

CALIFORNIA VACATION—Governor Edmund G. (Pat) Brown, who met with President Eisenhower at the home of George Allen in La Quinta, Calif., invited the President to visit California "anytime." The President is currently on a short vacation in the sunny state hoping to get rid of a cold that has plagued him for several weeks.

Neuberger Has No Apology for Record

Eugene — (UPI) — Sen. Richard L. Neuberger (D-Ore.), whose record in the Senate includes voting for President Eisenhower's recommendations on foreign policy 85 per cent of the time, has reiterated that he has no apologies for that record.

He told the Eugene Active club that he regards Eisenhower as a man genuinely interested in world peace.

"Furthermore, he has had the wisdom and non-partisanship to continue — even at an accelerated pace — such Democratic-originated programs as reciprocal trade, support of NATO and the United Nations and foreign aid. Surely if he can be non-partisan in such matters, so can I."

Red China Official Victim of Cancer

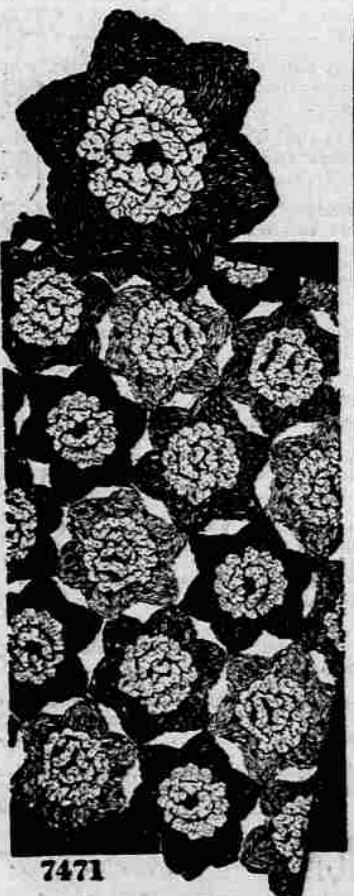

Tokyo — (UPI) — Li Chi-shen, 75, vice chairman of the powerful Standing Committee of Communist China's National People's Congress, died of cancer Friday in Peiping, Peiping Radio reported.

Li once was right hand man to Nationalist Chinese President Chiang Kai-shek.

He served as chief of staff of the Nationalist Revolutionary Forces in 1928 when Chiang was commander-in-chief. He broke with the Generalissimo shortly after the famed "northern expedition" which ended with Chiang's attempt to wipe out the Communists.

Li was not a Communist party member. He was chairman of the Revolutionary Committee of the Kuomintang, one of the major "democratic" parties with the Communists permit to exist to give their regime an appearance of democracy.
