*For the woman who wants a dryer that's fast...but gentle, too*

### **NEW MAYTAG HALO-OF-HEAT® DRYER...**

This new kind of dryer surrounds clothes with a gentle circle of low-temperature heat. This exclusive principle eliminates the "hot spot" heat that makes clothes feel harsh to the touch.

Yet it's fast—dries even diapers in 26 to 35 minutes. And, after a 3-minute air-fluffing, they come out wonderfully soft and comfortably cool. Sweet and clean too, because the air inside is changed

every 2 seconds, filtered free of dust and dirt.

The new Maytag Halo-of-Heat Dryer also gives you a special "Wash 'n Wear" setting that removes wrinkles from modern fabrics. A Time Chime tells you when they're dried just right. An Automatic Sprinkler dampens clothes evenly for easy ironing. Gas or Electric. You can't own a more service-free dryer than a Maytag.
