# Art Gallery Opening At College

Ashland - Opening day for the recently completed art gallery located in the Britt student center on the Southern Oregon college campus will be Friday, October 23, according to Miss Marion Ady, art department chairman.

Monday evening, at the University club, members of the Junior Service League met the director and were given a resume of the Follies routines. Mike Johnson's three-piece combo of piano, drums, and horn, played for a brief demonstration of various dance steps to be used. It was an informal gathering, with enthusiasm the keynote of the evening.

As before, League husbands will serve as partners in dances that require couples, and they will present comic routines that are all male. The lighting will be worked out by William Patton, who has handled this important task in previous years. Berwick Wood will be stage manager again, and will have a large crew of League husbands to assist him.

Proceeds from the Follies will go to maintain the kindergarten for hard-of-hearing children, and tickets are now on sale at Purucker's, Swens, Barker's and the Music Mart.
