ing play is complete on Wednesday, the number paired for matches is expected to exceed easily the previous record 326 of 1957.

Men's, senior men's and women's titles will be at stake. Respective defenders, all scheduled to take part, are Lynn Creason, Las Vegas, Nev.; Marvin Clark, Grants Pass, and Sue DeVoe, Medford. Creason claimed the 1958 men's titular trophy after being runner-up in 1956 and 1957. Clark has won both of the past senior division tournaments. Miss DeVoe took the ladies' championship hard-ware in 1954 as well as last year.

Among them was Bob Prall, Salem, who dropped an extra hole play-off Sunday at Klamath Falls to Tom Liljeholm for the Oregon Golf association on medal play today. Both had 54 holes each of 212 at Klamath Falls. Liljeholm, of Portland State college, sank a 35-foot putt for a birdie on the extra hole while Prall couldn't put in a 20-footer on his try for a bird.

Prall reportedly had a 76 here yesterday while Ron Mitchell, Chico, Calif., fired a one under par 71.

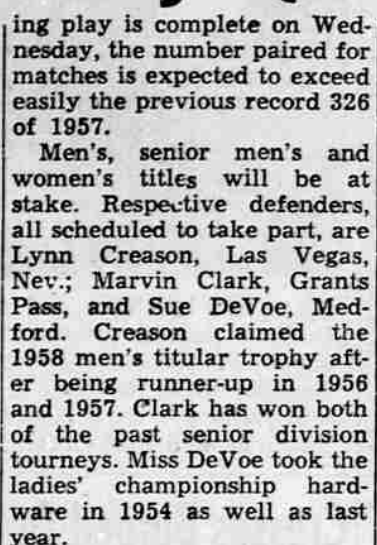

Ron Caperna, Rogue Valley professional, said that tees for qualifying are set medium, and not way back, for both today's and Wednesday's qualifying and that pins for the two days are being placed more in the middle and easier parts of the greens.

Archery Hunt Seasons Start September 5th

Portland archery enthusiasts throughout the state will start shooting arrows at big game animals Sept. 5 with the opening of eight hunting with bow and arrow.

These include the Baker, Starkey, Keating, Wasco, and Deschutes units and Mt. Emily, Canyon creek, and Keno areas. The season will extend through Sept. 27 in all the above archery areas except Canyon creek where the season will be through Oct. 25.

The Keno area is established for deer hunting only. In all the other areas mentioned archers have the privilege of trying for both deer and elk.

Archers have the opportunity of expanding their operations with the opening of the Hart mountain area on Sept. 12 through 20 and the Malheur refuge on Sept. 19 and 20. Late season hunts for archers include the McDonald forest area, Oct. 3 and 4; the Lost creek area, Oct. 3 through 16, and the Rogue river area, Dec. 5 through 20.

All areas are open to hunting with long bow and broad-head arrows only. For deer hunting the bow requirement is not less than 40 pounds pull at the normal draw and arrow length of the hunter or one that is capable of casting an arrow at least 150 yards at the normal draw length. For elk the bow requirement is not less than 50 pounds pull at the normal draw and arrow length of the hunter.

All arrows must be at least one ounce for deer and not less than 500 grains for elk. Arrows must be not less than seven-eighths inch wide and sharp.

Hunt Permits Still Available In Many Units
Portland - The game commission has reminded hunters that permits are still available in many game management units for hunting either-sex deer and tags available in three of the controlled deer hunts.

Permit quotas have been reached in 21 units and hunters are asked not to apply for these filled areas. The filled units include Applegate, Butte Falls, Clatsop, Deschutes, Fort Rock, Green Springs, Grizzly, Heppner, Klamath, Maupin, Maury, Metolious, Ochoco, Paulina, Sherman, Silver Lake, Trask, Ukiah, Umattilla, Wasco, and Wilson. The Umattilla was the most recent unit to fill.

Controlled season deer tags are still available in the Cedar creek area of Tillamook county and in the Wallowa pack and Snake River pack areas of Wallowa county. A \$5 fee must accompany all applications for the controlled tags.

Hunters are advised that they are eligible to apply for one unit deer permit and one controlled deer tag for use during the coming seasons. The unit permit allows the hunter to take an animal of either sex on his regular deer tag during the time and place specified on the permit; the \$5.00 tag allows the hunter to take an additional deer during the time and place specified on the controlled season tag.

All permits or tags are being issued by the game commission on a first come, first served basis.

Johansson Sets Movie Debut

Hollywood - (UPI) - World heavyweight champion Ingemar Johansson makes his screen debut in a Korean war drama that stars Alan Ladd, Sidney Poitier, Mort Sahl and James Darren.

Why is he taking time out of his boxing career for the movie? "The pay appealed to me," the ruggedly handsome Swede said at his home in Goteborg. "The contract will be signed one of these days but it is already clear that I will go to Hollywood."

Columbia pictures confirmed that it asked Johansson to appear in "All the Young Men" but said no contracts have been signed yet. Just how much pay Ingemar will get is not known now.

U of O, OSC Set Practice
United Press International
Football practice gets under way in earnest today at Oregon's two big "independent" schools - Oregon and Oregon State.

Forty-nine Webfoots and 53 Beavers reported to coaches Len Casanova and Tommy Prothro Monday for uniforms and pictures. But with the preliminaries out of the way both coaches planned two-per-day drills with opening games less than three weeks away.

Oregon's opening game will be at Palo Alto Sept. 19 against Stanford. OSC opens in Portland on the same date against Southern California.

Paul Culbertson Has Perfect 75
Paul Culbertson broke 75 straight jack birds and George Jantzer 50 straight Sunday in 16-year tramping at Medford Gun club. Earl Hvall, Don Petersen, Martin Clogston and Gene Hunt each shattered 25 of 25.

Perfect 25s also were recorded by Ray Coleman and Charles Bendell in handicap firing.

Fifty shooters blazed away at Sunday. No shooting is planned for Sunday, Sept. 6, at the club because of the opening of dove and pigeon season.

Seattle - (UPI) - A University of Washington football player, Brian Stapp, 20, of Chehalis, died early this morning after suffering a broken neck Sunday in Lake Washington.

Phoenix, Ariz. Wins 10-4 Over Roseburg in Semifinal

Bend - (UPI) - Phoenix, Ariz., scored seven runs in the fifth inning to post a 10-4 come-from-behind win over Roseburg, Ore., here Monday night in the semi-final round of the Western Sectional American Legion Junior baseball tournament.

Phoenix will play Las Cruces, N. M., tonight for berth in the National American Legion tournament in Hastings, Neb., Sept. 6-10.

Showing a marked change over the opening night game with Roseburg last Friday, two Phoenix pitchers struck out 18 Roseburg batters. In the tourney opener, they gave up 16 walks to the Roseburg club.

Phoenix grabbed a 3-0 lead in the first when a pair of overthrows on pickoff attempts let in all three runs.

Roseburg starting pitcher John Livingston, with the bases loaded, threw the ball into centerfield on an attempted pickoff at second base, allowing one run to tally. Then trying to pick Bob Valenzuela off third base, Livingston again threw wild, letting in two more runs.

Roseburg pulled into the lead with a four-run fourth inning. Phoenix pitcher Bob Gordon walked the lead-off hitter, Gene Wagner after striking out eight of the first 10 men to face him. After Gordon fanned the next batter, Roseburg found the range.

Les Bogner single and was followed by a run-producing single by Jim Booth. Bogner scored on an overthrow by the Phoenix left-fielder on walk. George Spees singled to score Booth. The final runs tallied when Gordon threw wild to first on an easy ground ball. Then relief pitcher Doug Westley came on and fanned the next two hitters.

Gordon struck out 10 and Westley fanned eight for the Arizona club.

Phoenix sewed up the contest in the fifth with seven runs.

Four singles, a double, three walks and two Roseburg errors were mixed to get the seven tallies.

Las Cruces, Phoenix's foe tonight, boasts a roster of only 11 players - and two of them are on the ailing list with a twisted ankle and a twisted knee, respectively.

Forty-Niner Coach Denies Trade Talk

United Press International
San Francisco Forty-Niners Coach Red Hickey vehemently denied reports today that defensive back Dick Moegle, a second team all-league selection last season, was on the trading block.

"We have planned no trades and are planning no trades," Hickey said, in reply to the reports concerning Moegle. Hickey pointed out that Moegle was a key player who could be used on either the defensive or offensive units. Moegle has played well as an offensive back, a position he was switched to after rookies Ed Dove and Dave Baker took over his defensive duties.

"Moegle just wants to play football," the coach said when asked if the former Rice star had asked to play more on offense. "He'll play anywhere we can use him," Hickey added.

Meanwhile, the Green Bay Packers, the surprise team of the National Football league exhibition season, looked forward to the arrival of defensive halfback Bobby Dillon, who has changed his mind again about retiring.

Dillon notified the club of his retirement plans before the training period got underway, but apparently has had a change of heart. He is expected to join the Packers in Green Bay today.

Owner-coach George Halas of the Chicago Bears, ever a pessimist, said he expected big trouble from the Washington Redskins, the Bears' next exhibition opponents, Saturday at Jacksonville, Fla.

Halas pointed to the fact that the Redskins gained 500 yards against the Los Angeles Rams whom they beat 23-21 a

week ago. The Bears picked up 332 yards en route to a 54-17 victory over the Pittsburgh Steelers last Saturday.

The Bears came out of that game with one casualty. Defensive back Vic Zucco, a three-year veteran, suffered a cracked collar bone and will be out for about four weeks.

The Detroit Lions released five players, four of them rookies to get their roster down to 42.

Cut were center John Allen, who was acquired in a deal with the Redskins, and rookies Ron Koes of North Carolina, Dan Chamberlain of Sacramento State, Art Brandriff of VMI, and Phil Blazer of North Carolina.

Chin Up Antique Displays Set Up

Displays were put in place this morning for the Chin Up club's antique show and sale, which opens Wednesday noon at the Medford Armory.

Doors will be open until 9 p.m. Wednesday and from noon to 9 p.m. Thursday.

Dealers from Washington, Oregon and California set up their array of antiques and club officials promised that beginning and advanced collectors, as well as those "who like to look at pretty things" will find the show to their liking.

A small admission charge will be made with profit being used by the club to purchase hospital equipment for loan, without charge, to temporarily disabled persons.

Moore's Patio and Toy shop will have a display of patio furniture, it was stated.
