4-H CLUB NEWS

Westside Rabbitteers
Our meeting was held at the home of Fern Kellow Sept. 26.

The meeting was called to order by President Joyce Josephson and we had the flag salute. We had roll call and all members were present and we answered with a short talk on their project and awards at the 4-H fair.

We discussed a party for Halloween and decided to have a bowling party Oct. 3. We discussed the idea of extending invitations to all our parents to attend one of our meetings.

We are expecting several new members to join the club soon.

We are going to try selling candy for a candy company to earn money to buy equipment for our members to use at the next 4-H fair.

The meeting was adjourned and refreshments were served by Karen Alldridge and Sandra Beasley.

The next meeting will be Oct. 17.

UNCLE SAM

NATURAL *Laxative* CEREAL

that we'll buy your 1st package!

Uncle Sam is a delicious, beneficial cereal for the whole family—just add cream and sugar—then eat. Its tasty whole grain flavor has made Uncle Sam a favorite in thousands of Midwest homes for over half a century.

End the need for those harsh, drug-type laxatives. Try this delicious, ready-to-eat cereal at our expense!

Uncle Sam Cereal is a delicious ready-to-eat cereal with gentle, harmless, natural laxative action. Its delightful whole grain flavor comes from a blend of toasted whole wheat flakes and toasted whole flaxseed.

For years, doctors have recognized that whole flaxseed tends to stimulate peristaltic action of the intestines (bowel action). Flaxseed serves as a lubricant and whole wheat flakes add important bulk, as well as rich vitamins and minerals.

Avoid Harsh Laxatives

Avoid harsh laxatives that may abuse your system and lead to the "laxative habit." Uncle Sam Cereal is a dietary food and is not habit forming. Eat Uncle Sam regularly to get the full benefit of its gentle, natural laxative action.

Thousands of people eat a serving of this delicious cereal daily, drink plenty of water, and thereby obtain the aid they need to keep regular.

Read what this user of Uncle Sam Laxative Cereal says in an unsolicited letter:

"For many years I had struggled with an aggravated case of constipation that required daily assistance for elimination. At the advice of a friend, in fact a doctor, I began using your product as sort of a last hope, and within two weeks seemed to be normal in every way and have had no trouble since." J. R. M., South Dakota.

MOTHERS! Active children are sometimes too busy at play to keep proper, regular elimination habits. By serving them Uncle Sam, the natural laxative cereal, you have "added insurance" that they can maintain regular habits. It can be as beneficial as serving your children fresh fruit every day. Uncle Sam Breakfast Cereal is a healthful food.

DIETING? If you are dieting and are irregular, due to lack of bulk in what you eat, Uncle Sam may help you—only 117 calories per average serving.
