

Attempt Made To Kill Raul Castro

Havana - (AP) - Sources reported Monday that an attempt was made Sunday night to kill Raul Castro, brother of Premier Fidel Castro and commander in chief of Cuba's armed forces.

The sources said the assassination attempt was made while the younger Castro was attending the wedding of a revolutionary army friend.

The attempt on Castro's life followed a week end series of uprisings, reported invasions and large-scale preventive arrests throughout the island.

Army members immediately jumped the would-be assassin, disarmed him and hustled him outside.

California ranks first in national forests area with 25 million acres.
