

Giants Increase Margin With Win Over St. Louis

By United Press International
Willie Mays, Eddie Bressoud and Willie McCovey found the home run Saturday to give the San Francisco Giants a 3-2 victory over the St. Louis Cardinals and increase their National league lead to 2½ games.

McCovey's homer was the clincher. It came in the sixth inning and broke a 2-2 tie. Mays hit his 26th of the sea-

son in the first inning and Bressoud his eighth in the second. McCovey's homer was his 11th.

Southpaw Johnny Antonelli went the route for the Giants and picked up his 19th victory. He gave up nine hits, including Hal Smith's 11th homer. Wilmer Mizell suffered his ninth loss.

Joe Cunningham tripled in the third for the Cards, marking the 23rd game in a row

he has hit safely, and McCovey's homer brought his hitting streak to 18 straight games.

Checks Braves
Jay Hook checked the Milwaukee Braves on four hits while pitching the Cincinnati Reds to a 5-1 victory. Two of the four hits, Bill Bruton's triple and Ed Mathews' single, came in the fourth inning when the Braves scored their only run.

The Reds scored their first run in the second inning and routed Bob Rush with a four-run burst in the third. Ed Bailey's two-run single was the big blow during the rally.

Pittsburgh came from behind three times to lick Philadelphia, 7-6, and snap a three-game losing streak. Bob Skinner singled home the winning run in the ninth. Dick Stuart hit his 23rd homer in the sixth. Reliever Bob Porterfield was the winner and Dick Farrell the loser.

Los Angeles and Chicago were idle.

U.S. Swim Team Get Record Wins In Pan Am Event

Chicago (UPI) — A blonde 15-year-old from Saratoga, Calif., led the United States to another series of sweeping triumphs in the third Pan American games Saturday night.

After Chris Von Saltza anchored the U.S. team to a record-setting triumph in the 400-meter free style relay, the boys and girls of Uncle Sam were filling up gold medals at an unprecedented rate.

Chris, a 5 foot 10 inch, 138-pound mermald, splashed to her third gold medal of the games and after her and her teammates' triumph, the U.S. gold medals were piling up on a dime-a-dozen basis.

The women's basketball team defeated Chile 66-41 to win the Pan American competition in that sport; the water polo team beat Argentina 5-3 to clinch the title; and in wrestling, the U.S. was making a farce of the event.

Of the first three wrestling titles Saturday night, the U.S. won all just as they won the first three that were decided Friday night. In men's gymnastics, the U.S. won eight gold medals in seven events—because in one of them, two U.S. competitors tied for first place.

There wasn't much competition for the star spangled crew in other events either. The U.S. won the men's team sabre title, and were adding gold medals on a pace of about one every 15 minutes.

It had won 20 of 26 decided today and looked like it was going to win a lot more.

The one-sided win, the 15th in as many swimming events for the U.S., highlighted another big day for the Uncle Sam's team in the games. It gave the U.S. 12 of the 16 gold medals settled so far Saturday and an overall total of 86 out of 118. Already the U.S. has moved ahead of its 1955 Pan American games record, when it won 77 gold medals at Mexico City.

Score 11 Sweeps
The swimmers scored their 11 sweeps of 13 individual events when 14-year-old Ann Warner, 14, of Park, Calif., broke her own record to win the 200 meter backstroke in 2:56.8, nosing out Patty Kempner, Beverly Hills, Calif., and Anne Bancroft, Berkeley, Calif.

The U.S. won six gold medals in five gymnastic events. Jamie Ashmore, Highland Falls, N.Y., and Able Grossfield, Brooklyn, N.Y., tied in still rings and each was awarded the top prize. In the other four Ron Munn, Amarillo, Tex., won the trampoline, Grossfield the callisthenics, John Beckner, Hollywood, Calif., the long horse, and Garvin Smith, Los Angeles, the rope climb. Two women's gymnastics gold medals went to Ernestine Russell of Canada.

The U.S. water polo team defeated Argentina, the winner in both previous Pan American games, to clinch the championship with one game still to play. But the baseball team, after beating Mexico, 7-6, to get into the championship round, lost to Venezuela, 3-2, in its first title contest.

Argentina won another team championship, in soccer, even though it was tied by Brazil, 1-1. The result gave the Argentines 11 points, more than any other team can attain.

Chicago (UPI) — Chris Von Saltza, a 15-year-old swimming sensation from Saratoga, Calif., splashed to her third Pan American gold medal Saturday with a whipping anchor leg on a record setting United States women's 400 meter freestyle relay mark.

Swimming with Holly Botkin, Sherman Oaks, Calif., Joan Spillane, Houston, Tex., and Shirley Stobs, Miami, Fla., Miss Von Saltza was nearly 20 meters in front when she touched the finish wall. Their time was 4:17.5 compared to the previous record of 4:31.8, and it was only four-tenths of a second off the world mark.

Miss Von Saltza, who has a chance at two more gold medals, in another relay event and in the 400 meter freestyle, earlier won both the 100 and 200 meter freestyle championships.

Final preparations are being made this week for the Oregon Centennial Gas Championship drag races set for Sept. 12-13 at Medford.

Sponsored by Southern Oregon Timing association, this two day meet is expected to draw some 200 of the finest drag racing machines on the west coast.

Last year some 175 contestants and thousands of spectators saw the late Jay Cheatham set a new strip record of 144.46 miles per hour, a mark that still stands.

Dragster pilots this year will try to break this mark and win a \$200 savings bond posted by SOTA.

Two San Francisco Bay area contestants indicated they will attempt to push the strip record past the 150 mph mark.

Oakland, California's Paul Sutherland will drive a super-

charged Chrysler — powered dragster that has sped up to 168 mph on special fuel and 154 on gasoline. Sutherland established a new strip record of 154 mph at Redding, Calif., last month.

Another outstanding early entry is Bob Hanson from Walnut Creek, Calif. Hanson's sleek acceleration machine is a 1927 model "T" roadster powered by a fuel-injected Chrysler engine and has sped over 140 mph on California drag strips.

Nearly \$2,000 in bonds, trophies and awards will be presented to the winners. Overall top eliminator of both days activities will take home a four foot custom built trophy plus a \$50 savings bond. All class trophies range from 17 to 26 inches in height.

Action starts Saturday afternoon, Sept. 12th and continues all day Sunday. Eliminations will be run-off Sunday afternoon.

The races will be held on the SOTA drag strip, located in west Camp White, 7 miles north of Medford off the Crater Lake highway.

Cubs' Head Picks Giants For Pennant

San Francisco (UPI)—Manager Bill Rigney, with a little help, accomplished a feat Friday night that some of his San Francisco Giant relief pitchers haven't mastered all season.

He put out a fire.

He, accompanied by Giant Vice President Chub Feeney, discovered a small trash fire under the right field stands at Seals Stadium just after the Giants' 2-1 loss to Chicago's Cubs.

A telephone call to the fire department brought eight pieces of fire fighting equipment to the scene—more than enough to extinguish the tiny blaze.

The fire presumably started when someone dropped a match from the stands during the game.

Giants Call Shortstop

San Francisco (UPI)—The San Francisco Giants have recalled shortstop Andre Rodgers and pitcher Marshall Renfro from their Phoenix farm club in the Pacific Coast league.

The Giants also called up five more of their optioned players, but they will not report until next season.

Rodgers, who spent the first half of the season with the parent club, and Renfro will join the Giants after the PCL season ends Sept. 13, team secretary Eddie Brannick said Friday.

Rodgers is batting .290 in 21 games with Phoenix, while Renfro has a 7-7 record.

The five who will report next year are catchers Roger McCardell and Al Stieglitz, and pitcher Joe Shipley of Phoenix; southpaw hurler John Fitzgerald of Corpus Christi in the Texas League, and outfielder Don Tausig of Chareston in the American association.

Mother of Three Swims 20 Miles

Revere, Mass.—(UPI)—A blonde mother of three conquered the chilly waters off Boston Saturday in a 20-mile swim from Hull to Revere in five minutes short of 13 hours.

About 10,000 cheered as pretty Diane Struble, of Lake George, N.Y., stepped from the ocean at Revere Beach. Diane finished the arduous swim officially at 4:03 p.m. (EDT) but did not actually walk ashore until 27 minutes later.

"I'm not tired at all, I'd like to swim back," the 26-year-old, five-foot three-inch athlete said, adding "but I'm hungry!"

Saturday's swim was shorter than two previous efforts. She swam 43 miles across Lake Champlain in 35½ hours and circled the Island of Manhattan in less than 12 hours.

Sen. Morse Hurls Barbs at Johnson For 'Dictatorship'

Washington (UPI) — Charges of "dictatorship" and a declaration of "parliamentary war" were hurled at Senate Democratic leader Lyndon B. Johnson of Texas Friday by Sen. Wayne Morse (D-Or.).

Morse, in an angry letter to Johnson, brought a feud between the pair out in the open. The two lawmakers have been critical of each other throughout most of the current Senate session.

"Your declaration of parliamentary war against me is accepted," said Morse. "I do not intend to yield to your dictatorship."

Morse said he had notified Senate majority secretary Robert C. Baker Thursday of a standing request for a quorum call before any request for a unanimous consent agreement on limiting debate on President Eisenhower's veto of a housing bill was put to a vote.

The Oregon senator said Johnson had obtained a unanimous agreement to limit debate to one hour on the vetoed bill while Morse was out of the Senate chambers on "an emergency matter."

Morse charged that Johnson did not issue a quorum call before the vote to limit debate.

Morse said Johnson told him, in a flare of temper after the vote that Morse would have to be on the floor to protect his parliamentary rights, and that Johnson would protect his own rights.

Big Jim Lemon Ties Records Slams 28th Homer, 6 Runs

By United Press International
Big Jim Lemon, the least publicized member of Washington's "dime store murderers' row," tied a pair of modern major league records Saturday when he slammed two homers in the same inning and drove in six runs in a 14-2 victory over Boston.

Lemon, who has teamed up with Harmon Killebrew and Bob Allison this season to form the Senators' version of murderer's row, drove in a total of seven runs during the game but he did his heaviest slugging during the third inning when Washington scored 10 runs.

His first homer in the third came off loser Bill Monbouquette with one on and his second was a grand slam wallop off reliever Earl Wilson. That gave Lemon a total of 28 homers this season and tied him with 13 major leaguers who previously hit two homers in one inning. It also tied him with six other modern major leaguers who drove in six runs during a single inning.

Roy Sievers hit his 19th homer for the Senators as Camilo Pascual breezed to his 14th victory with a five-hit effort. Jackie Jensen hit his 27th homer for the Red Sox.

Schrunk Attacks Vandalism in Parks

Portland (UPI) — Mayor Terry Schrunk Saturday warned that continued vandalism in Portland public parks may bring about a closure of some facilities.

The mayor asked the co-operation of police and public in cracking down on acts of vandalism which he described as "malicious and disgusting."

Schrunk said he would urge prosecution of adults under a new statute which holds parents responsible for acts of willful damage by their minor children.

Harry Buckley, city parks superintendent, said vandalism has been costing the city about \$20,000 a year.

The nation's first alternating current power system went into operation on March 29, 1886, when William Stanley, a Westinghouse engineer, closed a switch that lighted up the main street of Barrington, Mass.

er expenses, spokesmen said. Only those children who will be 5 years old by Nov. 15 will be accepted. Enrollment has been limited to 18. However, some vacancies are still available in the classes. Mrs. Stewart said.

8,000 to Gather For Gem Session

Portland (UPI) — Representatives of 475 mineralogical clubs were registering here Saturday for the annual national convention of the American Mineralogical societies. About 8,000 delegates were expected.

A national gem fair, open to the public, was included in the three-day meeting.

All general sessions of the meeting were at the auditorium here except for the annual banquet last night in the Multnomah Hotel.

New Newspaper Planned in Idaho

Caldwell, Idaho (UPI) — Dennis C. Smith, 23, former advertising manager for the Baker Democrat Herald, has announced creation of a new newspaper in Caldwell, Idaho.

The newspaper, the Weekly Progress Bulletin, is scheduled to come off the presses Sept. 23.

Smith said he has acquired a sight-unseen paid circulation of 1,700 and hopes to raise it to 3,000 before the first issue. Smith is a native of Ontario, Ore.

U.S. Net Man Smashes Way Into Second Match Round

By OSCAR FRALEY
United Press International
Forest Hills, N.Y. (UPI)—Big Berry MacKay of Dayton, O., Uncle Sam's top hope to cope with favored foreign challengers from South America, Australia and India, smashed his way into the second round of the U.S. tennis championships Saturday on the strength of his sizzling service.

MacKay, the 24-year-old "goat" of America's losing Davis cup effort, had his game at peak form as he rolled over Gerald Alayne, powerful Negro slugger from Brooklyn, N.Y., 6-2, 6-2, 6-2. Meanwhile, Neale Fraser, his Australian conqueror in the final Davis cup match, was "still out on a boat at Atlantic City fishing" but hooked his first round victory.

Fraser, seeded second to Peru's Alex Olmedo, thus summed up his post-Davis cup holiday, his "lazy" unwillingness to go back to work, and the general tempo at famed Forest Hills as seeded stars proceeded with only minor difficulties through first round matches played in 83-degree heat.

Drops First Set
Fraser dropped his first set against Ed Neely of Atlanta but then stepped up the pace of his game to flatten the 19-year-old Georgia Tech senior, 5-7, 7-5, 6-1, 6-2 and lead fifth-seeded Ramanathan Krishnan of India and veteran Gardner Mulloy into the second round.

Another veteran, 36-year-old Vic Seixas of Philadelphia, a former Davis cupper and the 1955 champion who now plays "only vacation tennis," also progressed into the second round with a 7-5, 6-3, 6-4 win over Allen Fox of Los Angeles.

Fraser, seeded second to Peru's Alex Olmedo, thus summed up his post-Davis cup holiday, his "lazy" unwillingness to go back to work, and the general tempo at famed Forest Hills as seeded stars proceeded with only minor difficulties through first round matches played in 83-degree heat.

Drops First Set
Fraser dropped his first set against Ed Neely of Atlanta but then stepped up the pace of his game to flatten the 19-year-old Georgia Tech senior, 5-7, 7-5, 6-1, 6-2 and lead fifth-seeded Ramanathan Krishnan of India and veteran Gardner Mulloy into the second round.

Another veteran, 36-year-old Vic Seixas of Philadelphia, a former Davis cupper and the 1955 champion who now plays "only vacation tennis," also progressed into the second round with a 7-5, 6-3, 6-4 win over Allen Fox of Los Angeles.

Forest Hills, N.Y. (UPI)—Big Berry MacKay of Dayton, O., Uncle Sam's top hope to cope with favored foreign challengers from South America, Australia and India, smashed his way into the second round of the U.S. tennis championships Saturday on the strength of his sizzling service.

MacKay, the 24-year-old "goat" of America's losing Davis cup effort, had his game at peak form as he rolled over Gerald Alayne, powerful Negro slugger from Brooklyn, N.Y., 6-2, 6-2, 6-2. Meanwhile, Neale Fraser, his Australian conqueror in the final Davis cup match, was "still out on a boat at Atlantic City fishing" but hooked his first round victory.

Fraser, seeded second to Peru's Alex Olmedo, thus summed up his post-Davis cup holiday, his "lazy" unwillingness to go back to work, and the general tempo at famed Forest Hills as seeded stars proceeded with only minor difficulties through first round matches played in 83-degree heat.
