Black-Roberts Car Eliminates Others

Two local entries displayed championship form yesterday to record their fastest times of the year and wind up tied against each other in the top eliminator finale of the Roseburg Disaster Benefit Drag races at the Camp White strip.

Noel Black in the Black and Roberts Oldsmobile-powered dragster outran Harold (Pudge) Knipps in the Wheelers' A competition Zombi in the final elimination run of the meet.

A near-record crowd of drag fans turned out to see stellar performances by several sleek machines in the benefit event sponsored by Southern Oregon Timing association. Local merchants donated special prizes for winners. Elk Trophy company, Fullerton, Calif., presented SOTA with trophies for all class winners.

Proceeds of the meet will go to a Roseburg relief agency.

126.76 Miles Per Hour

Black also had top speed honors with 126.76 miles per hour. He raced through the timing lights several times at speeds in excess of 120 mph.

Zombi, after experiencing its usual transmission troubles, performed very well and, before the day ended, Knipps recorded a top speed of 113.20 mph, equal to the strip mark the machine set last September. The Buick powered Ford coupe, dubbed Zombi, is sponsored by Medford's 21 club.

One of the meets most exciting races was between two cars in the B altered class. Phil Miles, Medford, driving a Chrysler powered 34 Ford was pitted against Chuck Gilchrist, Medford, and his 32 Ford powered by a Chrysler. After being recalled twice by the flagman they raced off the line in an even start and Miles pulled two lengths ahead of Gilchrist in the first

Field Goals Thumped By Morris

Redlands, Calif. — Coach Sid Gillman of the Los Angeles Rams today expressed satisfaction of the football team following its easy 34-21 victory Saturday night over the Chicago Cardinals.

The Rams rolled to a 14-7 halftime lead against the Cardinals with second string quarterback Frank Ryan calling the signals.

Gillman was reluctant to single any one player out for praise but of Ryan he said: "He is a National Football league quarterback. He's a real fine understudy to Bill Wade." Wade went in for the second half and led the offense up and down the field nearly at will.

The Rams presently are carrying 44 players. Under league rules they must be down to 42 players by Sept. 8 and down to 35, the maximum, by Sept. 22.

15 & 26-Yard Boots

The Rams chalked up their first touchdown Saturday night in the Coliseum on a one-yard plunge by Ryan in the first quarter, then collected their other scores on: Two field goals by Jack Morris for 26 and 15 yards, a two-yard plunge by Joe Marconi to climax an 87-yard drive, a nine-yard left end sweep by Jon Arnett, and an 8-yard pass from Wade to Jim Phillips.

The Cards scored on a right end sweep by John Crowe, a 47-yard pass from reserve quarterback Hunter Enis to Sonny Randle, and a one-yard plunge by quarterback King Hill.

Portland Woman Reports Assault

Portland — A 47-year-old woman told police she was attacked several times early today by three men who took her on a 3½ hour ride.

The woman said she met the men at a north end cafe and agreed to ride with them to another cafe. Later, she said, she was left at her house from where she called police.

WALKER RESIGNS

Toronto — Dixie Walker resigned as manager of the last-place Toronto Maple Leafs of the International League Sunday night, claiming "it's the worst year I've had as a manager, coach or player." General Manager R. Schaeffer said Coach Lou Kahn would take over the field manager's job for the balance of the season.

Joe Francis Guides GB To Victory

Portland — The Green Bay Packers rolled up 24 points in the second period Saturday night and handed the Philadelphia Eagles a 45-28 defeat in a professional exhibition football game before 24,456 fans in Multnomah stadium.

Six different Green Bay players scored touchdowns, all on the ground. Paul Hornung had a field goal and six extra points in addition to one of the TD's.

Three of Philadelphia's four touchdowns came on passes by Norm Van Brocklin. Flashy halfback Tommy McDonald caught two of them. Francis Sharp

Joe Francis, former Oregon State star, guided Green Bay to four of its touchdowns from the quarterback slot.

Hornung ran 10 yards for the first Green Bay score. The other Packer touchdowns came on a two-yard run by Lew Carpenter, four-yard runs by Don McMillen and Jim Taylor, a one-yard plunge by Howie Ferguson and a 30-yard pass interception by Bobby Freeman.

Freeman also intercepted a pass which led to McMillen's score.

Van Brocklin's third touchdown pass of the evening went seven yards to Walt Kowalczyk. The other Eagle score was a two-yard plunge by Clarence Peaks.

Philadelphia led only once, 14-7, early in the second quarter. Green Bay promptly went 80 yards in 11 plays to tie the score at 14-14. Hornung's field goal put the Packers ahead to stay.

Van Brocklin completed 24 out of 40 passes for 378 yards and Francis hit 6 of 8 attempts for 167 yards. McDonald caught 11 of Van Brocklin's passes for 193 yards.

The Packers announced Saturday that Gary Rad, former Willamette tackle, had been released.

50 Ducks Expected At Practice

Eugene — Fifty candidates for positions on the 1959 University of Oregon football team were expected to be on hand today as Coach Len Casanova begins his ninth season at Oregon.

Sixteen lettermen headed by all-coast center Bob Peterson and all-coast halfback Willie West will be among the 50 gridders as the Ducks begin drills for their opening game on Sept. 19 at Palo Alto against Stanford.

Two 1958 lettermen who were counted on for the 1959 season will not turn out this season.

Quarterback Sandy Fraser has told Coach Casanova that he plans to skip football for work this year, but plans to return for the 1960 season. Halfback Herm McKinney will miss this season due to scholastic reasons.

Packers Lick Biggest Trouble

United Press International — When the Green Bay Packers went to training camp, new Coach Vince Lombardi claimed his biggest problem would be to conquer the "attitude of defeatism I know is here."

However, one look at the Packers this summer would indicate Lombardi has licked the problem and is ready to pull a couple of surprises once the season gets underway Sept. 27.

Win Second Straight

With six different players sharing in the scoring, the revitalized Packers rolled to their second straight victory

in three exhibition starts Saturday night by whipping the Philadelphia Eagles, 45-28.

The Forty Niners, led by veteran quarterback Y. A. Tittle and rookie Tommy Davis, handed the Cleveland Browns their third consecutive defeat, 17-14; the Los Angeles Rams stopped the Chicago Cardinals, 34-21; the Giants shutout the Detroit Lions, 38-0; the Bears crushed the Pittsburgh Steelers, 54-17, and the Baltimore Colts downed the Washington Redskins, 23-10, in other week end action.

Portlander Hurt By Large Crane

Portland — Wayne Chamberlain, 56, a construction worker, was injured seriously today in an accident at the Exposition-Recreation center here.

Chamberlain suffered a pelvic injury when he was crushed in a crane accident. Co-workers said he had just finished repairing the motor of a 20-ton crane and was standing on a platform behind the cab when the crane housing swung around, crushing him in a small space.

GETS TITLE BACK

Philadelphia — Karen Hantze, top-seeded contender from San Diego, became the first girl to ever regain the U.S. Girls Lawn Tennis championship when she turned back second-seeded Nancy Richey, San Angelo, Tex., 8-6, 6-1, Sunday.

U.S. WHIPS AUSSIES

The Hague, Holland — Tony Trabert of Cincinnati and Pancho Segura of Los Angeles scored victories Sunday over Australia opponents in Jack Kramer's professional tennis tournament here. Trabert beat Lew Hoad, 6-2, 6-4, and Segura downed Ashley Cooper, 6-3, 6-1.

Rain, Dust Cause Power Outages

Portland — Rain falling on power transmission lines which had collected dust during prolonged dry weather resulted in numerous power outages here today, power company officials reported.

Both Pacific Power & Light and Portland General Electric Company reported pole fires caused by short circuits.

The outages were most serious in a southwest section and in the north part of the city. A PP&L spokesman said the longest outage was about 16 minutes. It was estimated

some 2,000 homes and businesses were without power for varying periods.
