FAIR

JACKSON COUNTY FAIRGROUNDS

On Now Through August 23

Now, the annual Jackson County Four-H and Future Farmers of America Fair is underway at the Fairgrounds. Everyone will want to see the achievements of these fine young men and women who are **LEARNING by DOING**. Here is a thoroughly practical and time-tried youth movement that builds better citizens for tomorrow—better economy for the Rogue River Valley today! There is no finer encouragement to this worthwhile program than attendance at the Fair and support of the annual livestock auction. There will be something doing every minute during the five-day Four-H, F. F. A. Fair, from home economics exhibits, agricultural demonstrations and style revue to livestock judging, sheep shearing contest and tractor driving competition. Be sure to attend—it will be an interesting and memorable experience!
