Casanova Selected Grid Coach of Week

By HOWARD APPLIGATE Eugene—UPI—He never has depth of material, so he makes a flaming team spirit do the job instead.

whose extra-point try two years ago gave Oregon a 14-13 win that paved the way to the Rose Bowl.

He's Len Casanova of Oregon, honored today by United Press International as the college football "Coach of the Week" for Oregon's 20-3 upset of the Air Force Academy.

It was the fifth straight win for unbeaten, almost unnoticed Oregon and the first loss in 15 games for the Air Force.

Ninth Year Record Casanova is in his ninth year as head coach at Oregon—a school record. Never, including this season, has he had real depth. But he gets the most from his players and installs confidence in them.

Of his honor as coach of the week, the mid-mannered "Cas" said: "Coaching today is a staff effort, not the work of one man, and I think I have one of the best staffs in the country."

Of the Air Force game his comment was "the kids played very well and any time you win one like that the ball has to bounce right, too."

Gross Comments After Washington State lost that 1957 game on Newman's missed extra point, Casanova walked up to him before congratulating his own players and said: "Don't let it get you down. You played a great game and that's one of the breaks of football."

There's a great team spirit at Oregon. The players admire Cas and the staff. Typical comment came from junior quarterback Dave Gross, fast turning into a real star.

"I think the thing that helps us most is the wonderful relationship we have with the coaches. They're patient with us and they joke with us which makes it awfully easy to play for them."

Grosz is a kid no one wanted at Kent, Wash. In fact he'd almost made up his mind to attend nearby Washington on his "own" when he visited the Oregon campus. Last year Casanova stuck with Grosz as his starting quarterback despite criticism as Oregon won only four and lost six while giving up but 50 points. His confidence in Grosz is paying off now.

The grey-haired mentor has Webfoot Field Gates Barred Eugene—UPI—Coach Len Casanova scheduled a long ofensive workout for his Oregon Ducks today.

Casanova divided Tuesday's session between passing and running. The gates were barred to observers, indicating Casanova plans to spring a surprise against the Washington Huskies this weekend in Portland.

The Webfoot coach has supplied all of Oregon's opponents this year with at least one surprise, including a double-winning attack in the San Jose State game.

Baseball Draft November 20th New York—UPI—The major league draft—when baseball stages its annual bargain-basement sale—will be held this year at the Commodore Hotel in New York, Nov. 20.

Raiders Eye Grid Clash With OCE

Ashland—Southern Oregon college will seek its second Oregon Collegiate conference football game when it tangles with Oregon College of Education Saturday at 2 p.m. in the Raiders annual homecoming battle on Fuller field.

SOC rates only a slim chance to tie for the OCC crown now that Oregon Tech has a 3-0 record with one game left to play. The Raiders still must meet Eastern Oregon college following the OCE fracas.

Two years ago the OCE-SOC battle was the highlight of the Raider homecoming festivities and the men of SOC had to come from behind the halftime score of 19-0 to win 21-19. Eventually the Raiders won the OCC title.

Al Barnes continues to lead the rushing and total offense statistics with 256 yards on the ground and seven through the air for a total of 263.

The Crater high school grad is averaging 51.2 yards per game and 3.5 yards per carry. Jack Brown is the top passer on the squad with 25 completions in 57 attempts. This is a 43.9 per cent completion record which has proven good for 307 yards.

Gordy Carrigan is the leading receiver with 14 shares which have carried for 272 yards and an average of 54.4 yards per game.

Carrigan's wing mate, Jim McAbee has gathered in 12 aerials for 118 yards.

Teamwise the Raiders have won one game in four attempts and they stand 1-1 in OCC play to date.

SOC has gained 402 yards rushing and 484 passing for a five-game total of 886 yards or an average of 177.2 yards per game. The opposition has gained 637 on the ground and 348 in the air for 985 total yards per game.

OCE's Wolves have had their trouble through the first half of the season. They have not been able to win in five games. Their last mix saw a 10-0 loss to Portland State's Vikings.

Tickets for the SOC-OCE game may be reserved by telephoning MU 2-4611 and asking for the college business office in Ashland.

Logart Seeks Contender Spot Miami Beach—UPI—"Serious" Isaac Logart of Camaguey, Cuba, tangles with unbeaten hometown Luis Rodriguez tonight in a nationally televised 10-round welterweight fight at Miami Beach Auditorium.

For Logart, 26, the battle could mean a return to the ranks of the top 10 contenders.

He once was ranked as the leading challenger for the welter crown and his overall record in 75 fights is 55-13-7. But he has been dropped from the top 10 list for the first time in three years and has lost his last three starts, to Charley Scott twice and Garnet Sugar Hart.

Huskies Prime For UO Attack Seattle, Wash.—UPI—The Washington Huskies spent most of Tuesday trying to find the solution to stopping Oregon's running game.

The Huskies and the undefeated Ducks collide in Portland Saturday.

Four One-Point Margins On Eureka Logger Record Comparative scores don't help a lot in trying to figure just how tough the Eureka, Calif., Loggers will be for the Medford high Black Tornado football team when the two clubs collide here on Friday night.

Medford and Eureka each have played Klamath Falls, which has been the only common foe of the two. The Tornado won 44 to 7 from the Pels while Eureka tied KF 6 to 6. That would appear to make Medford the heavy favorite.

But, there is another way to look at it. Eureka has split in its own league with Del Norte of Crescent City, dropping the first game 13 to 12 and winning the second 15 to 14. Then, Crescent City has battered Grants Pass, 41 to 7, a club which whipped Klamath Falls 31 to 0. Adding more confusion to the picture is the fact that Klamath Falls beat Ashland 19 to 6 and Ashland owns a 7 to 0 win over Grants Pass.

2-3-1 Standing Eureka will come here for the 8 p.m. Friday fray with a record of two victories, three losses and one tie. But, it is interesting to note that the Loggers losses have each been by just one point. They beat Ft. Bragg, Calif. 31 to 0 in addition to nosing out Del Norte. Losses other than the one to the Crescent City club were 14 to 13 to Fortuna, Calif., and 21 to 20 to Arcata, Calif.

The win over Del Norte was decided by a field goal thumped by Logger fullback Norm Christensen.

A Eureka report says that the Loggers use a multiple of offense but basically a single wing. The Loggers have a 225-pound center in Dick Holt and Ron Ramacciotti is said to be the club's leading scorer with four touchdown passes.

Lake Mead Cup Race Obiective Las Vegas—UPI—Unlimited hydroplanes took to the calm surface of Lake Mead today in the first annual Lake Mead Cup Race.

Capable of straightway speeds approaching 200 miles an hour, 10 of the fastest propeller driven boats in the world will be out to make their final showing of 1959 in nationally recognized competition.

Despite an accident Monday when a crane dropped her into the water too quickly and damaged an oil tank and rudder, the Lake Mead-based Maverick was the favorite. Maverick holds the prized Gold-Cup Trophy and the national championship in point standing.

Bears Stress Pass Defense Berkeley, Calif.—UPI—Coach Pete Elliott scheduled a scrimmage for his California Bears today, with the emphasis on pass defense.

Elliott said he expected Oregon State to concentrate on passing when the Bears host the Beavers here Saturday. The Bears held a short defensive scrimmage Tuesday, familiarizing themselves with OSC's single-wing attack.

Halfback Jim Burress, out with an injured back, should be able to return to practice Thursday, Elliott said. Burress is expected to suit up Saturday.

Game Back To Kids at Arizona SU

By HAL WOOD San Francisco—UPI—They've given the game of college football back to the kids at Arizona State university—and the coaches never had it so good.

Coach Al Kush of the Sun Devils started building from the ground up in mid-season of 1958 with a gang of freshmen and sophomores. Right now the club is working on a string of nine consecutive victories.

The search for the 10th in a row goes on at San Jose on Saturday night.

Arizona State off-times has come under scrutiny of the CAA for its recruiting methods, but even the most august of the spots fathers could find nothing wrong in the way Kush is playing youngsters on his team.

Last Saturday, playing against a Colorado State team that tangles with Army this week, the Sun Devils at one time had seven sophomores and two freshmen in the lineup. And they won!

Four Straight This Year So far this year the Sun Devils have rolled over West Texas State, 43-22; Utah State, 34-12; Montana State, 31-14; and Colorado State, 21-9.

Features of the club includes:—Jesse Bradford, a 20-year old tackle who weighs 190 pounds, stands six feet tall, and can run the 100-yard dash in 9.5. He is the former California State low hurdles champion.

A quarterback named Fran Urban who never played football in high school and sat out last year in the college ranks. Urban played football in the service.

The fact that of the 46 men on the squad, 21 are from Pennsylvania, only 12 from Arizona.

Dad Forecasts Victory by Pat Portland—UPI—Pat McMurry's father predicted Tuesday the Tacoma heavyweight would defeat Eddie Machen here next Tuesday in their scheduled 10-round bout for the mythical Northwest championship.

Clarence McMurry, who manages Pat, said his son would be in top shape for the bout, to be held at the P-I building.

Machen, fourth-ranked heavyweight, has lost only once—to now champion Ingemar Johansson.

Moore Scores 1st Round KO London—UPI—World featherweight champion Davey Moore, who floored Scottish Bobby Neill five times, for a first-round TKO, said today, "I guess I was more surprised at the quick finish than Neill."

Neill, well-bounced victim in their non-title fight before 10,000 at Wembley Stadium Tuesday night, said, "I hit him with a left and was just going in for another when I found myself on the floor. I didn't remember much after that."

Colts, Forty Niners Pro Gridiron Picks

By EARL WRIGHT United Press International The Baltimore Colts, San Francisco Forty-Niners and New York Giants are favored to retain their grips on first place in three of Sunday's National Football league features.

The Colts are heavy, 13-point choices to whip the Green Bay Packers at Baltimore although they share the Western division lead with the Packers and Forty-Niners. The Forty-Niners entertain the Chicago Bears (1-3) and are slim, one-point favorites. The Western leaders have 3-1 records.

The oddsmakers also made New York (3-1) a one-point choice to retain its one-game Eastern division lead by defeating the Steelers at Pittsburgh. The Steelers, Cleveland Browns, Washington Redskins and Philadelphia Eagles (each 2-2) are tied for second behind the Giants.

Browns Over Redskins Cleveland plays host to the crippled Redskins and is a 9 1/2 point favorite. Philadelphia is favored over the Chicago Cardinals (1-3) at Minneapolis. The Cardinals scheduled two of their six home games at Minneapolis this year. They will play the Giants there Nov. 22.

The Rams (2-2) are two-point choices to defeat the Detroit Lions (0-4) at Los Angeles in Sunday's other game. Green Bay swept its games against the Bears, Lions and Forty-Niners but has been weakened by injuries and took a 46-5 whipping from the Rams last Sunday. The Colts appeared sluggish in their early games but showed the form that carried them to the 1958 championship during last Sunday's 21-7 triumph over the Bears. Ray Berry and Lenny Moore, two of Baltimore's top pass receivers, have recovered from injuries.

The Giants may spend a rugged afternoon at Forbes field. The Steelers have been especially effective against the Giants at Pittsburgh. They were the only team that ran amok against the New York

Myers Rejects Written Pact Stockton, Calif.—UPI—Jack Myers turned down a five-year pact as head football coach at College of Pacific Tuesday in favor of a year-to-year verbal agreement.

Myers, hanged in effigy less than two weeks ago, was offered the contract by school president Robert Burns at a Stockton Quarterback club meeting Monday night.

"I appreciate Dr. Burns' gesture," Myers said, "but I won't sign that contract. I signed a three-year contract when I took over as head coach in 1953. But since the expiration of that agreement we haven't had any contract."

COP has a 1-3 record this year, losing to Colorado State, Washington State and Stanford. The Tigers defeated Marquette Saturday night for their first win of the season.
