HERE'S HOW THE PLAN WORKS

Drive into any lot displaying the PARK and SHOP SIGN. After you have parked your car the attendant will give you a ticket, on the back of which spaces are provided for validation stamps. Go Shopping. After making a purchase present your ticket to the clerk.

A validation stamp worth one hour's Free Parking will be affixed to the ticket. You'll get a stamp from each store in which your purchase is over \$2.00. Return to your car and present the ticket to the lot attendant. PARK FREE FOR AS LONG AS YOU WANT TO SHOP.
