### Calendar Sale To Earn Money For Clothing Pool

A social and appointment calendar for 1959-1960 will be made available by Medford Junior Women's club on October 1. Mrs. John L. Holmes, chairman, has announced.

Designed to be placed convenient to the telephone, each page will have events of special interest noted on the date. These will include sports, concerts, school activities, city council, annual club events, conventions and Shakespearean Festival plays and events.

The back pages list a complete directory of organizations. The calendar runs from October to October to coincide with the winter activities.

First published last year, the calendar is a civic and philanthropic endeavor of the group. Proceeds have been designated again toward a fund for use in connection with the clothing pool set up

in the Medford elementary school system by the members last year. With the cooperation of the school principals, used clothing has been gathered and a room at Lincoln school has become the "closet."

Club members sort, clean, and renovate the garments which are then available to the school nurses for distribution where needed. The fund makes cash available for the purchase of shoes, underclothing and other items in short supply.

Mrs. Gene Chamberlain is in charge of sales. Persons or groups interested in reserving copies of the calendar may call SPring 3-4277.

Local business firms are supporting the project by placing advertising on calendar pages. Mrs. Robert Billingsley has been advertising representative.

Mrs. L. E. McConnell has headed the calling committee. Mrs. James Grigsby is in charge of publishing arrangements.
