New "Figure Discovery" for all Mothers

Try Relax-A-cizor Free!...it's the new "No Diet" way to Reduce the **SIZE** of hips, waist, abdomen... no weight-loss.

Modern mothers know that a "wedding-day" figure means marriage-long romance... an attentive husband... a proud family... and a more contented *you*.

You don't need to diet. You need not lose weight. You can lose inches the new Relax-A-cizor way.

So completely different!

Relax-A-cizor, unlike "Plans," "Systems," "Methods" and vibrating devices does NOT depend upon diet or weight-loss for results.

Relax-A-cizor reduces the size of your hips, waist, abdomen, thighs... and other parts of your body... a new way that tightens, tones, and "pulls in" muscles... the muscles that help determine the *shape* of your figure. It does this while you REST luxuriously at HOME!

When you Relaxacize you REST. You read, rest, sew, watch television... even sleep while Relax-A-cizor tightens your tummy, trims your hips, vanishes away the inches from your waistline.

Relaxacizing requires no weight-loss... If, however, you do want to diet and lose weight you are given... at no extra cost... the safe, sensible "Pounds Away Plan." *And*, Relaxacizing, when combined with this sensible weight-loss program, gives much faster results than diet alone!

Relax-A-cizor is NOT a couch. It is NOT vibration, heat or massage. It is NOT a salon "method!"

It IS a tiny device that looks much like a small makeup kit. You can tuck it away in a dresser drawer. It has "Beauty Belts" and "Beauty Pads" to fit almost every part of the body. *It has, in addition, the only "Facial" that exercises and tightens the muscles under the eyes and chin.*

Relax-A-cizor is the safe way to reduce inches from hips, waist, thighs, abdomen... at home. No pills are used.

Does it really work? *Read what these users say:*

Mrs. Evelyn Brantweiner of Allentown, Pennsylvania, recently wrote the manufacturers: "I've lost 4 inches from my waist, 3 inches from hips and 2 inches from my thighs in 3 months." Mrs. Caglia of San Jose, California, writes: "After about 3 weeks I took my hips down from 46" to 37½", waistline from 33" to 26". She says she did not diet. Mary A. Moriarty, New Bedford, in 1 month lost 3 inches around her waist and her hips; her dress size went from 20½ to 18. You may lose less... or more.

What do famous magazines say?

CORONET SAYS: Relax-A-cizor is an 'ingenious device... provides exercise completely without effort.'

HARPER'S BAZAAR SAYS: "Has been known to whittle away six inches, more or less, from waist and hips."
