

# Fund Raising Drive For Scouts Gets Under Way in Area

The 1960 local fund raising campaign of the Crater Lake Council, Boy Scouts of America, was launched Sept. 10 with local meetings held in each participating community. Council President J. A. McDougall has announced.

Funds obtained by more than 1,000 volunteers will make possible the continuation and expansion of the scouting program, he noted.

Spearheading the drive conducted within Jackson county outside the area covered by the United Fund, is R. A. Naumes, Medford, who will serve as chairman. Working with him in charge of their local communities are C. J. Malloy, Butte Falls; Robert Force, Gold Hill; David Harrison, Eagle Point; and Mel Rochester, Prospect.

**Receives Charter**  
McDougall stated that the Crater Lake Council receives its charter each year from the National Council of Boy Scouts and that area leaders determine what budget is required for the coming year. The same volunteers, he added, have the responsibility of carrying out the local finance campaign.

The Crater Lake Council is headquartered at 500 East Main st., Medford, under the direction of Scout Executive

J. W. Compton, and directs scouting programs for Josephine, Jackson and Siskiyou counties. Within the council are 4,000 boys enrolled as active members and 1,500 volunteer leaders.

The need for funds has been intensified with the addition

of the new Exploring program, open to all boys of high school age. McDougall pointed out. Participating in this program, which includes personal fitness, social, vocational exploration, outdoor activities, citizenship, and service experiences, are 300 boys in 27 units

within the council. Each post adopts a specialty which it carries out with the assistance of experts and the use of whatever equipment is needed.

**Cub Scout Division**  
The Cub Scout division of the council includes 2,000 members who take part in 85 packs, carrying out a home-centered program open to boys 8 through 10 years old.

A total of 74 troops with 1,550 Boy Scouts 11 years and older have a program emphasizing outdoor skills and activities and personal growth.

Naumes pointed out that Boy Scouts learn democracy by electing their own leaders and planning patrol and troop programs, and that energies are channeled into such constructive activities as camping, hiking, and learning such useful skills and woodcraft and first aid under a program designed to develop good citizens.

**NO DEMONSTRATION**  
Little Rock, Ark.—UPI—Gov. Orval Faubus has asked Arkansas residents not to demonstrate against evangelist Billy Graham if they happen to disagree with him on racial issues. Graham is scheduled to preach in a football stadium Saturday and Sunday nights here.
