Braves are only a game behind San Francisco despite their split with the St. Louis Cardinals. The Cardinals won the first triumph.

The Indians bounced back from a 5-4 10-inning loss to beat the Baltimore Orioles, 6-3, the Yankees defeated the Kansas City Athletics, 7-5, and the Boston Red Sox scored a 5-4 win over the Detroit Tigers in other AL games. The Cincinnati Reds beat the Chicago Cubs, 2-0, in the other NL game.

The White Sox scored their 26th one-run victory of the season when they tallied two runs in the ninth inning of their opener and then breezed to an easy win in the nightcap with the help of key doubles by John Romano and Bubba Phillips.

Rookie sensation Willie McCovey did it again with a two-run homer and Willie Mays did it for a change with a clutch double as the Giants handed the Pirates their 12th setback in 14 games.

Homers by Duke Snider and Charlie Neal were the big blows for the Dodgers who rallied for three runs in the fifth to give reliever Larry Sherry his second win.

Ken Boyer singled for his fourth hit and then went the rest of the way around the bases on errors by Hank Aaron and pitcher Don McMahon as the Cardinals pulled out a ninth-inning win over Milwaukee. The Braves came back in the nightcap with a 12-hit attack.

Tito Francona, who went 7-for-8 and raised his average to .416 during the doubleheader, hit a three-run ninth-inning homer to give Cleveland's Gary Bell his 11th win in the nightcap. The Orioles won the first game in 10 innings when rookie Barry Shetbone tallied from third on a "Baltimore chop" single by Willie Miranda.

Elston Howard drove in four runs with a double, and two singles and Yogi Berra had three singles to lead the Yankees' 11-hit attack.

Jackie Jensen's three-run eighth-inning homer brought the Red Sox from behind and gave Ike Delock his seventh win after Paul Foytack carried a five-hitter into the ninth.

Rookie Jay Hook and veteran Brooks Lawrence combined in a five-hitter as the Reds won their sixth game in seven starts.

Northwest Golf Open Underway

Salem—(UPI)—The Northwest Open Golf tournament got under way today with an 18-hole round.

Eighteen holes also will be played on Tuesday with a 36-hole finale Wednesday.

Last year's tournament was won by amateur Dr. Taylor of Seattle at Boise. Among the favorites this year are Bunny Mason and Bob Prall of Salem, Dick Yost of Portland, Boots Porterfield of Grants Pass and Bob Duden of Portland.

Don Caperna, club pro, and Jim Sheldor are Rogue Valley Country club participants in the Northwest Open Golf tourney at Salem.

Braves Slate Critical Games

Milwaukee—(UPI)—Manager Fred Haney concedes his Milwaukee Braves might be in the midst of another August slump which has won them two successive National league pennants, but he won't know for sure until his athletes conclude a critical five-game West Coast road trip.

The third-place Braves, winners of 10 of their last 12 games, are one game behind the first-place San Francisco Giants, whom they meet in the opener of three-game series Tuesday night. After the Giants, it's the second-place Dodgers for two games, and then back East for games against second division teams.

Electronic Brain To Operate Torpedoes

Washington—(Science Service)—An electronic brain will guide submarine-launched torpedoes towards their prey. The first Polaris-launching submarine, USS George Washington, soon will be equipped with Mark 112, a torpedo fire control system that has a computer using radar and sonar sensing devices.

Developed by Sperry Gyroscope company of Great Neck, N. Y., Mark 112 will instantly determine an enemy ship's position, direction, and speed, and then aim the torpedo. When the torpedo nears the enemy vessel Mark 112 activates its "acoustical head," enabling the torpedo to seek out the prey. All the operator must do is to push the right buttons.
