Doctors recommend Milk of Magnesia—the gentle laxative-antacid that gives complete but carefree relief

THOUSANDS of doctors—general practitioners, pediatricians, obstetricians and surgeons, coast to coast—were asked: "Do you ever recommend Milk of Magnesia for your patients?" The overwhelming majority replied: "Yes!"

Yes, doctors consider Milk of Magnesia effective and gentle enough even for infants, maternity cases and surgical patients.

And no wonder!

As a laxative, Phillips' works leisurely, thoroughly but comfortably, never forces the system.

As an antacid, Phillips' relieves upset stomach, gas, heartburn and other acid distresses accompanying constipation.

No single-purpose laxative can give such complete, yet gentle relief!

Ask your doctor! No home should ever be without genuine Phillips' Milk of Magnesia!
