

To me, the most wonderful aspect of his success is that he hasn't changed. In spite of being Vice President of the United States, he still has the same concern for people he has always shown.

A few weeks ago I got a call from a woman, a member of my church, who was making a trip to Washington with her husband. "Do you think it would be out of place to call Richard?" she asked me.

"Of course not," I assured her.

I just had a letter from her telling me that the highlight of her trip was her visit with my son, who took time out to talk to her and her husband and have his picture taken with them.

That's what endears Richard to me most of all. And I am sure that this is what endears him to the hearts of our people.

and Quotes

The little girl was entranced by the department-store collection of dolls. A helpful saleslady described their finer points.

"Perhaps you'd like this doll," she said. "It walks, talks, cries, drinks and needs changes."

The little girl shook her head. "No, ma'am, I already have a baby sister who does all that."

Vacation:

That wonderful time we plan for,
Can hardly wait till it's here,
And during which we discover
Where not to go next year.
