

5 Arrested in Crackdown On Prizefight Corruption

Washington - (UPI) - Frankie Carbo, notorious underworld boss of boxing, and Truman K. Gibson Jr., the fight game's top promoter, are under FBI arrest today, along with three other boxing figures, in an unprecedented federal crackdown on prizefight corruption.

They are charged with trying to "muscle in" on the earnings and career of welterweight champion Don Jordan with threats of violence in the 10-count indictments against each.

Others arrested in the FBI roundup were Frank (Blinky) Palermo, well known Philadelphia boxing manager; Joseph Sica, a Los Angeles sports promoter, and Louis Tom Drana, described as a West Covina, Calif., bookmaker.

Co-Conspirator
In addition, William Daly, fight manager of Englewood, N. J., was named as a co-con-

spirator but not as a defendant. If the five indicted are found guilty they face long

Friends Seek D'Amato Return

New York - (UPI) - Certain friends of Cus D'Amato were urging the beleaguered fight manager today to return from Puerto Rico in time for next Tuesday's hearing before the New York State Athletic Commission.

Unless the pilot of former heavyweight champion Floyd Patterson does appear, his manager's license doubtlessly will be revoked.

D'Amato apparently is the last in the parade of witnesses for the hearing, which is investigating the strange promotion of the June 26 fight, wherein Sweden's Ingemar Johansson won the heavyweight crown from Patterson.

Baltimore Choice Over Lion Eleven

By EARL WRIGHT
United Press International
The Baltimore Colts, defending National Football league champions, are 9 1/2 point favorites to defeat the Detroit Lions Sunday when they begin defense of the Western division title in the Maryland city.

The New York Giants, defending Eastern Division champions, are three-point underdogs for their season opener with the Rams in the Los Angeles Coliseum Saturday night.

The Cleveland Browns also begin their campaign Saturday night. Coach Paul Brown's Cleveland Club, which has won Eastern honors seven times in nine seasons since entering the league, is a three-point choice to down the Steelers at Pittsburgh.

The Chicago Bears, Chicago Cardinals and San Francisco Forty-Niners are favored in Sunday's other openers. The Bears are favored over the Packers at Green Bay by 6 1/2 points. The Cardinals are favored over the Washington Redskins by four at Chicago. The Forty-Niners are two-point choices for their game with the Philadelphia Eagles at San Francisco.

Craig Will Go Against Cards

St. Louis - (UPI) - Walt Alston, manager of the second-place Los Angeles Dodgers, planned to use Roger Craig (9-5) tonight against the St. Louis Cardinals, following "one of those days."

"You run into days like this," Alston said after the Dodgers' 11-10 loss to the Cards Tuesday night.

"We just couldn't get them out. The St. Louis defense was tough and the field was not as soft as it was in San Francisco."

"Alex Grammas made three fine plays at short and Stan Musial a nice one at first."

The Dodgers stormed into first place in the National League after beating the Giants three games in a row. Today, they were one full game behind the defending champion Milwaukee Braves who Tuesday night trimmed Pittsburgh 5-3.
