Construction of Curbs, Paving Accepted by Medford Council

The Medford city council last night accepted the construction by Buttress and McClellan of concrete curbs, gutters and about an eight-foot paved strip along the west property line on Biddle rd. from Jackson st. to the north property line.

Also accepted was the sanitary sewer along Eastover Terrace and Hillcrest rd., and paving and the sanitary sewer on Carrington ave. A right-of-way agreement for the storm sewer draining the street has been approved by City Attorney Joel Reeder.

Assessment of the sanitary sewer for Eastover Terrace and Hillcrest rd. was approved. Total project cost is \$13,052.12. Assessment per lot will be \$1,186.56. Property owners were notified that estimated cost would be \$1,077, Duff said.

The low bid on the project was 22.1 per cent above the engineer's estimate. Property owners were notified of the increased cost and the majority agreed the work should proceed on the basis of prices received.

Establishes Sewer Fund
The council also approved establishing South Springbrook rd. sanitary sewer fund No. 1. This will provide a method of paying warrants to the contractor now engaged in constructing the sewer.

Sale of a portion of a lot of Riverside ave. and north of

Jackson st., also was approved by the council. The Cedar Lodge motel offer of \$1,800 to the city for a quit claim deed is above the two appraisals secured by the city, Duff noted.

The state will negotiate with the new owners for a freeway easement through the property, Duff explained. A portion of the lot in the Bear creek channel has been kept by the city and will be

Neuberger Raps Ellsworth for Dunes Objection
Washington—(UPI)—Sen. Richard L. Neuberger (D-Ore.) took issue today with objections of former Republican Congressman Harris Ellsworth to creation of an Oregon Dunes National Seashore area.

Neuberger called the objections "fallacious." The Oregon Democrat said in a news release Ellsworth was quoted recently as stating that he was opposed to the park "not so much because of its bad effects on economy and taxes" but because taking over so much private property, including 250 homes, was "an infringement on human rights."

Neuberger said that park service policies provide for life-time residency rights. "Furthermore, I have announced my intention to embody in my proposal protection of homes in incorporated municipalities."

Neuberger noted that opposition was expressed in Congress in 1902 against legislation creating Crater Lake National Park. "Yet," he asked, "who in our entire state—or anywhere in America—would do away with Crater Lake National Park today?"

Benefit Shoots Set By Gun Club

Two benefit shoots to raise funds for the United Medford Crusade are being sponsored this Sunday and the following Sunday by the Medford Rifle and Pistol club.

The shoots will be held at the Camp White machine gun range at the end of Corey rd. off Crater Lake highway, from 9 a.m. to 5 p.m. both days.

Mechanical running deer, potluck, balloon and novelty shoots are planned. Deer hunters will find facilities for sighting-in their weapons. All shotguns and rifles—but no sidearms—may be used.

The Junior Rifle club will operate a sandwich, coffee and cold-drink concession. Several local sporting goods stores are providing prizes. Proceeds will go to the United Medford Crusade, although entry fees may be specially earmarked for the Ashland-Talent United Fund drive.
