

EAGLE POINT Halloween Part Set

By DOTTIE HARBISON
Eagle Point - The annual community Halloween party will be held Saturday, Oct. 31, at the Eagle Point Grade school from 7 to 9 p.m.

Mrs. Pat Shelton, president of the Parent-Teacher association, said prizes will be offered in four divisions for the youngsters for the most original, the scariest, the prettiest, and the funniest costumes, with a grand prize being offered in the high school-adult age division. The most original and cleverest Jack-O-Lantern will be awarded a prize.

Games for all ages will include apple biting, pinning the nose on the old witch, and the men teachers are preparing a special spook chamber for adults.

Mrs. Bertha Uhrich will be in charge of the cafeteria with refreshments being served to the children at 8 p.m. followed by a story hour, and the rest of the group being served at 8:30. The Lions, the Lions auxiliary, the Jaycees, and the Jaycettes are co-sponsoring the annual party with the Eagle Point Elementary Parent Teacher association.

Mrs. Lois West and Mrs. Al Beddingfield of Prospect were co-hostesses to a family reunion at the home of Mrs. West, 124 Ajax rd., Camp White, Friday, Oct. 16, in honor of Mrs. Milly Glass, who celebrated her 70th birthday. This was the first time in several years that part of the people had seen each other in spite of the closeness to each other.

Coffee, cake and punch were served to Mrs. Bessie Case, Mrs. Matty Rodgers, Mrs. Jesse Walker and Mrs. Clara Walhite, all sisters of Mrs. Glass. Other relatives visiting that afternoon were Mr. and Mrs. John Nelson, Mrs. Ady Vincent, Mrs. Eunice Jones, Mrs. Leland Dy-singer, Mrs. Jesse Glass, Mrs. Clayton Simmons, Mrs. Vernon Monia, Mrs. Frank Dean, Mrs. Olive Dean, Mrs. Glen Holst, Mrs. Earl Gart, Mrs. Fred Clark, and Miss Marie Clark from either Medford, Central Point, Butte Falls, or Eagle Point.

Yell Queen Donna Geren and yell leaders Sandra Charters, Marsha Pulley, Mary Alice Pestka and Bonnie Gerling led songs and kept spectators in a lively mood to cheer the Eagle Point Hornets to a 13 to 7 victory over Phoenix Oct. 15. The Hornets will play Talent at the high school field Oct. 29 at 4:30 p.m.

The sixth grade classes at Eagle Point Grade school participated in the experimental field trip at Forest creek last week. Approximately 75 youngsters, their teachers, Mrs. Ray Barrows and David Harbison, and parents, Mrs. Leroy Beddingfield, Mrs. Ralph Keesler and Mrs. Schermerhorne boarded the school bus at 9 a.m. for Forest creek where they met Applegate and Rogue River students to join in an educational demonstration sponsored by the state forest department headed by John Blake, the Jackson County Agent Earle Jossy, and the Jackson county schools to acquaint them with the various types of soil conservation and identification, fire fighting methods and tree conservation and identification. Spike Mallaroy drove the bus.

The Flaming Arrow Patrol of Pack 48 Boy Scouts packed a portable radio into their pack sack and hiked to Roxy Anne Saturday, Oct. 17, where they cooked dinner at the park site. They returned to Eagle Point by car that evening. Assistant Scoutmaster James Bunker accompanied Arthur Harbison, the patrol leader, and Jerry and David Moore, Larry Harris, Bobby

Corliss, Henry Wealty and Tony Johnson on the outing.

Cub Scouts of Pack 48 will hold their October meeting in the grade school gymnasium Oct. 30 at 8 p.m. A film has been secured to show parents on Cub Scouting. Den skits will be presented, and new boys will be introduced along with achievements for cubs earning them. All parents of the boys are asked to be present for their part of the induction ceremony.

The sophomore class of the Eagle Point High school will hold a car wash in front of the city hall on Main st., Oct. 31 from 10 a.m. to 4 p.m. Dick Wilson, president of the class, is in charge of the project.

Shy Callaghan, principal of the high school, announced that the individual pictures taken three weeks ago are now in the office ready for distribution to the students.

The total enrollment of school district 9 has reached an all time high of 1,174 as of the September enrollment, according to school officials. Eagle Point High school has 306 enrolled, compared to 275 at the close of school last year. Eagle Point Grade school has an enrollment of 600, compared to 519 last year; Elk-Trail has 105, compared to 102 last year and Shady Cove has 165 compared to an enrollment of 156 of last year. Since neither the magnetic nor the gyroscopic compass will work near the North and South Poles, Albert H. Bumstead of the National Geographic Society invented the sun compass.

CIVIC RESPONSIBILITY
Ithaca, N. Y.—(UPI)—The State of New York planted grass between the curb and sidewalk along a new highway here and then notified residents they would have to mow it.

The San Francisco Chamber of Commerce estimates that visitors attracted to the area by the baseball Giants during their first season in San Francisco spent more than 75 million dollars there.

The length of a meter was fixed by the Paris Academy of Sciences in 1791 at one ten-millionth of what was then believed to be the distance from the Equator to the Pole.

THE ONE LOW-PRICE WAGON THAT'S ALWAYS BEEN FIRST WITH NEW IDEAS CAN NOW GIVE A SOLIDER RIDE THAN ANY WAGON COULD POSSIBLY GIVE YOU BEFORE. BECAUSE NO WAGON EVER HAD A DURA-QUIET UNIBODY BEFORE.

The Solid Plymouth wagons for 1960 are built a new way by Chrysler engineers. Body and undersills are joined in one enormously strong steel unit, locked by over 5900 precise welds. Plymouth's nine new suburban models are tighter, quieter, smoother than ever. They're roomier, too.

on maintenance because welded construction stands up better, with no conventional body bolts and nuts to work loose. Comfort of ride and ease of handling are noticeably improved in the Solid '60 Plymouth wagons.

It took ten solid years of development to create this new kind of wagon... and after two minutes behind the wheel, we're pretty sure you'll say it's worth it.

See this big, beautiful wagon—and we think you're going to want it.

Unibody construction is made for wagons. Doors, windows and tailgate fit better and stay tight. You save
