

Errol Flynn, Once Dashing Movie Figure; Devoted Life to Women and Litigation

By RICK DU BROW
Hollywood—Three loves had Errol Flynn—wine, women and adventure. The women came first. On his death trip to Vancouver, B.C., he was accompanied by his latest protegee, Beverly Aadland, 17, who appears in his last film, "Cuban Rebel Girl."

By litigation, he referred mainly to his estrangement from his third wife, actress Pat Wymore. She didn't want to divorce him even though she told friends she was humiliated by his dating of Miss Aadland. "I wish I could hate him, but I can't," she said.

Flynn charmed them all. He sailed his yacht where he wanted—and it was up to his wives to keep up with him, if they could. His first two wives were French actresses Lili Damita and Nora Eddington Haymes. Miss Wymore, who earlier this year hadn't seen Flynn for 11 months, said: "For eight years, I attempted to find out whether Errol wants to take root someplace."

But I still don't know." **Headlines and Trouble**
The women were always there, and sometimes they brought headlines and trouble. In 1943, in one of Hollywood's most sensational trials, he was acquitted of statutory rape charges brought by two teen-age girls, Peggy Larue Saterlee, 16, and Betty Hansen, 17.

Counties Group To Help Set Up Home-Rule Guide

The Local Government committee of the Association of Oregon Counties has recommended that the association proceed with this work at all possible speed, since interest in county home rule in several counties is growing, and it is essential that there be some pattern of procedure for guidance of the charter committees.

The Jackson county court members have stated they plan to await developments at the AOC convention in November, at which this recommendation will be presented, before taking official steps toward establishment of a charter committee here.

The Local Government committee Tuesday also recognized the need for clarifying present provisions for bonding by counties adopting home rule charters. These provisions, according to James' report, do not let a county issue Bancroft bonds or other general obligation bonds.

The committee proposed that the AOC provide personnel and fund to prepare model home-rule charter provisions for the guidance of interested counties. These provisions would provide a broad framework in which county charter committees could

BUILT A NEW SOLID WAY TO GIVE YOU SOLID SATISFACTION

CHRYSLER ENGINEERING INTRODUCES A NEW KIND OF PLYMOUTH THAT MARKS A MAJOR BREAKTHROUGH IN CAR DESIGN. BODY AND FRAME UNIT ARE WELDED TOGETHER AS ONE, IN A NEW WAY. MANY PARTS THAT WORK LOOSE, RATTLE AND NEED FIXING IN ORDINARY CARS ARE ELIMINATED. THIS LOW-PRICE '60 PLYMOUTH IS STRONGER AND ROOMIER. IT USES LESS GAS THAN BEFORE. IT RIDES MORE COMFORTABLY, WE BELIEVE, THAN ANY OTHER CAR IN ITS CLASS.

PLYMOUTH'S NEW DURA-QUIET UNIBODY is a rigidly-formed structure, locked by approximately 5400 precise welds. It has no conventional body bolts, braces, struts or stays to give trouble. Road noises and road shocks are dampened. Even the sound of the wind is hushed.

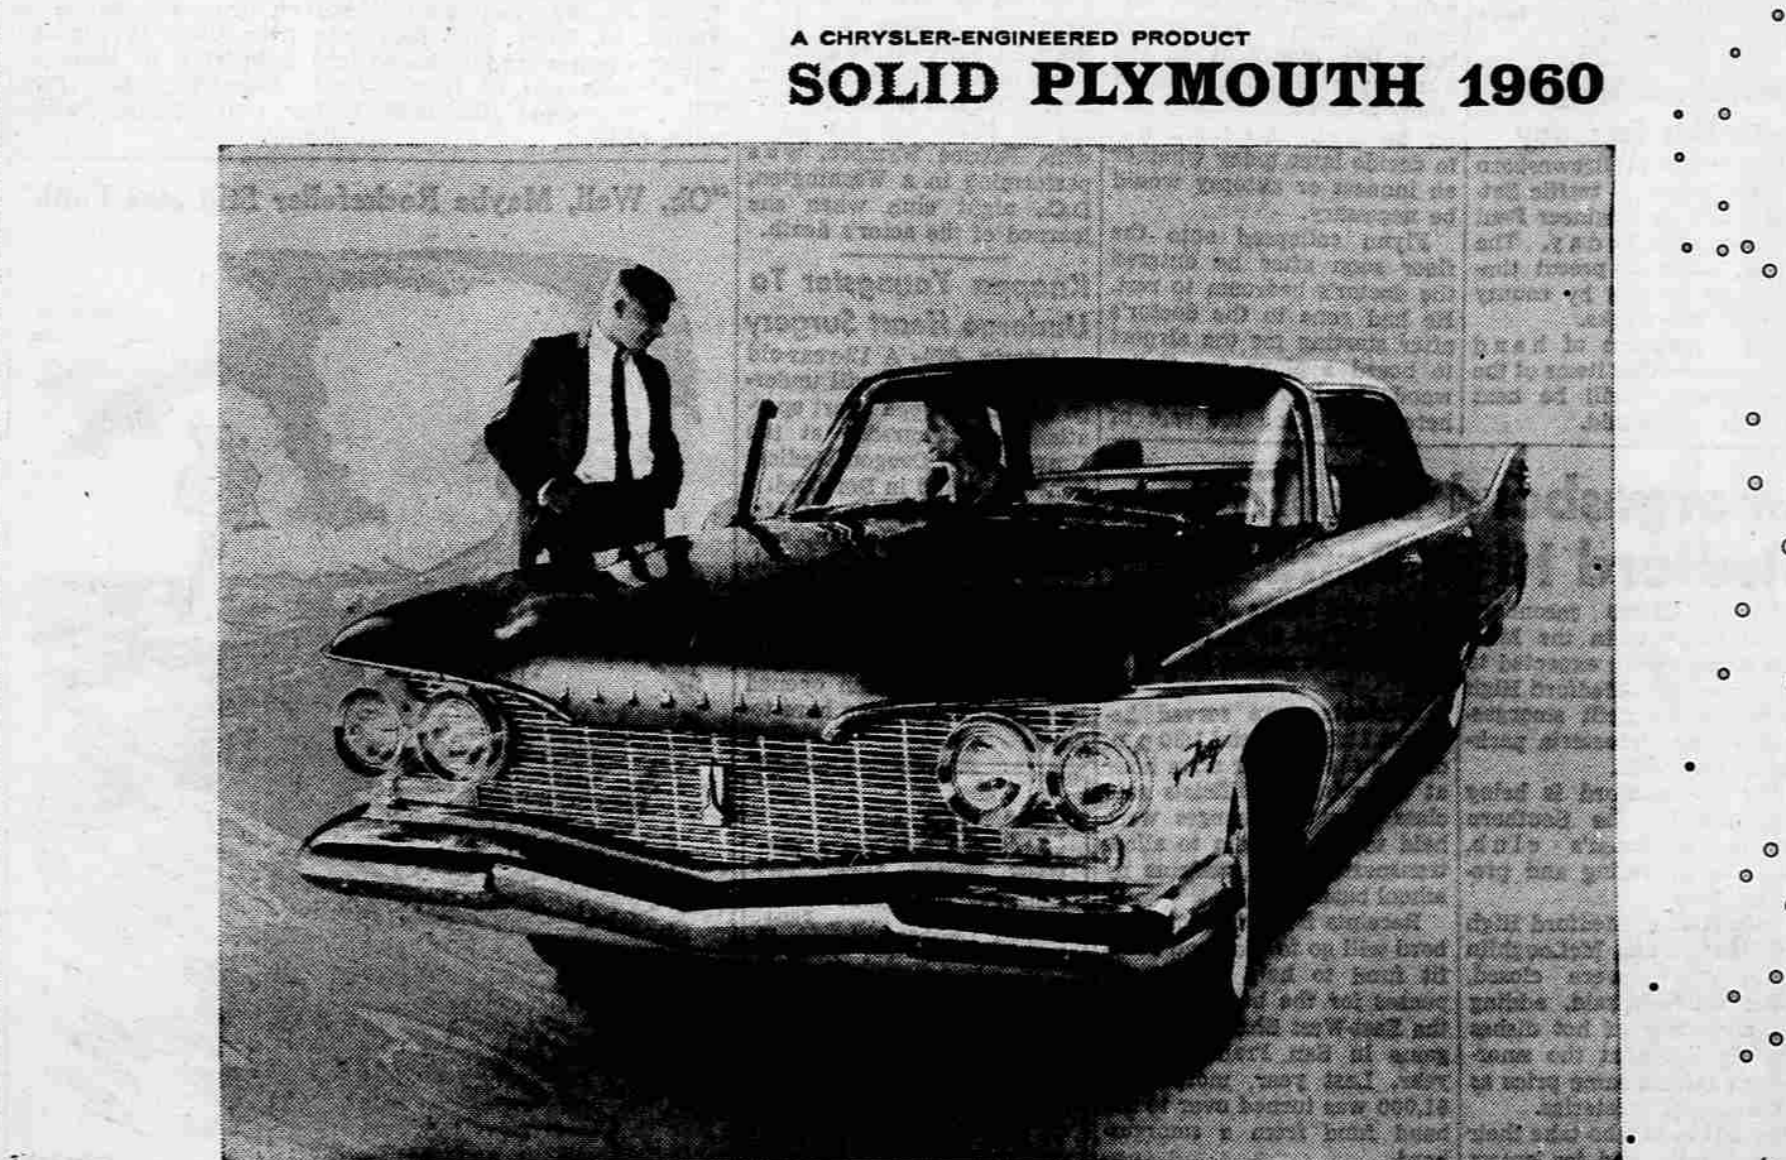

We doubt if any car at any price has ever ridden or handled as well as this low-price automobile. Practical Stabilizer Design, incorporating rear stabilizer fins, adds stability on the road, cuts wind resistance, gives better gas mileage.

The new Solid Plymouth is a young, exciting car with ten full years of Chrysler Corporation development behind it. It will suit you particularly if you want a feeling of quality and a sense of craftsmanship. It is built carefully and precisely.
