Jim Brown, the National Football league's finest ball-carrier, made "believers" of the Baltimore Colts and changed the complexion of both division races in one golden afternoon.

Brown's five-touchdown spree against the Colts Sunday at Baltimore enabled the Cleveland Browns to upset the defending league champions, 38-31. His touchdowns on runs of 70, 17 and three yards and a pair of one-yard plunges also:

Enabled the San Francisco Forty-Niners to take undisputed leadership of the Western Division with a 33-7 triumph over the Detroit Lions.

Forced Baltimore, which started the day tied with San Francisco for first, into an uphill fight to retain its Western Division crown.

Kept the onrushing Browns only a game behind the New York Giants, 20-3 victors over the Green Bay Packers, in the Eastern race.

The Philadelphia Eagles remained tied with Cleveland at the halfway mark in the campaign by staving off a Washington Redskins rally for a 30-23 triumph.

In Sunday's other games, the Chicago Cardinals upset the Pittsburgh Steelers, 45-24, and the Chicago Bears surprised the Los Angeles Rams, 26-21.

Brown, who set an all-time NFL rushing record of 1,527 yards last year, is in his third pro season but never before played against Baltimore. His ability was questioned before Sunday's game by several Colts. Gene (Big Daddy) Lipscomb, Baltimore's 288-pound all-league defensive tackle, said "I've been itching to get

my hands on that cat (Brown). But Big Daddy and his mates had trouble getting their hands on Brown from the time he rocketed over his right tackle and zipped 70 yards to score in the second period. The current Baltimore defensive unit, ranked with New York's as the league's best, never has been so humiliated.

**Units Still Brilliant**  
The 230-pound Brown gained 178 yards on 32 rushes. Averaging 5.5 yards per carry behind the blocking of Mike McCormack and Cleveland's other offense linemen, he sparked the Browns to victory despite another brilliant passing show by John Unitas.

Unitas completed 23 of 41 passes for a personal single-game high of 397 yards and provided Baltimore's four touchdowns on short tosses to Lenny Moore, Jerry Richardson, Raymond Berry and Jim Mutscheller.

But Cleveland's defense, basis for the team's seven Eastern titles in the last nine years, halted Unitas in the clutch. The Browns stopped Unitas four times within the Cleveland 10 to the disgust of a sellout crowd of 57,557.

Baltimore now must play four of its last six games on the road. Two of the road games are at Los Angeles and San Francisco, where the Colts have won once in 14 tries since 1950.

Although he was expected to be in the hospital for several days, his doctor said his condition is "not serious." Lusk has been on the high bench since 1937.

## Bears Beat Rams 26-21 In Pro Tilt

Los Angeles, Calif.—UPI—The Los Angeles Rams should defeat the Forty Niners next week," forecast Chicago Bear coach George Halas.

This was little solace for a team which had just taken a double defeat—on the scoreboard and physically—from the Bears.

Halas said, after Sunday's 26-21 Bear win over the Rams, that the Los Angeles club would take NFL Western division leading San Francisco "because they have better overall personnel."

But he was hard put to explain how the Bears lost to the Forty Niners last week and then soundly defeated the club he says will upend San Francisco.

He was not at a loss, however, with reasons for Sunday's win. He said: "Clobber" didn't materialize. 1—"The Rams gave us a big morale boost when they let it be known they were going to 'clobber' us."

2—"We fooled 'em with our tight-T offense in the first half when reserve quarterback Zeke Bratowski started, and then again when we reverted to our regular 'slot-T' formation in the second half with regular quarterback Ed Brown at the helm."

3—"Fullback Rick Casares played his best game of the season. The whole team ran better because the line blocked better. That's been our trouble all season."

**Linfield Wins Over Whitman**  
United Press International  
Linfield's Wildcats pounded out a 28-7 win over Whitman Saturday night on the strength of a three-touchdown third period.

It was the first Northwest conference win for the Wildcats. Quarterback Bill Parrish flipped a pair of 14-yard scoring passes to pace the Wildcat offense before a homecoming crowd of 2,500.

Pacific recorded the only win among the four other schools of the league in non-conference action.

The Badgers turned loose a five touchdown second half attack to overwhelm Portland State, 40-0 in the Pacific homecoming at Forest Grove.

On the losing side of the picture for conference clubs, Willamette fell to College of Puget Sound, 26-7; Lewis and Clark dropped a 13-7 decision to the Seattle Ramblers, and Idaho State edged College of Idaho, 28-21.

**Corvallis Plywood Changes Ownership**  
Corvallis—UPI—The Corvallis Plywood company has been sold to Benton Plywood in a transaction that involved \$500,000 plus the inventory, it has been announced here.

Al Overgard, manager of Corvallis Plywood, said the change of ownership became effective Sunday.

## SPORTS

### Trapping Begins In Southeastern Part of State

Salem—UPI—Oregon trappers swing into action Sunday with the season opener in the southeastern portion of the state for beaver, otter and muskrat.

Areas opening include Lake, Harney, and Malheur counties.

Klamath county also opened for muskrat trapping but won't open for beaver and otter until Nov. 15.

The general trapping season on a state-wide basis will open Nov. 15 when mink, marten and ring-tail cat, in addition to beaver, otter and muskrat may be legally trapped. The season runs through Feb. 15, except for mink. The mink season ends Jan. 15.

Muskrat will be legally trapped in Lake, Klamath, Malheur and Harney counties through March 31.

Trappers were advised by the state game commission that in addition to a general trapping license, special tags costing \$1 are required to trap and sell beaver.

### Johansson May Not Face Floyd Until Next May

Fort Lauderdale, Fla.—UPI—Heavyweight champion Ingemar Johansson may not meet Floyd Patterson in a return title bout before May of 1960, a business consultant for the Swedish boxing star said.

This apparently means the Orange Bowl in Miami has been eliminated as a possible site for the fight, said William J. Kelley of Fort Lauderdale. The May date would come after Florida's lucrative winter season has ended.

Several Floridians, including retired champion Rocky Marciano, have been hoping to secure the Johansson-Patterson fight for Miami.

Marciano said he knew several Florida businessmen who would "bid as high as necessary" to get the fight for the Orange Bowl. He said he plans to see Johansson in New York Nov. 19 and will outline at that time what the Miami area can offer.

Don Foose, Medford, was top winner yesterday in the hill climb sponsored by Rogue Valley Riders Motorcycle club on Applegate hill.

He was first in the middleweight class, first in the open and had the fastest time of the day with :24.2.

## Forty-Niner Eleven in Lone Lead

San Francisco—UPI—Coach Red Hickey of the San Francisco Forty Niners is facing as tough a "Month of Sundays" as possible today—but it's a cinch he's a happy man.

Hickey's hammering Forty Niners moved into undisputed possession of first place of the National Football League's Western division Sunday with a devastating 33-7 win over the Detroit Lions.

San Francisco's 5-1 record held up when Baltimore's Colts lost a 38-31 score-fest to Cleveland, dropping the Colts to second place with a 4-2 mark.

Coming up for San Francisco are four straight rugged tests on the road—with the Rams, Packers, Colts and Browns. The Forty Niners will return to friendly Kezar stadium Dec. 5 against the Colts, and wind-up the season one week later with the Packers.

**Why Not on Top?**  
"I don't know how long it'll be before we lose," said a jubilant Hickey after Sunday's win, "but there's no reason why we can't stay right on top."

And to the 59,064 fans jammed into Kezar stadium Sunday afternoon there was no apparent reason either.

The home-town redshirts were never in trouble, pairing a fierce defense with the balanced offensive thrusts that have kept them winning all season.

J. D. Smith's explosive 73-yard touchdown jaunt after 1:25 gone in the first period set the pattern. Other Forty Niner touchdowns followed, and their defense kept the pressure on Lion quarterbacks every second.

Hugh McElhenny, returning to the lineup after a month's absence, caught two passes for a pair of touchdowns, the second a 62-yard toss from quarterback Y. A. Tittle.

### Kefauver Suggests Special Session

Memphis, Tenn.—UPI—Sen. Estes Kefauver suggested Sunday that President Eisenhower call a special session of Congress if the 111-day steel strike isn't settled "in the next couple of weeks."

Purpose of the session, he said, would be passage of a compulsory arbitration law.

"Nobody likes compulsory arbitration," Kefauver said, "but when the public interest is so clearly at stake... there seems to be no other course."

**STEEL AUTHORITY DIES**  
Pittsburgh—UPI—Carl B. Pollock, 64, vice president of the Allegheny Ludlum Steel Corp. and nationally known authority on steelmaking, died of a heart attack Saturday night.

# .500 Season Now Goal Of Beavers

Corvallis—UPI—Coach Tommy Prothro today faced the task of preserving at least a .500 season for his Oregon State Beavers.

And quite a task it will be. The Beavers face Washington, Stanford and Oregon, in that order. Prothro was a bit perplexed at the lack of Oregon State offensive power in Saturday's 14-0 white-wash by Washington State.

The Beavers managed only 98 net yards on the ground and 31 yards on two completed passes in 14 attempts against the Cougars.

Prothro said the Cougars showed the best pass defense the Beavers have faced this season.

"The best pass defense," he added with a smile, "since we started throwing." He reminded that Oregon State's passing offense came to life in the previous two games against Idaho and California.

To date the Beavers have combined a not so enviable 2-5 record. This coupled with the remaining slate of rugged foes seems to point to Prothro's first losing season since he took over the reins at OSC in 1955 and pulled a 1-9 football club to the West Coast Rose Bowl representative in two years.

**NATIONAL LEAGUE**  
United Press International  
With or without a facial mask, Jacques Plante of the Montreal Canadiens ranks as one of the most talented and courageous net-minders in National Hockey league history.

The gritty Frenchman became the first goalie ever to wear such a protective device Sunday night after he was struck in the face by a sizzling backhand shot off the stick of Andy Bathgate of the New York Rangers early in the first period at Madison Square Garden.

Plante needed seven stitches to close the deep wound and returned to the ice wearing a special mask: he designed himself. It did not handicap him in the least as he turned aside 27 shots in leading the Canadiens to a 3-1 victory over the Rangers.

St. Louis' devastating duo of Bob Pettit and Cliff Hagan has brought the Hawks right back to the top of the National Basketball association's Western division.

The Hawks, seeking their fourth straight division title, beat the Minneapolis Lakers, 138-101, Sunday as Pettit, last season's scoring champion, dropped in 28 points and Hagan pumped in 26.

In the only other league action, the Boston Celtics won their fourth straight by whipping the Cincinnati Royals, 124-109.

Rookie Dave Gambee of Oregon State chipped in with 21 points as St. Louis handed the Lakers their worst home defeat in 13 years.

## Possibility Nine Clubs In Circuit

Conditional franchises were granted to four teams for berths in the Southern Oregon Independent basketball league at a meeting held in Grants Pass Sunday.

The franchises went to Delbert Jones in Ashland, Fred Johnson in Medford, the Medford Oregon National Guard, and Morris Jimenez in Glendale. The conditions are that they must show by Sunday, Nov. 8, that they have secured adequate sponsorship and gym facilities to carry out the league schedule.

League play will start the week of Dec. 6. Other teams in the loop are Southern Oregon college junior varsity, Hawkinson Tire of Medford, Butte Falls, Grants Pass and Riddle. Roseburg declined an invitation to join the circuit.

Harry Chipman, Medford, was reelected league president.
