

WHAT'S THE SECRET INGREDIENT IN GREAT SPAGHETTI?

It's you! When you add the tomato paste, you get oceans of sauce. When you add the meat, you get fresh, meat flavor. (No out-of-can spaghetti sauce compares!)

All anyone else should prepare for you is what Kraft brings you in Kraft Spaghetti Dinner: fragrant herbs and spices, grated parmesan cheese, and thin, thin spaghetti.

Take 15 minutes a day, and by 6:00 you get 4 good things. And you can tell by the heavenly smell, this is real Italian-style spaghetti!
