

# Northwestern Edges Close To Louisiana State's Lead

New York—UPI—Northwestern, victor over Iowa in one of Saturday's top football games, cut Louisiana State's first-place margin to six points today in United Press International's major college ratings.

The wave of weekend upsets hit Army, Clemson, Notre Dame and Ohio State out of the top 10. Georgia Tech, Tennessee and Purdue moved into the select group. Louisiana State, rolling behind a defense which has allowed only three points in three games, received 23 first-place votes and a total of 317 points from the 35 coaches who rate the teams for UPI. Northwestern, runner-up for the second straight week, closed in on L.S.U. when it received six first-place votes and 311 points.

Southern California advanced from sixth to third and Texas moved from eighth to fourth. Georgia Tech advanced from 12th to fifth, Tennessee swept from 13th to sixth and Purdue moved from 19th to eighth. Mississippi was seventh. Wisconsin remained ninth and Iowa slipped from third to 10th.

Army, fourth last week, failed to receive a vote among the 24 schools mentioned on this week's ballots. Clemson, seventh last week, and Notre Dame and Ohio State, tied for 10th, suffered the same fate. Army lost to Illinois, 20-14; Clemson bowed to Georgia Tech, 16-6; Purdue whipped Notre Dame, 28-7, and Ohio State was shut out, 17-0, by Southern California last weekend.

Syracuse was 11th and Penn State 12th. South Carolina, Oklahoma, Auburn, Michigan State, Southern Methodist, Florida, Air Force Academy, Duke and Oregon rounded out the first 20 in that order. Arkansas, Texas Tech, Washington and Missouri were the other teams mentioned on the ballots.

## JV Romps To 27-7 Win

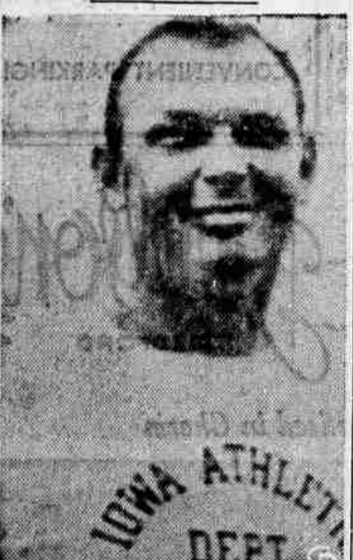

Medford Junior Varsity football team romped to a 27 to 7 victory over Grants Pass Junior Varsity team in a game Monday evening at Grants Pass.

Mike McCullough ran 60 yards for Medford's first TD in the first quarter for a lead of 6 points after the kick for the extra point failed. Bob Elynn's 55-yard pass connected with Grants Pass' Fritz Debo to score. The extra point attempt was good, putting Grants Pass ahead in the second quarter.

Sam Knutson ran 10 yards for Medford's second touchdown and McCullough ran the extra point for the halftime score of 13-7.

Following a scoreless third quarter, Medford's George Clearwater and Dan Coghill ran for the two additional touchdowns in the fourth with extra points run by McCullough and Ron Gandee.

Junior varsity teams also playing Monday evening were Ashland and Crater in Ashland. Ashland held Crater scoreless on the Ashland field with the home team scoring in the first, third and fourth quarters to win 20 to 0. Half time score was 6-0.

ANNOUNCING his resignation as Iowa football coach was Forest Evashevski. He may not leave until 1963.

## Jack Parr Plans To Give Up Television

Miami, Fla.—UPI—Television star Jack Parr said today he intends to quit television when his current contract with the National Broadcasting Co. expires.

"Show business just isn't something I feel I have to be in for the rest of my life," Parr, who is vacationing here, said.

The controversial comedian did not disclose what he intended to do after his retirement from the entertainment business but indicated the pressure of his five-night-a-week program was too much of a strain.

"I don't have the drive," he said. "I don't crave money that much."

## Two Mining Claims Reported Nullified

Two placer claims on the Little Applegate river have been officially nullified, the Jackson county recorder's office has been informed.

Listed in the name of Lester W. and Elvina Russell, they were known as the "India" and "May" claims.

News of the nullification was received in a letter from the bureau of land management, which is pursuing a long-range program of investigating mining claims.

## Undecided Vote Being Sought in British Campaign

London—UPI—Both major contenders in Britain's neck-and-neck campaign sought today to woo the undecided voters who will hold the balance of power in Thursday's parliamentary election.

A poll published by the liberal News Chronicle showed the Conservatives and Laborites tied, with 37.5 per cent each of the voters who have made up their minds.

The pollsters found that 20.5 per cent of the people they talked to don't know how they'll vote, a 2 per cent increase in a week.

The findings of other polls differed in detail—the Conservative Daily Express, for example, showed the Conservatives leading the Laborites 43 per cent to 40—but there was a general agreement that the number of undecided voters is increasing.

## Irish vs. Bears Featured Game; San Jose vs. Ducks

San Francisco—UPI—Samson and Goliath—both cut down to size—tangle in Berkeley on Saturday when California battles Notre Dame.

But for some strange reason, there has been no big run on tickets.

"We still have 15,000 tickets for sale," said a California spokesman. "The word seems to be out that it will be hard to get tickets. That isn't true. I just hope we sell out."

The Cal stadium will seat about 80,000—so there will be a fine crowd to see the two well-plastered teams. The Irish were pummeled by Purdue, 28-7, last week; and California has been whipped by Iowa, 42-12 and Texas, 33-0.

Irish at Top Strength

"But it still should be a fine ball game," Charlie Callahan, longtime Notre Dame spokesman, told the Northern California Football Writers' association. "We will be at full strength for the first time this year, with the return of quarterback George Izo and half-back Red Mack."

This wasn't exactly cheery news to head coach Pete Elliott of Cal—although he anticipated it.

"While you fellows come in at full strength, we may be down to our No. 3 quarterback," said Elliott. "Larry Parque and Wayne Crow have injuries and may not be at full strength for the game. I'm working all week with Pete Olson, who was our regular frosh quarterback last year."

Stanford travels north to take on the undefeated Huskies of Washington on Saturday and coach Jack Curtice of the Indians has his work cut out for him.

"We played good ball in beating College of Pacific," said Curtice, "but I'm worried about the powerful Washington defense and their strong passing."

San Jose State, an easy winner over Hawaii, takes on another unbeaten team from the northwest—Oregon. The Webfoots will be favored in this one.

"They use a half-dozen different offenses," says coach Bob Titchener, "so it will be rough to stop them."

College of Pacific and Washington State, both beaten in their last outing, clash at Stockton in a Saturday night game.

"Our big problem has been too many penalties," said Bill Tunnell of COP. "In two games we have been penalized 226 yards—and lost both times. Henry Wallace has turned out to be the fine runner we anticipated. Right closer to Dick Bass."

## Portland Man Gives Up To Police

Portland—UPI—A Portland man sought by police since last Thursday's gunshots wounding of a narcotics figure turned himself in at police headquarters here.

The man, Charles Edwin Redd, 47, was charged with assault with intent to kill and bond was set at \$5,000.

The shooting and beating victim, Ernest Duke Arnold, 37, Portland, remained in a Portland hospital. He is awaiting trial in San Francisco on an indictment linking him with a widespread dope ring.

## Nyssa Voters Pass Sewer Bond Proposal

Nyssa, Ore.—UPI—A \$178,000 sewer bond proposal received a 7-1 favorable vote from Nyssa residents in an election held Monday.

The final vote was 181 for and 25 against.

The funds will be used to provide improvements to the pump stations, sewage treatment plant, outfall lines and provide necessary trunk lines in areas where present lines are inadequate or where no lines exist.

## Arrest of Boy Clears Recent Burglaries

A 17-year-old Gold Hill boy was lodged in the county jail Monday by state police for the burglary of the James Bunke Birdsong residence in Gold Hill Saturday evening, state police reported.

Police said that the boy had the guns in his possession at the time of his arrest. Reported taken were two rifles, a shotgun and a .22-caliber automatic pistol.

Police reported they are still investigating the incident.

The arrest of the youth also cleared a burglary at Gold Hill service station, police said. The other incident, during which nothing was reported stolen, also occurred Saturday.

Corvallis, Ore.—UPI—The Oregon State Beavers concentrated on offense Monday in an effort to find a consistent scoring attack.

## Last Try Slated Today For Land Speed Record

Bonneville Salt Flats, Utah—UPI—A discouraged Mickey Thompson, plagued by bad weather and bad luck on the salt flats here, planned what will probably be one last try early this morning for the international land speed record.

Thompson's Challenger I went into a skid at dawn Monday in what was to have been a record run and hit a course marker. His one-run time was a disappointing 325 mph, far below even the American land speed record he set here last month of 362 mph.

Whether or not he breaks the 394 mph mark that has held unchallenged since 1947, Thompson's attempt today will probably be the last because of the poor condition of the flats and because of other commitments.

"The way the course is now the odds of my breaking the record are pretty slim," Thompson said.

## Carbo Trial Resumes Today

New York—UPI—Underworld boxing czar Frankie Carbo's trial on charges of operating as an unlicensed fight manager resumes in Manhattan's general sessions court today.

The trial opened Monday in what Carbo and his attorney, Abraham Brodsky, thought would be a routine appearance. But before the day was out, the dapper Carbo wound up in jail with a million dollar federal tax suit to think about and Brodsky wound up in a heated debate with Judge John S. Mullen.

Brodsky sought to gain a postponement because he is scheduled to take part in a murder trial in Brooklyn on Oct. 19. He told Mullen he was under the impression that Monday's appearance was only to set a date for Carbo's trial. However, Mullen ordered the trial to begin and an effort was made to pick a jury.
